Teas grown at high altitudes on the mountain slopes at Ceylon, where the growth is slower and cultivation more careful than in the warm, humid climate of the valleys, are used in "Salada" Tea. High-grown tea like "Salada" is not only of a finer quality, but contains more of the essential oil in the leaf than valley-grown tea. This is easily proved by comparing a drawing of "Salada" Tea with any other.

THE LADIES' FAVORITE WHEREVER PARISIAN SAGE IS KNOWN IT HAS THE GALL.

Parisian Sage, that most efficient of all hair restorers, is a very delightful and refreshing hair dressing. Besides possessing these qualities it will positively make any woman's hair soft, luxuriant and attractive. E W Hair sells it and will return your money if you are dissatisfied.

Just read this: "After using one bottle of Parisian Sage, I now have a better growth of hair and I found your Hair Restorer pleasant to use." After the first application, the dandruff disappeared and my hair stopped falling out, and it has been restored to its natural color. I now recommend your Parisian Sage to all my lady friends.—Lottie Real, 111 Mt Hope Ave, Rochester, N. Y."
