The Tannery.

At a meeting of the Board of Trade held Monday evening a motion was put and carried unanimously to request the town to grant Mr. Dickinson \$25,000.00 to aid in rebuilding the Tannery recently destroyed by fire. The citizens of Woodstock have not pleasant memories in matters of this kind as it is not many years ago that they granted \$5000 to aid an industry which has made little or no returns to the town. But in the matter of the Tannery the case is different. For many years the Dickinson Tannery has been engaging labour, producing first class stock; and by reason of the honesty and integrity of the firm, winning a name among the important industries of New Brunswick. It has been doing a business estimated at \$300,000 annually with a prospect of an increase because of the greater demand for their stock. Every week the wage sheet of the Company had been about \$400.00 and has given employment to about 40 hands.

The Board of Trade in asking the Town to give Mr. Dickinson this grant are not asking for aid to any visionary scheme, even as matters now stand Mr. Dickinson has sufficient property interests in the town to warrant the favorable consideration of every voter.

And let us remind the citizens that this is not a matter of charity. When the Board of Trade asks the Town to give this grant, it is a matter of self-preservation. Every dollar given will be returned if this industry is retained, while on the other hand if Mr. Dickinson does not rebuild it will mean a distinct loss to the town.

It may be claimed that this grant will mean an increase in taxes. But that may be questioned. If the grant is given it may mean a small increase but if the 30 families now residing in the town, and who have been employed in the Tannery, and if Mr. Dickinson, who is a large tax payer, goes away, will not the increase still come. And at the same time our merchants will lose trade and the people of the surrounding country, from whom Mr. Dickinson has been purchasing wood and bark, will have no market, so that the Town stands to lose more than may appear at first glance should this grant not be given.

We trust that all of the property owners of the Town will give this matter full consideration, and turn out en masse when the voting day comes, to retain this important industry.

Resolution of Approval.

At a meeting of the Trustees Board of the Methodist Church, held Monday evening, a resolution was passed unanimously expressing appreciation of the services of Rev. R. G. Fulton, and regretting his removal from the charge and from the conference. A similar resolution was unanimously passed by the Quarterly Board of the Church last Friday evening.

Wireless Telegraphy.

Perry B. Perkins, formerly of Centerville, who is now in charge of the department of Electrical Engineering at Trinity College, Hartford, will give an address on wireless telegraphy in Sherwood's Opera House, Centerville, Friday evening, 25th of June. Admission 25 and 15 cents.

SPECIAL OFFER.

THE FAMILY HERALD AND WEEKLY STAR AND CARLETON SENTINEL FOR BALANCE OF YEAR FOR 75 CENTS. THIS OFFER WILL BE OPEN UNTIL JULY 1st.

Death of Edward Lindow.

Mr. Edward Lindow, died very suddenly on Sunday at 3.30 o'clock of heart failure. Mr. Lindow was in his 61st year and was one of the most well known and respected citizens. He was around town on Saturday in his usual health, but on Sunday morning complained of not feeling well and gradually grew worse until his sudden death. Years ago he was a partner in the grocery business with the late John Graham and since that time has devoted himself to farming. He is survived by his aged mother, a widow, two daughters Mrs. Bunnell of Woodstock, Mrs. Howe of Presque Isle, and two sons John and Warren of Woodstock. Mrs. Albert Hayden and Mrs. Mary Glidden are sisters of the deceased. The funeral was held from his late residence on Tuesday afternoon, the Rev. G. D. Ireland of the Presbyterian Church officiating.

Loss of a Valuable Horse.

The horse owned by Israel Churchill and driven by Mrs. Churchill became frightened at something on Connell Street Wednesday night and ran away. Mrs. Churchill guided the horse down Maine St. and over Broadway but was not able to control its speed. The horse continued in its mad course until it reached the Houlton Road when it fell down dead. It was supposed that in running the hills the over exertion caused its death.

Marriage of a Popular Woodstock Young Lady.

A quiet wedding in which much interest will be shown in this province took place at Trinity church, Sussex, on Tuesday afternoon at five o'clock, when Miss Helen Elizabeth Bull, of Woodstock, was married to Mr. Horace Hatch Warren, of Cambridge, Mass. Miss Bull is a sister of Mrs. Scott Neales, and the ceremony was performed by Rev. Canon Scott Neales. Only the immediate relatives of the principals were present. Mr. and Mrs. Warren left for the groom's summer home in Lowell, Maine, last night and will spend the summer there. The winter will be spent in the south. Miss Bull has many friends in Sussex, and was always a great friend of the Girl's Guild, who presented her with a handsome gift of cut glass. The list of presents included many very beautiful gifts.—St. John Globe.

Bad Fire Controlled By Heroic Efforts.

A fire broke out in Residency 13, on the Miramichi, caused by forest fires, but owing to the heroic efforts put forth by the staff there, the Residency was saved. The staff is composed of Mr. Foss chief engineer, Mr. Gilmore Brown, divisional engineer, Messrs. Scrivens, McInerney, Ennis Clark and John E. Kinney. Three of the boys stood on the roof until their clothes burned, and when Mr. Brown saw their very life was in danger he ordered them to retreat, but just as soon as it was possible he ordered them back again, and after putting up a brave fight they succeeded in saving the Residency.

Mr. Deeks of the Toronto Construction Co was in town on Wednesday.

Presentations to Mrs. R. G. Fulton.

On Thursday evening last the ladies of the Methodist congregation met at the home of Mrs. Chas. Comben, and presented to Mrs. Fulton \$20 in gold accompanied with the following address read by Miss Adie Calder.

Dear Mrs. Fulton,—We representative ladies of the Methodist Church here, who have been associated with you both in private and public during the last three years, feel we would be recreant in our duty were we to let you leave us without showing our appreciation in some way, however slight of the high esteem we hold you in and of the great sorrow we feel at parting with you. Your many estimable qualities have endeared you to us and we feel that indeed there will be a blank hard to be filled when you go. Your great tact, your unvarying courtesy, your earnest devotion to duty but above all your bright and cheery manner have greatly impressed us. This joyful and lively disposition of yours has commended the religion of Jesus Christ and has to a great extent helped to remove from the minds of the young the idea so very prevalent, that Christianity is a joyless and gloomy affair.

Thank God, you and we know that:—

If His love is in the soul,
And we yield to His control,
Sweetest music will the lonely hours beguile;

We may drive the clouds away,
Cheer and bless the darkest day,
If we keep the heart singing all the time."

Your hearty interest in everything pertaining to the church has been of the greatest service and has materially helped to enthuse us with a portion of the same spirit.

Our earnest hope is that your future, and we associate with that wish your dear husband and little boy, may be prosperous and above all may be happy in the highest and truest sense of the word.

The above address was signed by a large number of ladies of the Methodist Church.

The same evening Miss Nellie Montgomery, on behalf of the young ladies of the Mission Circle, also presented Mrs. Fulton with a half dozen sterling silver teaspoons and two sterling silver salt spoons to match accompanied with the following address:

Woodstock, June 10th, '09
Dear Mrs. Fulton,

The girls of the Mission Circle feel that they cannot allow you to leave without expressing in some way the very great obligation they have been under in having you for their President during the last three years.

Your bright and cheery manner, your thoughtful addresses delivered so clearly, and in fact your general capability have endeared you to every member of the Circle, and have infused them with more abundant zeal in the cause of Missions. You will carry with you our very best wishes for your future prosperity. We will miss you, but though our circle is broken, though our days of happy communion with you are for the present ended, we unite in praying that you and all of us may meet an undivided Circle with our dear Lord and Master in that land "where farewells are a sound unknown." We ask you to accept the accompanying gift as a slight token of the esteem in which you are held by us.

Signed by the young ladies of the Mission Circle.

Mrs. Fulton made feeling and appreciative replies to both presentations, after which refreshments were served and a social evening spent.

On Monday evening at a meeting of the Eastern Star Lodge, the members presented Mrs. Fulton with a sterling silver berry spoon.

Letters to the Editor.

The Editor of the SENTINEL does not assume responsibility for any statements made in the letters of correspondents.

OBJECTIONS NOT VALID.

To the Editor of the Sentinel:—

I was surprised and somewhat amused on reading a communication in this week's Dispatch finding fault with the watering cart for spending a short time at Island Park, on Saturday, laying the dust. I would inform "Simon," should have been signed "Simple," that I am a ratepayer of the town, that it is the first time that I ever asked the town for my right, as owing to the situation of my property I have been unable to receive the benefit of either the water cart or sewer systems. The watering cart had as much right to serve me as it had to serve any other ratepayer and on this particular occasion it was the means of protecting hundreds of our people, both male and female from the clouds of dust that were floating owing to the dry weather. I do not consider that the service asked for was unreasonable as it was the first of any kind granted or asked for for five years.

Sincerely yours,
C. F. ROGERS.

Woodstock

June 14th, 1909.

DEAR SIR,—Will you kindly allow me through the medium of your valuable journal, to make an appeal to the public of Woodstock and other parts of this County, for any old Magazines and papers (illustrated preferred) of last year or this year, for which they have no further use, also a few games checkers, dominoes &c. &c., to place upon the tables of the Reading and Recreation tent, for the use of the men attending the forthcoming camp of instruction? Donors may send their gifts either to the Rectory, Green Street, or to Sergt. McCarrow, the A-mourry up to Monday 28th inst., and oblige,

Yours truly,
H. GORING ALLDER

LACK OF BLOOD.

Is What Causes Headaches, Dizziness and Heart Palpitation.

On the blood depends the welfare of the whole body. Where good blood exists disease is unknown; but where the blood is poor and watery disease quickly seizes hold of the body—it is then headaches, backaches, dizziness, heart palpitation and other serious ailments make themselves felt. Good blood can always be obtained through the use of Dr. Williams' Pink Pills for Pale People. They actually make good, rich blood and thus restore the lost strength and banish disease. Mr. Herbert Hanson, Brewer Mills, N. B., says:—"I cannot praise Dr. Williams' Pink Pills too highly. I was troubled with headaches, dizziness and loss of strength and had a hacking cough which I feared would lead to consumption. I tried a number of medicines without benefit, but was finally persuaded to try Dr. Williams' Pink Pills. I did so and used three Pills for several months with remarkable results. They helped me so much that I now strongly recommend them to all other sufferers."

The experience of Mr. Hanson is that of thousands of others who have found health and strength through Dr. Williams' Pink Pills after other medicines had failed. It is through their power in making good blood that these Pills cure such troubles as anaemia, indigestion, rheumatism, heart palpitation, neuralgia, nervous troubles and the distressing ills of girlhood and womanhood. Dr. Williams' Pink Pills for Pale People are sold by all dealers in medicine or direct by mail from The Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

Florenceville.

The district meetings of the Baptist church, which began at Connell on Tuesday drew a large contingent from Florenceville.

Mr. Buchanan, representing the J. & J. Taylor Safe Co., Toronto, was at the Exchange hotel on Friday.

A canoeing party, consisting of four young men came up from Hartland on Sunday.

The St. John River Log Driving Co. have placed a man on the west side of the river at the slip of the mill, to secure the free passage of logs down the river. It will be remembered that in recent years the company have been heavy losers by the indiscriminate saving of logs in mills along the river.

The closing exercises of the Consolidated school are being looked forward to as a leading event.

Sheriff Tompkins was in the village a few days ago.

Miss Marion Tompkins, teacher at

The John McLaughlan Company, Ltd.,
WOODSTOCK AND HARTLAND.
Agent for Garhartt's Overalls, Pants and Gloves.

JAS. S. McMANUS.

Hartland, spent Saturday and Sunday at her home here.

Don't forget Brigadier Calliers visit to this town this Saturday and Sunday, June 19th, 20th. It is some 10 years ago since the Brigadiers last visit here and those who were privileged to listen to him at that time will not forget his able addresses and sermons and the only difference in him now is that he is ten times better. He will conduct special meetings at the Salvation Army on King St., on the above mentioned dates.

CARR & GIBSON,

Jewellers, Watchmakers and Issuers of Marriage Licenses, keep Wedding Rings of every size, 14 and 18 karat, guaranteed as S. assay. 31 Main Street.

Marriages.

HILLMAN-DOW—June 9th. At the residence of the bride's father, Bulls Creek, by Rev. S. A. Baker, Mr. Judson S. Hillman of Greenbush, York Co., N. B., and Miss Gertrude Dow of Bulls Creek, N. B.

Minard's Liniment Cures Garget in cows.

Do You Use a Liniment?

Then you want the best. The best Liniment, and other things being equal, is the strongest, and

GATES'

ACADIAN LINIMENT

is certainly the strongest in use. The moral is obvious.—Get Gates', a bottle kept constantly on hand will save many an ache and pain. Lumbermen have found Gates' Liniment the best they can get, for both human and beast.

Athletes find it just the thing for a rub-down. For internal use it is par excellence.

Finish of every kind.

JUST A WORD ABOUT
PURE WATER

And the necessity of knowing what you are drinking at the SODA FOUNTAIN.

Every drop of water used in this store, whether in the manufacture of Soda Water, Root Beer, Fountain Syrups, Prescription Work, or in any preparation intended for internal use, is absolutely Pure, Sparkling Spring Water. The water is brought fresh from the spring every morning and every care is taken to keep it perfectly fresh and pure.

This is a very important matter and should always be borne in mind.

Also remember that we sell the original HIRES ROOT BEER, drawn from the HIRES KLG. All others are imitations.
