

## Rheumatism for Several Years—Now as well as Ever

647 Main St., St. John, N. B.,  
Nov. 27, 1908.

Father Morrissey Medicine Co., Ltd.

I am writing to tell you I have been a victim to Rheumatism for several years, and have been treated by seven doctors without finding any permanent relief until I got Father Morrissey's medicine. It has cured me so I am able to do my work and find I am as well as ever in my life.

Yours truly,  
JOHN CRAWFORD.

Rheumatism cannot exist when the kidneys are in perfect working order for then they take out of the blood all the Uric Acid, which alone causes the Rheumatism.

## Father Morrissey's "No. 7" Tablets

act directly on the kidneys, toning them up and helping them to clear the blood of the Uric Acid. If the Rheumatism is of long standing it may take some time to clear out all the poison, but almost from the first "No. 7" Tablets relieve the pain, and if used faithfully they rarely fail to cure.

Even if other remedies have done you no good, do not give up till you have tried Father Morrissey's "No. 7" Tablets.

BABY'S OWN TABLETS

WILL CURE YOUR BABY.

If your little ones are subject to colic, indigestion, constipation, worms, simple fevers, or the other minor ailments of childhood, give them Baby's Own Tablets and see how quickly the trouble will disappear. But better still, an occasional dose of Tablets given to well children will keep these troubles away. Mrs Allan A MacDonald, Island River, N B, says: "My baby suffered greatly from constipation and stomach trouble and Baby's Own Tablets cured him. I always keep the Tablets in the house now." Sold by medicine dealers or by mail at 25 cents a box from the Dr Williams' Medicine Co, Brockville, Ont.

Temperance Sentiment in U S Colleges.

The temperance wave which has been spreading slowly through the South, and now looks as if it were encroaching on Northern territory, has quietly captured an important department of Yale, as is shown in the vote for the favorite drink by the members of the senior class of the Sheffield Scientific School. Water is an easy winner with 78 votes, and the only other drink which received any votes at all is milk, which was the first choice of 43 members of the class according to the Journal Courier, of New Haven.

One-fifth of a cent acup is certainly an economical drink, and yet this is all that "Salada" Tea costs. One pound costing 40c will make over 220 cups of the purest and most delicious tea in the world. 113

## THE FRUITS OF THE EARTH

Seem To Be Nature's Provision For Keeping Man Healthy and Warding Off Disease

Cereals, vegetables and meat supply the elements needed for man's nourishment. Yet fruit—though it has very little food value—has proved to be absolutely necessary for perfect health.

Careful investigation has shown that all the common fruits act on the Liver, Kidneys, Bowels and Skin. These are the organs that rid the body of dead tissue and waste products, and the fruit juices stir them up to more vigorous action, thus keeping the whole body clean and healthy.

But few people eat enough fruit. Realizing this, after several years of experimenting, a prominent Canadian physician succeeded in combining the juices of apples, oranges, figs and prunes in such a way that the medicinal action is many times multiplied. Then he added valuable tonics and made the combination into tablets called "Fruit-a-tive." They are really Nature's cure for Constipation, Indigestion, Biliousness and Stomach Troubles. Mild as Nature itself—but more prompt and effective. Sold by dealers at 50c. a box—6 boxes for \$2.50—trial size box 25c. Fruit-a-tive Limited, Ottawa.

A Woman's Sympathy

Are you discouraged? Is your doctor's bill a heavy financial load? Is your pain a heavy physical burden? I know what these mean to a delicate woman—I have been discouraged, too; but learned how to cure myself. I want to relieve your burden. Why not end the pain and stop the doctor's bill? I can do this for you and will if you need me.

All you need do is to write for a free box of the remedy which has been placed in my hands to be given away. Perhaps this one box will cure you—it has done so for others. If so, I shall be happy and you will be cured for 2c (the cost of a postage stamp). Your letters held confidentially. Write to me for my free trial treatment. MRS. F. E. CURRAH, Windsor, Ont.
