

## A Poor Weak Woman

As she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such troubles.

Every woman ought to know that she may obtain the most perfect medical advice free of charge and in absolute confidence and privacy by writing to the World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for many years and has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy.

The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

The many and varied symptoms of woman's peculiar ailments are fully set forth in Plain English in the People's Medical Adviser (1008 pages), a newly revised and up-to-date Edition of which, cloth-bound, will be mailed free on receipt of 50 one-cent stamps to pay cost of mailing only. Address as above.

Making the Best of It.

When the young husband reached home from the office he found his wife in tears.

"Oh, John," she sobbed on his shoulder, "I had baked a lovely cake, and I put it out on the back porch for the frosting to dry, and the dog ate it!"

"Well, don't cry about it, sweetheart," he consoled, patting the pretty flushed cheek. "I know a man who will give us another dog!"

Mr Editor,—I would like to ask, through the columns of your valuable paper, if there is any law on the statutes to compel automobiles to stop, by holding up your hand, in case of danger; and if so, the people should know it and have a little protection from this cursed nuisance, which is driving us into the fields or breaking up our wagons. They take full possession of the road and we have to get out, who make the roads, or be broken up with these cursed vehicles, driving at a break neck speed. Our government don't seem to take any notice of this state of affairs, which is of the most vital importance to the people. We all know the Road Law defeated the late government in Carleton County, and if the Hazen Government don't do something to restrict those Devil Curls on our roads they will be in the same box when the next election comes around, as sure as they are living men, if I may be allowed the expression—ONE INTERESTED.

## RHEUMATIC LIVER OVER STRAINED KIDNEYS

Caused sickness that puzzled able physicians. Was Cured by Ferrozone.

### A Real Miracle.

"My doctor told me I had gouty or rheumatic liver and kidneys," writes G O Forde, from Halifax. "I guess he was right for I was a mighty sick man and felt the game was pretty nearly up. So many remedies failed that the doctor was completely puzzled. As for symptoms—I had bushels of them in the morning a sort of nausea. Sometimes the bowels were constipated, at other times quite relaxed. I felt dull, and a sense of weight in the back and over the liver was very distressing."

Lost 15 pounds in weight. My color resembled a yellowish palor, and gradually I lost weight to the alarming extent of fifteen pounds I looked jaundiced and felt sure I would die.

"Then I read of the wonders worked by Ferrozone and in desperation I bought six boxes. At once I began to mend. Ferrozone must have put a peg or two into the nervous system for things at the end of the month began to look up. In three months I felt like new, but kept on taking Ferrozone. In six months I was cured."

"Ferrozone saved his life."

"Were it not for Ferrozone I wouldn't be alive to-day. I am sure it will cure any weakness, rheumatism, gout, debility, poor blood or nervousness. My condition embraced all these, and Ferrozone cured me." Reader, get Ferrozone to-day: 50c per box or six boxes for \$2.50, at all dealers.

In a certain small city there was an Episcopal church, which had two mission chapels, commonly known as the East-end Mission and the North-end Mission, from the parts of the city where they were respectively located. One day the rector gave out the notices, in his most distinguished manner as follows:

"There will be a service at the North-end mission at three o'clock, and at the East-end at five. Children will be baptized at both ends."

"Are you the master of this house?" asked a stranger, addressing the young married man. "No," said the young man, with a deep sigh. "My wife has just put the master in the cradle."

## OXOMULSION

## GOOD FOR BABY!

"A thin, puny baby will contract every disease known to infants, for it lacks vitality to stem the tide of sickness. It needs something more than the mother's milk. Doctors know this and recommend OXOMULSION, for it contains the flesh, bone and muscle forming elements so necessary to the growing child. The formula is given with every bottle. OXOMULSION is pleasant to the taste and baby will take it as readily as it will milk. Insist upon having OXOMULSION, for no other emulsion is as good. For sale by all druggists in two sizes, 35c and \$1.00. Prepared only by The OXOMULSION Co., corner Spadina and Phoebe Streets, Toronto. If baby ails, write us for advice."
