### Perney Hirtschman Tells His Part of Story.

The Case Fully Reported, Proves the Work was done by Dr Hamilton's Pills.

Halifax, N.S., Oct. 29th. A well-known resident at 93 Sackville, St., Perney Hirtschman, who has been in a somewhat serious condition lately, has recovered, and says: "Six months ago my appetite fell off and my health became very poor. I had terrible attacks of indigestion and often was unable to sleep at night. My poor color showed what an ill man I was. I tried numerous remedies but the only genuine one was Dr Hamilton's Pills of Mandrake and Butternut. Two boxes cured my indigestion. My appetite increased and my strength came back quickly. To day I have a fine zest for my meals. I feel as strong and healthy as a young boy. Because they are so cleansing and so tonic in their effect I think Dr Hamilton's Pills should be used by every person. My wife used them regularly with grand results."

CURE THAT OBSTINATE CASE.

Where Ordinary Salves fail Zam-Buk Succeeds.

Chronic sores which cause trouble by "breaking open," may be cured by Zam-Buk, as well as recent injuries and diseases. If you suffer from some old sore—hidden, perhaps, but none the less painful for that—don't daily, apply Nature's healing essence as provided in Zam-Buk. Mrs I E Ashton, of 111, Vickers Street, Fort William, tells how valuable Zam-Buk is as a family balm. She says: "We first used Zam-Buk for cuts and bruises, etc., and found it so satisfactory that my husband started using it for a chronic sore. For a long time he had been bothered with an old sore on his leg, and had used various preparations, yet nothing had permanently cured it. He began applying Zam-Buk balm, and was very soon agreeably surprised to notice a great improvement."

"It was only a matter of a short time before Zam-Buk had thoroughly cleansed the sore of all foul matter and healing commenced. It is now some months since the sore was completely closed, and there is no likelihood of its breaking out again."

"Since then my baby, eighteen months old, has been cured of eczema on the scalp by Zam-Buk. This eczema came in red pimples, and if rubbed or scratched, formed into sores. The child was very fretful from the irritation of the scalp, but whenever Zam-Buk was applied it seemed to bring the greatest relief. Frequent applications were effective in clearing all traces of the disease from the baby's scalp in a short space of time. I feel it my duty to give the credit where due, and I cheerfully recommend Zam-Buk to all sufferers from chronic sores, bad leg, or eczema."

Zam-Buk is Nature's own healing balm, being composed of pure herbal essences. It is a sure cure for eczema, ringworm, ulcers, cuts, burns, bruises, poisoned sores, chronic wounds, bad leg, piles, festering sores, chapped hands, cold-sores, frost bite, and all skin injuries and diseases. Druggists and stores everywhere sell at 50c a box, or post free for price from Zam-Buk Co., Toronto; 3 boxes \$1.25. You are warned against harmful imitations represented to be "just as good."

For sixteen years the name "Zam-Buk" has stood for the maximum of quality, purity and flavor in blended Ceylon Teas, so that the only thing you need to look out for is the "Zam-Buk" label on every package of tea you buy.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### Canada and Siberia.

A Russian Prince has made an extended visit to Canada this year for the purpose of studying our immigration laws, and their working. The results of his investigations will likely be that Eastern Siberia will be populated by the Russians, and this will, no doubt lead to an immense trade being carried on between Canada and Siberia.

European Russia is greatly over-crowded, and land-owners are looking for ways and means of relieving the congestion. Eastern Siberia is a splendid safety valve for the emergency. It is a country rich in agricultural possibilities and mineral wealth, as yet unpopulated and undeveloped. The flow of settlers to these lands has been steadily increasing since 1905. In that year the population of Siberia was 315,900. In 1908 it was 528,400. It is now increasing at the rate of between 100,000 and 300,000 a year.

The thing that is interesting to Canadian manufacturers in connection with the whole matter, is that a proposal is on foot to send a commissioner from Canada to Siberia to make a report on the trade possibilities there.

Canada is a peculiarly convenient location to supply a large part of the import demand of the section of Siberia which is being populated.

The Port of Vladivostok is situated about the same distance from Vancouver as Yokohama, and is open all the year round. Canada should, therefore, be in a position to supply easily and economically a great proportion of imported goods, as, at present, these must travel either from Moscow by a single line of railway 6,500 miles long, which means the worst possible congestion; or must make the long sea voyage by way of the Suez Canal and Singapore, occupying over two months.

Terrible Cough

Agonizing Headache

The Trying Experience of a Woodstock Man who nearly Died with Grippe.

People that allow "grippe" colds to run on unchecked often find themselves in a perilous predicament that nearly cost Marx M Melanson his life.

"It was a long drive through the rain that started my cold. I didn't pay much attention to it thinking it would pass away. I soon experienced a stabbing tightness in my chest and throat. This grew quite intense and it hurt to turn my head. A terrible dry, racking cough kept me sleepless and miserably sick, and my head felt like bursting. A neighbor brought me Nerviline and rubbed it in copiously over my throat and chest, and advised me to use it as a gargle and take it in hot water every four hours. I did this and got relief—the soreness left my chest and I put on a Nerviline Porous Plaster. Although nearly in despair when I started Nerviline, it was no time before I was well and on my feet again. Such remarkable power for breaking a cold I never thought of being found in one remedy. Nerviline saved my life and I consider it should be in every home."

Not only will Nerviline break up colds and prevent pneumonia, but it will also cure Rheumatism, Earache, Toothache, Lumbago, and Sciatica. Wherever there is pain or inflammation, Nerviline will cure it quickly.

Beware of substitutes—get Nerviline only, large 25c bottles at all dealers.
