AN EDUCATIONAL EXPERT

HAS THIS TO SAY OF

ACADIA LADIE SEMINARY, WOLFVILLE, N. S.

"What impressed the Writer was the Admirable System that prevails in the management and in every department of Work; that kindly Personality and Tact the Influence of which is so grateful to young people; the general Sympathy in the Relation between Teacher and Pupil, and the Interest which each one seemed to feel in the Work of the Day. An Education under such conditions is indeed a great Asset."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

Read this:

How Catarrhozone Cures. Miss Worrell is a resident of Clarksville, Va., and has been the means of pointing the way to health of many of her friends.

"I received such extraordinary benefit that I have induced many of my friends to use it also. My catarrh was so bad a year ago that I despaired of ever getting cured. I am sure my lungs were somewhat affected also. The relief I got from Catarrhozone was remarkable. I improved under this treatment very quickly, and was cured so thoroughly the disease has never returned."

Get the large dollar size of Catarrhozone; it contains a beautiful hard rubber inhaler and medicine that lasts two months. Smaller sizes, 25c and 50c each. Beware of imitations—accept only "Catarrhozone," sold by all reliable dealers or by mail from The Catarrhozone Company, Kingston, Ont.

MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound for years and never found any medicine to compare with it. It has also helped other women to whom I have recommended it."—Mrs. HENRY CLARK, Glanford Station, Ontario.

Gardiner, Me.—"I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Maine.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. \$15,000 In Cash.

THE FREDERICTON EXHIBITION advertising makes its first appearance in our columns to day, and the large amount of money (\$15,000) that is offered in premiums should bring together the largest number of exhibits ever shown in this section. Fredericton has always put on a Gilt Edge Fair, and from appearances this year's will surpass them all. With increased facilities and the experience of past years, larger premiums and the fact that competition this year is open to Canada and the State of Maine should make this the biggest of all the big Fairs ever held in Fredericton.

AN OPEN LETTER.

Results so Surprising That They Seem Marvelous Are Common to Mi-o-na the One Dependable Stomach Remedy.

Mrs. J. A. Pillow of North Street, Gananoque, Ont., says: "Mi-o-na is worth its weight in gold for quickly and permanently curing dyspepsia. I became so bad that I was unable to leave my bed. There was a constant burning in my stomach, I would belch up gas every few minutes and could eat but very little, as the food would quickly ferment and make gas that caused a serious depression of the heart. Perspiration would break out all over my body, I would become so weak that I could not stir and would often fall on the floor in a helpless state. The pains in my stomach were terrible. I could find no position in which to sit or lie without suffering, and I was so nervous that the least noise affected me. Headaches were constant. I would become dizzy and spots would appear before my eyes. I had no ambition to get around and everything seemed to tire me. The first box of Mi-o-na gave me more relief than anything I had previously tried. The second box of Mi-o-na cured me. I am well and strong and I have not had an hour's suffering since. I will always feel grateful to Mi-o-na for the cure given me and glad to recommend."

In the face of such evidence it is easy to understand why E. W. Mair feels assured in saying to you, money back if Mi-o-na fails to relieve either trivial or serious stomach trouble.

AN EASY FILL TO TAKE.—Some persons have repugnance to pills because of their nauseating taste. Parlee's Vegetable Pills are so prepared as to make them agreeable to the most fastidious. The most delicate can take them without feeling the revulsion that follows the taking of ordinary pills. This is one reason for the popularity of these celebrated pills; but the main reason is their high tonical quality as a medicine for the stomach.

People who think they are the whole thing are entitled to another think.

THE BOWELS MUST ACT HEALTHILY.—In most ailments the first care of the medical man is to see that the bowels are open and fully performing their functions. Parlee's Vegetable Pills are so compounded that certain ingredients in them act on the bowels solely and they are the very best medicine available to produce healthy action of the bowels. Indeed, there is no other specific so serviceable in keeping the digestive organs in healthful action.
