

## Rheumatism for Several Years—Now as well as Ever

647 Main St., St. John, N. B.,  
Nov. 27, 1908.  
Father Morrissey Medicine Co., Ltd.

I am writing to tell you I have been a victim to rheumatism for several years, and have been treated by seven doctors without finding any permanent relief until I got Father Morrissey's medicine. It has cured me so I am able to do my work and find I am as well as ever in my life.

Yours truly,  
JOHN CRAWFORD.

Rheumatism cannot exist when the kidneys are in perfect working order for then they take out of the blood all the Uric Acid, which alone causes the Rheumatism.

## Father Morrissey's "No. 7" Tablets

act directly on the kidneys, toning them up and helping them to clear the blood of the Uric Acid. If the Rheumatism is of long standing it may take some time to clear out all the poison, but almost from the first "No. 7" Tablets relieve the pain, and if used faithfully they rarely fail to cure.

Even if other remedies have done you no good, do not give up till you have tried Father Morrissey's "No. 7" Tablets.

50c. at your dealer's.

27.

## Heroes of the Northwest.

There is a story told of a Royal Northwest Mounted policeman who perished in a blizzard while struggling through to a distant post. In his frozen fingers was found a slip of tattered paper on which he had pencilled his last message: "Lost: horse dead. Am trying to push ahead; have done my best." And this is typical of the indomitable pluck which has enabled a mere handful of men to carry British law and order from the Great Lakes to the frozen Arctic, where detachments are now posted along the coasts of Hudson Bay and Beaufort Sea westward to Herschell Island and the mouth of the Mackenzie river. Primarily, the mounted policeman keeps order, but in the far north he is also magistrate, doctor, coroner, explorer, revenue and customs officer, fire ranger, scout, boatman, constable, marine and soldier. When the mail carrier's dog sledge reaches the bounds of civilization the mounted policeman takes over the bags and carries them 500 miles farther north. It is all in the day's work to him, and the mounted policeman, as some one has said, will undertake anything, from minding a baby to hanging a horse thief. Among the Indian tribes of the northern plains his word is law, and British law is unhesitatingly obeyed.

## CURES INDIGESTION

All Distress from Stomach and Indigestion Vanishes in Five Minutes.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50 cent case of Pape's Diapiesin and let you eat one 22-grain Triangule and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak; there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in the mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapiesin.

## When the Nose Bleeds.

When the nose is bleeding never hold it over a basin or hold the head down in any way. This only causes further rush of blood to the broken tissues in the nose. The head should be held up and back, the flow being caught in handkerchiefs or cloths. One of the most effective and simple means of checking a nosebleed is to press on the upper lip. Near the undersurface of the lip runs the artery that supplies the interior nasal passages where the ruptures occur. If this is pressed, the flow of blood is mechanically checked, thus allowing the blood around the broken tissues to coagulate and seal up the opening. If merely pressing with the finger does not succeed, place a wad of paper under the lip and fold the lip over it, holding it down tight. Again, if this does not succeed and a drugstore is near get some adrenalin, saturate a piece of cotton with it and apply to the interior of the nose from where the blood flows.

## A Typical Result.

Ashtabula County is in Ohio. It went under prohibition a little while ago through the operation of the county Local Option law. Here is what the American Issue reports as the police recorded the results:—

"The total number of arrests in Ashtabula in January, 1908, with saloons, was 68; January, 1909, no saloons, 17. Arrests for drunkenness, January, 1908, with saloons, 39; Jan., 1909, without saloons, 4.

"Most of the crooks, criminals and bums have left Ashtabula. Certain streets that were unsafe for a lady to pass are now as unobjectionable as any of our business streets."

Minards Liniment cures Burns etc.

## The Canteen not Wanted.

At the annual meeting of the officers of the 20th Regiment, Lorne Rifles, recently held in the town of Milton, the question of canteens at camps of instruction was discussed at length. After a number of the officers had expressed their desire to see the removal of all unnecessary temptation from camps, which change they believed would lead to the enlistment of a better class of men, the following resolution was adopted with practically no dissenting votes:—

That we, the officers of the 20th Regt. here assembled, do strongly disapprove of the liquor canteen system now in vogue at camps of military training, and it is hereby resolved that we take such steps as are possible towards the abolishing of the canteen in the 20th Regt., and also strongly approve of the abolishing of all strong drink canteens at all the military training camps in Canada.

## How's This.

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O.  
We the undersigned have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists.

Take Hall's Family Pills for constipation.

## Mother Works Without Pay.

"Mother gets up first," said the new office boy. "She lights the fire and gets my breakfast, so I can get here early. Then she gets father up gets his breakfast and sends him off. Then she gives the others their breakfast and gets 'em ready for school, and then she and the baby have their breakfast."

"What is your pay here?" asked the man.

"I get \$3 a week, and father gets \$3 a day."

"How much does your mother get?"

"Mother!" he said indignantly.

"Why, she don't have to work for anybody."

"Oh, I thought you just told me she worked for the whole family every morning."

"Oh, that's for us, but there ain't no money in that."—New York Press.

"Aunt Chloe, do you think you are a Christian?" asked a temperance clergyman of an old negro woman who was smoking a pipe.

"Yes, brudder, I specks I is."

"Do you believe in the Bible?"

"Yes, brudder."

"Do you know that there is a passage in the Scriptures that declares that nothing unclean shall inherit the kingdom of heaven?"

"Yes, I've heard of it."

"Well, Chloe, you smoke, and you cannot enter the kingdom of heaven because there is nothing so unclean as the breath of a smoker. What do you say to that?"

"Why, I specks I leave my breff behind when I go dar."—Rochester Herald.

## THIN BLOOD MADE STRONG

Tiredness and Weakness Overcome.

## A Joyous Letter.

"I admit because I neglected early treatment I am entirely to blame for the condition of weakness that for nearly two years made my life a real misery," writes Mrs. Hazen, of Beaufort. "At first I felt sort of flat in the morning and could do no more than pick at my breakfast. Later I remembered my sleep was disturbed, that dreamy, restless sleep, from which you finally awaken, feeling as if you could never get up. Then I became thin, lost my color, got nervous and fearful about nothing, and kept thinking about myself all the time, and was irritable, cross and easily made cry. What would have become of me if I had not taken Ferrozone I can't imagine. Ferrozone put new life into me from the start. It strengthened my nerves and brought back my color, and in a little while, less than three months, no healthier and brighter woman could be found anywhere. I highly praise Ferrozone and advise sick people to take advantage of its health-confering properties."

Ferrozone quickens the powers of both body and mind, simply because it forms lots of blood that's full of life and vitality. Ferrozone creates appetite, gives strength, vim and endurance, it's good for old people, good for everybody that needs better health. Thousands of men, women and children use Ferrozone every day and all say it's the best nourishing, strengthening tonic made; try Ferrozone yourself, 50c per box or six boxes for \$2.50. Sold by all dealers.

## When you buy Paint, get the real thing.

It is extravagant and foolish to buy and pay for paint, and instead of paint, get a mixture containing cheap adulterants. Pure paint—the real thing—spreads easier, covers more surface (and covers it better) and wears longer than adulterated paint. Pure paint is far more economical to use. Pure paint gives the handsomest finish.

Pure paint insures you against paint "troubles", the cracking, the peeling, scaling, etc. that comes from the use of impurities. "Real" Liquid Paint is pure paint—made from 70% pure white lead (Brandram's B.B. Genuine) 30% pure zinc white, pure linseed oil, pure turpentine and dryer. It will give you the greatest satisfaction and save you money on your paint bill.

Made by Brandram-Henderson Limited, in 45 shades in addition to black and white. Come in for a color card.
