AN OLD GENTLEMAN

By One Box of Gin Pills.

Mr. Wm. Conly is one of the oldest and best known residents of Yarmouth, N.S. Owing to his advanced age Mr. Conly was troubled with his kidneys, which finally developed into Rheumatism.

June 2nd, 1908.
"I have been bothered with Rheumatism for the past year and have taken a good many different kinds of medicine and found no relief for it.
One day a friend advised me to try Gin Pills, so I did, and after taking only one box of them I felt like a new man."

I thought I would write you a few lines to let you know how thankful I am for the relief they gave me, and would advise all sufferers from Rheumatism to try Gin Pills."

WILLIAM CONLY.

Tickling in the Throat

"Just a little tickling in the throat!" Is that what troubles you? But it hangs on! Can't get rid of it! Home remedies don't take hold. You need something stronger—a regular medicine, a doctor's medicine. Ayer's Cherry Pectoral contains healing, quieting, and soothing properties of the highest order. Ask your doctor about this. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Constipation positively prevents good health. Then why allow it to continue? An active liver is a great preventive of disease. Ayer's Pills are liver pills. What does your doctor say?
