Obituary.

Mr Charles Oliver died very suddenly in a ten cent team at the Lower Corner on Monday night. Mr Oliver had been ill for some years from the effects of a paralytic stroke. He is survived by his wife, four sons, four daughters and one sister in the West. The funeral was held on Thursday conducted by the Rev Mr Kennedy. The pall bearers were, D. McLeod Vince, John McInnis, John Morrison and C. R. Watson. Mr Oliver before his illness had been in the employ of the C. P. R. as car inspector for several years.

"Joshua Simpkins," a four act New England play, will be presented at Hayden-Gibson-Theatre, Wednesday, June 16th. The climax of stage realism, it is asserted, has been reached in the presentation of the stirring saw-mill scene in "Joshua Simpkins," and will be presented in this city by a peculiar mechanical device which has never been introduced here before. This saw mill scene is exclaimed to be a vast improvement over any attempts in a similar line. The company also boasts of a splendid orchestra, which is carried complete by the organization, to aid in the proper presentation of the play, which is to abound with musical and dancing specialties of a high order. To assist "Joshua Simpkins" in popularity, a band of music is also carried, and a concert is given which is said to be far above anything usually heard with a travelling musical organization. The parade will leave the theatre at the usual time and take the usual route, making a burlesque parade.

Town Council.

The regular monthly session of the Town Council was held on Monday evening.

The Farmers' Telephone Company Ltd petitioned the council through L. E. Young, for permission to enter the town and erect poles, the town to give necessary instructions that the work may be done with the least inconvenience to the people of the town. The matter was laid over until Friday evening.

A motion was carried that the Town Treasurer be authorized to overdraw the town's account at the Bank of Montreal to the extent of \$7,500.

The matter of collecting the water rates was discussed and the opinion of all the councillors was that something had to be done to enforce the payment of these rates. Councillor Fawcett brought up the matter of Contractor McVay excavating gravel from Bull street claiming that he had ruined the street, but the clerk pointed out that he had been allowed the privilege of excavating and the town therefore could not make him repair the damage.

The Scott Act Inspector and his salary came in for a lot of discussion. A motion made by Councillor Fawcett seconded by Councillor Dugan that the Inspector be dismissed was lost.

Cousin Dugan thought the beer shops should be requested to keep their blinds up from Saturday night until Monday morning. It was decided in future to enforce the by-law relating to throwing rubbish on the streets.

On Wednesday evening Mr and Mrs W. Wallace Hay entertained at a most charming "At Home" in honor of Mr and Mrs Arthur H. M. Hay, who are here on their bridal trip. INDIGESTION CURED EVIDENCE IN PLENTY

Your Neighbors Can Tell You of Cures by Dr Williams' Pink Pills.

Every case of indigestion, no matter how bad, can be cured by Dr Williams' Pink Pills. Not only cured, but cured for good. That's a sweeping statement and you are quite right in demanding evidence to back it. And it is backed by evidence in plenty—living evidence among your own neighbors, no matter in what part of Canada you live. Ask your neighbors and they will tell you of people in your own district who have been cured by Dr Williams' Pink Pills of dizziness, palpitation, sour stomach, sick headache, and the internal pains of indigestion. Dr Williams' Pink Pills cure because they strike straight at the root of all stomach troubles. They make new, rich blood, and new blood is just what the stomach needs to set it right and give it strength for its work. Mrs Geo. E. Whiteneck, Hatfield Point, N. B., says:—"I am glad to have an opportunity to speak in favor of Dr Williams' Pink Pills, for they deserve all the praise that can be given them. I was a great sufferer from indigestion, which was often accompanied by nausea, sick headache and backache. As a result my complexion was very bad and I had black rings under the eyes. I took a great deal of doctor's medicine, but it never did more than give me the most temporary relief. About a year ago I was advised to give Dr Williams' Pink Pills a trial. Before I had taken a couple of boxes I found relief, and by the time I had used a half dozen boxes I found myself feeling like a new woman, with a good appetite, good digestion, and a clear complexion. I can strongly recommend Dr Williams' Pink Pills for this trouble and advise similar sufferers to lose no time in taking them.

Dr Williams' Pink Pills cure all the troubles which have their origin in bad blood. That is why they cure anaemia, indigestion, rheumatism, eczema, St. Vitus dance, partial paralysis, and the many ailments of girlhood and womanhood. Sold by all medicine dealers or sent by mail at 50 cents a box or two boxes for \$2.50 by writing The Dr Williams' Medicine Co., Brockville, Ont.
