What Our Trade-Mark Means to You

IT means that the flour contained in bags and barrels so trade-marked is decidedly whiter, a great deal stronger and more nutritious than other flours.

It means that the flour has been properly aged to mature its full strength.

It means

"More bread and better Bread' and better pastry, too.

It means elimination of uncertainty-"your money back" if Purity fails to give entire satisfaction.

Costs more than the other kind, but worth the difference.
