COLDS Quickly Cured

Everybody has a cold. Some resort to tablets and powders that contain dangerous drugs, and death from heart depressing remedies is not infrequent.

It's poor policy to neglect a cold—especially when it can be cured so quickly without medicine.

You can send the soothing vapor of the pine woods, the richest balsams and healing essences, right to the cause of your cold by inhaling Catarrhozone.

Little drops of wonderful curative power are distributed through the whole breathing apparatus in two seconds.

Like a miracle, that's how Catarrhozone works in bronchitis, catarrh, colds, and irritable throat. You simply breathe its oily, fragrant vapor, and every trace of congestion and disease flees as before fire.

Catarrhozone Cures

No trace of the disease remains after Catarrhozone is used—no more matter to clog up the nose and cause you to cough and spit—no more headache and buzzing ears.

Cure is absolute. Because Catarrhozone contains such healing balsams and soothing antiseptics it can't help curing every kind of Catarrh, throat, lung and bronchial trouble.

Don't experiment longer—Catarrhozone means sure cure. Two months' treatment (guaranteed), 1 pice \$1.00; smaller size, 50c, at all dealers, or the Catarrhozone Company Kingston, Ont.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

A PECULIAR SITUATION;

A St John Man Who Cannot Return to St John and His Wife Who Cannot go to the United States.

A peculiar situation has arisen in the lives of three persons who hail from St John. There are two women and one man in the case. The man was formerly employed in a restaurant here for a number of years, and resided in south end. He married a local woman, but after a brief experience in wedded life she deserted him and went to Massachusetts, afterward residing in Rhode Island. He instituted proceedings for a divorce, but permitted the action to lie in abeyance. He became acquainted with another woman, who was aware of his ineligibility and after keeping company for a year they were married here. In the meanwhile the first wife had become involved in trouble across the border and hid homewards. However she did not stop here, but continued to Halifax, where she obtained employment. She learned of her husband's second matrimonial adventure, and hastened to St John to disturb the bliss of the couple. She was frustrated, however, from accomplishing their arrest, as they had received an inkling of her plans and vanished. They are now in Boston and at present are believed to be free from prosecution, as the first wife dares not enter the United States on pain of arrest, but they are unable to return to St John.

I'll Explain Why

I Always Drive a

GENDRON

"You see the breaking of the springs causes us baby drivers more trouble than any other weakness in carriage cars.

But there is no spring weakness in the GENDRON car. Note that double curve. It is exclusive with the GENDRON. It so distributes the strain that the spring never breaks.

And then the wheels,—you see they are specially welded, and cannot warp or break.

Note also that little rubber cap over the nut of the axle. Sometimes when I have a restless passenger, I want to drive the car around the house without scratching the furniture—it is a little point, but a good one. The materials for all the GENDRON cars are the very best in the bodies, tops and every other part. There is style and service in every GENDRON model—Canadian made, so that any unexpected accident can be easily remedied."
