Weak, Nervous Women

Their sad story would fill a book of countless pages.

Ever since the world began woman has borne more than her share of suffering. Secret troubles undermine her strength, yet she seldom complains. But because she has suffered in the past is no reason why she should forever be dragged down by misery and sleeplessness.

There are periods in the life of every woman when she should exercise great care in the protection of her health. There are times when the slightest cold will bring on troubles that shock the nervous system, weaken the frame and invite disease. Thousands have been cured.

There is a remedy, one that will lift that awful burden and remove the ills from which women suffer. The name of this remedy is Ferrozone, which to-day is a household word throughout the length and breadth of the American continent. New hope has been brought into the life of many a downcast woman, and a new era of health has dawned for thousands who have tried and proved the merit of Ferrozone.

Get back strength and vigor. Ferrozone is a remedy that acts directly on all the organs and insures functional activity upon which health so largely depends.

Among the troubles that are relieved and cured by Ferrozone, are suppressed, painful or irregular menstruation, leucorrhoea (whites), bearing-down pains, womb and ovarian weaknesses and uterine displacements. Ferrozone makes strong women.

Your days of weakness and headache, your hours of nervousness and despondency will all depart. Life will hold for you many new joys as it does for everyone that uses Ferrozone regularly.

Your whole body will feel the quickening influence of Ferrozone. The blood will be purified and enriched. You will no longer suffer from the suppression and interference with the menstrual functions. Ferrozone cures all such ailments and prevents their return.

Don't listen to the druggist who urges something just as good. No substitute compares with Ferrozone, which does all that is claimed of it. Price 50c per box or six boxes for \$2.50, at druggists and dealers.

BUNIONS NO JOKE.

Not to the man who has to move about, but a slight application of "Putnam's" softens the thickest tissue and cures the bunion quickly. Just as good for warts, lumps, and calluses is "Putnam's Painless Corn Extractor. Use no other.

These Wonderful Fruit Juice Tablets Are Winning Friends on Every Side.

Lancaster, Ont., Sept 16, 1908. I was a martyr for many years to that distressing complaint, chronic Constipation. I tried many kinds of pills and medicines without benefit and consulted physicians, but nothing did me any real good. Then I began to take "Fruit-a-tives," and these wonderful little fruit tablets entirely cured me.

At first, I took five tablets a day, but now I take only one tablet every two days. I am now entirely well, and thank to "Fruit-a-tives." I give you permission to publish this testimonial.

BRONCHITIS Colds, Coughs, Catarrh and Throat Trouble.

Every sufferer from coughs, colds, bronchitis, and all throat and chest ailments needs a soothing, healing medicine, which goes direct to the breathing organs in the chest and lungs, attacks the trouble at its source, disperses the germs of disease, and cures the ailment thoroughly. And this medicine is "CATARRHOZONE."

The germ-killing balsamic vapor mixes with the breath, descends through the throat, down the bronchial tubes, and finally reaches the deepest air cells in the lungs. All parts are soothed with rich, pure, medicinal essences, whereas if a liquid or tablet remedy were used, the affected parts could not be reached, and harm would result through benumbing the stomach with drugs.

"CATARRHOZONE." A "Breathable Direct" Medicine. No medicine brings such prompt relief, exerts such a invigorating influence, or so thoroughly and speedily cures throat troubles as "Catarrhozone." Doctors, hospitals, sanitariums—all say that for those who suffer from changeable weather, for those who are predisposed to catarrh, lung trouble, deafness, or bronchitis, no treatment is so indispensable as "Catarrhozone."

For certain cure, for relief in an hour, use Catarrhozone, the only direct, treatable medicine. Two months' treatment, guaranteed, price \$1; smaller size, 50c; at all druggists, or the Catarrhozone Company, Kingston, Ont.

No matter how deep-rooted the corn or wart may be, it must yield to Holloway's Corn Corn if used as directed.

Put a little "Sunshine" in your home. An old-fashioned, ill-working furnace is a non-producer. It consumes the coal, but through leaks and cracks wastes the heat. It is not economy to have such a furnace in your own home, or in your tenant's home. If you are thinking of building you should be interested in Sunshine Furnace. It adds 100 per cent. to home comforts. As soon as you let the contract for your house decide on your furnace. The "Sunshine" man will be pleased to tell you just how the rooms ought to be laid out with an eye to securing greatest heat from the smallest consumption of coal. If you want to experiment with the question don't specify "Sunshine." If you want to settle the question specify "Sunshine." McClary's For Sale by H. H. FAULKNER, Woodstock.

I'll Explain Why I Always Drive a GENDRON. "You see the breaking of the springs causes us baby drivers more trouble than any other weakness in carriage cars. But there is no spring weakness in the GENDRON car. Note that double curve. It is exclusive with the GENDRON. It so distributes the strain that the spring never breaks. And then the wheels,—you see they are specially welded, and cannot warp or break. Note also that little rubber cap over the nut of the axle. Sometimes when I have a restless passenger, I want to drive the car around the house without scratching the furniture—it is a little point, but a good one. The materials for all the GENDRON cars are the very best in the bodies, tops and every other part. There is style and service in every GENDRON model—Canadian made, so that any unexpected accident can be easily remedied." "The Gendron Driver" SOLD BY ALL FIRST-CLASS DEALERS.
