Mr Carvell and the Judgeship.

As many throughout the county will know before this issue of the Sentinel reaches them Mr Carvell, the popular representative of Carleton County in the Federal House has declined a position on the Supreme Court Bench of the Province. This position yielding a salary of \$8,500 per year is not to be had every day. But Mr Carvell declined the position as he felt that the people of this county who had so recently elected him to the honorable position which he now occupies in the Federal House would not desire him to resign at the present time and put the country to the expense of another election. Conservative papers, in their efforts to discover a reason why Mr Carvell should turn down so lucrative a position, have come out with the foolish statement, that the Liberals are afraid to open the county for another election. They cannot see why a man should not be influenced by monetary considerations. Money and affidavits, with a few typographical errors have always been the limit of their ambition. How a man can continue accurate in his statements and not have a desire for that \$8,500 represented by a judgeship is something they cannot understand. So all they can say is that the Liberals did not want to open up Carleton County. If the Conservatives will travel through this county and listen to some of the things now being said about the conservative leaders they will quickly change their mind. Mr Carvell will remain in politics and as long as he does a certain ambitious gentleman of the conservative party will remain out.

The Protest Case.

This case has been again revived by the serving of papers upon Mr Geo W Upham M P P. It is evident that Mr Upham did not please the followers of Mr Hazen during the last session of the House, no doubt if he had followed the "Good Lord good Devil" policy which is characteristic of so many of the members of the present local government he might be allowed to retain his seat in peace. But the one thing the conservatives of Carleton County cannot stand is a man who is out and out, who has a clear definite policy and who will stand for it at all times. No doubt if Mr Upham had taken his seat and kept still he might receive more lenient treatment from his political foes. But Mr Upham was aggressive he did not agree with many acts of the Hazen government and told them so. He exposed certain corrupt acts and the exposure hurt. The telephone lines, were they permitted to speak, might tell much to the county regarding the anxiety of certain conservatives in the town to have Mr Upham shut off. But Mr Upham went on. He was sent to Fredericton to do certain work, he did that work in all good conscience. He gained friends and is now a stronger man than when he ran his election and defeated Mr Owens.

What the Conservatives hope to gain by another protest we are at a loss to see. It may be that some other prisoner in the jail wants a holiday trip on the river, or it may be that under the guise of purity they want to again treat their friends to the product of the rye, or some choice importation from Holland.

This is about all we can see in store for them. It maybe that the contract for the flooring of the Hartland bridge is not sufficient for a certain gentleman and it is hoped that a protest may be successful. But let us remind the gentlemen of Mr Hazen's following that they will not succeed in fooling the good Liberals of this county a second time and also remind them of the old proverb "those who live in glass houses should not throw stones."

VICTORIA DAY.

Baseball Games, Horse Races and a Grand Ball Made up the Programme.

Large crowds were greeted with glorious weather for the Victoria Day sports here on the 24th. In the morning on Island Park the Pirates and Maple Leafs played a nine inning game of ball which resulted in a victory for the Pirates by a score of 16 to 10. The large score was caused, not so much by bad playings as by the heavy batting of the lucky nine. The battery for the winners was Davis, Dow and Faulkner, and for the losers, Connolly and Cox. Foster Nerves held the indicator. This game was under the auspices of the baseball association.

The band had charge of the sports in the afternoon at the trotting park. The principal attraction was the ball game between the Bullets and Alerts. This was keenly contested, the latter proved the winners by a score of 6 to 3.

Score by innings:
Alerts..... 0 3 0 0 2 0 1 0 0-6
Bullets..... 0 1 0 0 1 0 0 1-3
Batteries Alerts, Slipp and McKinnley; Bullets, Ryan and Brewer. Umpire, Eldon Davis.

Local horses furnished the sports in the racing line. In the race between Lady Bell, Dixie and Kate Willard; heats were won by Lady Belle and Kate but no decision was given. Coles Dugan's horse proved to be a little too good for Andrew Williams' horse. Horses owned by T J Boyer and Fred McLean, put up some fast heats. Fen Nicholson, Ken McLean, and Douglas Tompkins finished in that order in the 100 yards dash, and Warren Flemming won from Douglas Tompkins in the half mile. The Woodstock band furnished delightful music during the afternoon.

The ball by the band in the new theatre was continued until the early hours of this morning. Seventy-five couples took part in the march. The local orchestra furnished the music.

THE C. P. R. AND THE TOWN.

Mr McNicholl, the General Manager of the C P R, was in town last week. The President of the Board of Trade with a large delegation interviewed him on the matter of retaining Woodstock as a Divisional point. Mr Dibblee pointed out that Woodstock was a central point from St Stephen and St Andrews, and said it would be possible to get more land if the company required it for development. Mr McNicholl said that they were considering the matter from the standpoint of moving freight, but promised to give the matter full consideration.

FORTIFIED AT FIFTY.

Dr William's Pink Pills Brings Health and Strength to Women at a Critical Time

Few women reach the age of fifty without enduring much suffering and anxiety. Between the years of forty-five and fifty health becomes feeble, and acute weaknesses arise with rheumatic attacks, pains in the back and sides, frequent headaches, nervous ailments and depression of spirit.

The secret of good health between forty-five and fifty depends upon the blood supply. If it is kept rich, red and pure, good health will be the result, and women will pass this critical stage in safety. Dr Williams' Pink Pills help women to mature years as no other medicine can, for they make the rich, red blood that means good health, and brings relief from suffering. Mrs C Donovan, Newcastle, N.B., says: "About two years ago I was greatly run down and very miserable. I did not know what was wrong with me. I was hardly able to drag myself about, had severe headaches and no appetite. I felt so wretched that I hardly cared whether I lived or not. I had often read of what Dr Williams' Pink Pills had done for others and I decided to try them, and I can now truthfully say I found them all they are recommended to be. Under their use my health gradually came back; I could eat better, sleep better and felt stronger in every way, and before long I was enjoying as good health as ever I had done."

Dr Williams' Pink Pills cure by going to the root of the trouble in the blood. They actually make new blood. That is why they cure such troubles as rheumatism, neuralgia, indigestion, kidney troubles, headaches, sideaches and backaches, and the ailments of growing girls and women of mature years. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams' Medicine Co., Brockville, Ont.

SIGN OF THE SEVEN DEVILS.

A distinguished doctor some time ago wrote to a professional friend saying: "I would rather see a patient with almost any other disease enter my consulting room, than one afflicted with the seven evils of Indigestion and Dyspepsia." That doctor knew exactly that Indigestion is difficult to cure—that it poisons the blood, starves and weakens the body and nerves. But he didn't seem to know that Mother Seigel's Syrup has cured tens of thousands of cases of Indigestion. Simon Briand, Cape August P.O., Richmond Co., N.S., wrote us on January 27th last, saying: "For over 3 years I suffered from Stomach troubles. The little food I ate gave no nourishment to my body. Three months ago, I tried Mother Seigel's Syrup and two bottles of it completely cured me." He adds that it also cured a number of his friends.—Price 60 cts. per bottle. A. J. White & Co., Ltd., Montreal.

Obituary.

The many friends of Mr C W Manzer will regret to hear of the death of his wife which occurred here Wednesday night. For some time past Mrs Manzer has suffered from cancer. Only a short time ago with Mr Manzer she went to Montreal to consult a specialist, but without receiving any benefit. Mrs Manzer was born in Nashua village and was 44 years of age. Besides her husband she leaves two boys and a brother, who resides in Nashua.
