

"After taking three bottles of your wonderful medicine, our baby was entirely well and needed no more medicine. At sixteen months of age she weighed thirty pounds. She had cried eight months, night and day, and nothing did her good until we tried Scott's Emulsion."—MRS. E. C. SMITH, Villa Rica, Ga.

Scott's Emulsion

probably saved this child's life. Four doctors had been tried. Scott's Emulsion seemed to be just the thing needed, and it is just the thing needed by thousands of other children. It's so easily digested, so pure and harmless, yet most powerful in building up the most delicate child or adult. But be sure to get Scott's Emulsion, there are so many worthless and harmful imitations.

The Agony OF PILES

ONLY those who suffer from piles know the misery it brings! It robs life of its pleasure, steals the brightness from existence, and substitutes days of dull pain and moments of acute agony. Most so-called "remedies" give ease only for a time, and then—back comes the trouble and pain and misery! **Zam-Buk** cures Piles! And cures permanently. Proof of this lies all around you. Women and men in all stations of life have proved it—possibly some of your friends! Let it cure you!

Mrs. Wm. Hughes, of 253, Hochelaga St., Hochelaga, Montreal, says:—"I was a sufferer for years from blind, itching and protruding piles. The agony I suffered no one knows. Remedy after remedy proved useless. Day followed day and there was no relief for me—pain, loss of strength, dulness, misery, this was my experience until Zam-Buk was introduced. I know now that there is nothing on this earth like it! It cured me of piles, and once cured, I have had no return of the evil. I would like all women who suffer as I did to know that Zam-Buk will cure them!"

Besides being a specific for piles Zam-Buk cures eczema, blood-poisoning, cracked or chapped hands, ulcers, cuts, burns, bruises, scalds, rashes, head-ache, frost-bite, cold sores, and all skin injuries and diseases. All druggists and stores sell at 50 c. box, or from Zam-Buk Co., Toronto for price.

COUNTY COUNCIL.

(Continued from second page)
On motion reports were received.
Coun Owens explained that the petition from the W. C. T. U. was not dealt with as the Courts had decided that lager beer was intoxicating.
The bills of the Police Magistrate and Mr. Jones were taken up.
On motion the bill of Mr. Dibblee was ordered paid.

Coun Rideout said that last year their was a surplus of \$300 and this deducted from this year's report would make our showing look not so badly.

Mr. Inspector said this was paid into the Sec-treas and drawn out for enforcing of the act.

Coun Connolly moved that the following resolution: that this council fix the amount paid the jailer for board of prisoners at 30 cents a day and \$2.00 a week.

Coun Williams seconded the resolution.

Coun Balmain stated that in view of the increased cost of living, he would move in amendment that the board be \$2.75 a week or 40 cents a day.

Coun J. R. Brown seconded the motion.

Coun Flemming moved as amendment to amendment that the board be \$2.50 a week.

Coun Bull seconded the amendment to the amendment.

Coun Balmain, with the leave of his seconder, withdrew his motion.

Coun Connolly did not think the advance in prices should affect the matter. The compensation was ample. He did not believe where there is no expense keeping up the room it was too little. He did not believe in prisoners getting better than soldiers have and soldiers fare could be given at that price. He took his stand from a conscientious standpoint, and what he believed were reasonable grounds.

Mr. Jones Bill was ordered paid.

Coun Phillips had voted against the motion paying \$2.50. He would move that the weekly board be \$2.25.

Coun Bell (Richmond) seconded the motion.

Coun Owens—I understand this is just for the future. I don't think under the present condition meals can be provided at less than that. We provide well for our poor in Wicklow, and I think our County should supply the prisoners with good board.

Coun Stevens—I know a good deal about the condition of feeding those prisoners. We know what it is for our wives to cook. This cooking falls on the wife of the gaoler and he did not think we should be so close as to try and economize on this item. You take everything that goes to make up the prisoners meals and it has gone up.

Coun Gilmour—The prisoner in his cell should have good fare. In many cases the prisoner only stayed one day after lots of provisions had been provided. It would be different if he were a steady boarder.

Coun Connolly—We are paying \$3.00 each a week for the paupers, but to take in a pauper is considered worth a good deal and has to be paid for.

In reply to Mr. Stevens he remembered the time when prices were higher than they are to-day. Nine tenths of the people put in the gaols are violators of the law and get into trouble through their own fault. I was through the penitentiary in St. John and was told that people who do not want to put in the hard winter get a three months sentence in order to save the winter.

Coun Gillmor—Why should you starve a man who got in gaol for bills?

Coun Phillips never heard of a prisoner starving in our gaol.

Coun Bradley said he paid \$2.50 a week at the Commercial Hotel. He was of the opinion that \$2.25 a week would be a fair remuneration.

Coun Flemming—it looks to me where the least you can get a meal for is at a hotel for 25 cents, that it is unfair to expect the jailer to feed his prisoners at 12 cents a meal.

Coun Melville—Yesterday we passed the bill of the gaoler at \$2.50. Why deal with this matter now? I think the whole discussion is uncalled for. I will wait until next January to deal with the matter.

Coun Melville asked that the whole resolutions be voted down.

The Warden thought this whole discussion was unavailing for. Nobody knew what conditions might be. Suppose the prices should fall next year. He favored Coun Melville's proposition.

Coun Connolly believed we were establishing a precedent by the vote we passed yesterday.

It was finally agreed to withdraw the amendments and the motion.

Coun Lamont moved the following resolution seconded by Coun Tompkins.

That this council declares itself in favor of the building of a new Court House on the county lot in the town of Woodstock, and that the building committee is hereby authorized to obtain plans and specifications, and estimates of the cost of a suitable building. These plans, specifications and estimates to be submitted to the council at a special session to be called not later than the 15th of March, 1909.

D. H. LAMONT
WILL TOMPKINS.

Coun Williams was hardly in favor of calling a special session. He thought it could be arranged to report at the June session.

Coun Williams did not see any use in calling a special meeting. He did not think anything would hurt if we delayed the building until a year from next summer.

Coun Tompkins—I say if we mean to build the Court House we ought to go right a head.

Newburg.

Christmas passed quietly and pleasantly, seemingly everyone enjoying the holiday very much; in the evening a party of young folks drove across to South Newburg to the home of Mr. Charles McDade, where a good time was enjoyed.

Miss Gertrude O. McGuire, who has taught the school in no. 6 district for the past year, returned to Normal School on Monday, 4th inst., to complete her course at that school for second class license.

Edward Owens aged 19 years died of consumption at the home of his uncle, Patrick Owens in Russellagonish on Monday 28th ult. His uncle John Maguire, cousins Louis and James Maguire, and his sister Mary Owens went to Johnville to attend the funeral on Wednesday 30th ult; three years ago his sister Helen B. Owens died of pneumonia in Lynn Mass and was buried at Johnville, N. B. where their parents also rest.

Miss Mabel Gallagher, Danville, has charge of the school in no. 6 this term.

Louis Maguire has re-opened his school in Johnville where he taught 1st term.

Thomas Maguire had twenty tons of hay pressed two days of last week.

The big thaw of two weeks ago, and big blow and storm of this week put a damper on business, but the men and teams are beginning to be seen on the surface again; there are some huge drifts.

We are sorry to report that Mrs. Hugh Johnston is confined to the house with rheumatism.

Hugh Johnston has a crew getting logs on his lumber lots for George Upham; he has besides his own three boys, James and Herbie Maguire and Peter Ryan.

Little Susie Johnston of Hartland is spending the winter at her uncle Hugh's, attending the district school.

Charles Sparrow and family have moved from Danville to spend the winter here, being engaged with his brother Joseph here sawing wood for Jas. Carr.

Messrs Geo. Lawrence and Patrick Montague went to Tobique since Christmas, with a team in partnership, to spend a few months for J. J. Hale.

Yes, buy at home; instead of sending your money out of the country for fuel, try the farmers and figure the cost, and if they cannot supply your wants as cheaply as some big dealer outside, then cast them aside and give them no show; patronize the farmers if you would have them use you likewise.

Congratulations to the citizens on the choice of the new mayor.

A MOTHER'S AID IN THE NURSERY.

Every mother should be able to treat the minor ailments of her little ones. Prompt action may prevent serious illness—perhaps save a child's life. A simple remedy always at hand is therefore an absolute necessity, and there is nothing else so good as Baby's Own Tablets. These Tablets promptly cure all stomach and bowel troubles, break up colds, cure simple fevers, expel worms and make teething easy. Good for the new born baby or the well grown child, and guaranteed to contain no opiate. Mrs. L. W. Smith, St. Giles, Que., says:—"I have used Baby's Own Tablets for constipation and other ills of childhood, and find them the best medicine I have ever given my little ones." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Tuesday evening the non-commissioned officers of the old Brighton Engineers, through the present commanding officer Major John R. Tompkins, presented to Lieut. Col. D. McLeod Vince a very striking life size handsomely framed portrait of their former commander. The gallant colonel was taken somewhat by surprise, but greatly appreciated the expression of good feeling on the part of his old companions-in-arms. The picture has for two or three days been on exhibition in Gibson & Ross' window.

Some handsome Ladies and Misses' coats still on hand at The Department Store Hartland will be sold at reduced prices to clear.—tf

We can state without fear of a contradiction that there are hundreds, yes, thousands, of operations performed upon women in our hospitals which are entirely unnecessary and many have been avoided by

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

For proof of this statement read the following letter.

Mrs. Letitia Blair, Camifton, Ont., writes to Mrs. Pinkham:

"I was sick for five years. One doctor told me it was ulceration, and another told me it was a fibroid tumor, and advised an operation. No one knows what I suffered, and the bearing down pains were terrible.

"I wrote to my sister about it, and she advised me to take Lydia E. Pinkham's Vegetable Compound.

"It has cured me of all my troubles, and I did not have to have the operation after all. The Compound also helped me to pass safely through Change of Life."

OBITUARY.

The very sudden death occurred on Tuesday, Jan 5th of John Bell of Woodlawn, Car Co. He appeared in his usual good health, and had started to town with a load of pressed hay. His brother George Bell was only a short distance behind on the road and seeing him fall from his load to the ground quickly hurried to his help. Medical aid was called, but nothing could be done. It is thought his death was caused by a severe stroke of paralysis. The sad news came as a shock to his many friends and relatives, but especially to his brothers and sisters who are nearly crushed by this sudden blow, but they sorrow not as those who have no hope, but are comforted by the bright promises of God. This is a reminder of the brevity of life and the necessity of a preparation to be ready when the summons comes. He was unselfish and kindhearted to all and they are few whose death would have caused more general regret. He leaves 3 brothers, Alex, Henry and George, and 2 sisters Mrs. Annie Wilson and Mrs. Ellen Strong. His wife Morady I. Bell, died Sept 30th, 1891. Funeral services on Thursday in charge of Rev. Mr. Harrison, Methodist, of which church the deceased was an adherent. He was in his 56 h. year.
