A Successful Insurance Agency.

It is now seven years since J. W. Astle resigned the management of the Woodstock Woodworking Company to engage in the Insurance business at that time conducted by Mr. J. M. Queen. Since then Mr. Astle has gradually forged ahead until now he has one of the largest General Insurance Agencies north of St. John. Time and again Mr. Astle has declined the agencies of the smaller Companies doing business in this section, feeling that only the best were good enough for his customers, and has grasped, as opportunity offered the oldest and strongest British and Foreign Fire Companies. Mr. Astle has the distinction of never having had a claim turned down by one of his many Companies, but on the other hand they have always been paid promptly.

As well as other good features, his Companies pay for all damage caused by lightning whether fire ensues or not. They pay for loss by forest fires, and Steam Thresher, and grant Gasolene Permits free of charge. He also writes your Policy while you wait. Such strong points should certainly count for something with those seeking reliable Insurance.

Tracy Mills
The crows have returned and spring must surely follow.
The recent rains has left the roads almost impassable.

Miss Reesa Good has been spending a few days with her uncles William and Herb Peterson of this place.

Capt. J. L. Kennedy is getting ready to build a fine residence next summer.

Hugh Burpee has purchased the Allan Burpee farm near the boundary.

Mrs. Grace Page who has been spending the winter with her daughter, has returned to her home in this place.

Mrs. Herb Bonnell and son of Andover is spending a few weeks with her parents, Mr. and Mrs. Amos White of this place.

David Briggs, who is making maple sugar on Herb Petersons wood lot, has five hundred trees tapped. Your correspondent while looking over the work recently discovered that the operations were confined to three hundred maple and two hundred butternut trees. The product of this combination would make an excellent tonic for Mr. Hazens Kentucky runners.

There was a supper at Mrs. Miller's on Friday evening, March 26th, for church purposes. The sum of \$21.00 was realized.

H. J. Evans of London, England, who has been spending the winter with Wm. Trafford, intends to start shortly on a tour of the United States, after which he will return to London.

The Rev. W. H. Johnson is holding special meetings at Tracy Mills, assisted by the Rev. Mr. Furgerson. We hope much good will crown their efforts.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Painting is not an expense. Like fire insurance, painting is a profitable and necessary investment. Your buildings may not burn but they certainly will deteriorate rapidly if not protected by good paint.

SHERWIN-WILLIAMS PAINT

used on your buildings every five or six years will completely seal the wood against the weather, and the dampness will not get into the wood, turning it soggy to be split and cracked by the sun and frost. Then consider the higher real estate value that well painted buildings have compared with unpainted ones.

S. W. P. is a high quality, scientifically prepared house paint made of the best materials in right proportions ground (not mixed) by special machinery. The S. W. agent in your locality has a full stock of paints, varnishes, stains and enamels for every purpose. Ask him for color cards. Write us for booklet, B-60.

MISERY IN STOMACH

And Indigestion Vanishes in Five Minutes and you Feel Fine.

Why not start now—today, and forever rid yourself of Stomach trouble and Indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and, besides one triangle will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapiesin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to be thoroughly cured of Indigestion.

The Green Murder Case.

New interest has been created in the murder case recently tried at Perth, Victoria Co., by the confession of Tony Aroscha one of the men sentenced to be hung for the murder of Edward Green on the G. T. R. right of way.

In his confession Aroscha implicates two men by the name of Hatch and a third named Murray. The story of Aroscha is that Murray with the two Hatch men worked up the plan for the murder. The arrests of the three men followed the confession and the crown has secured a competent interpreter.

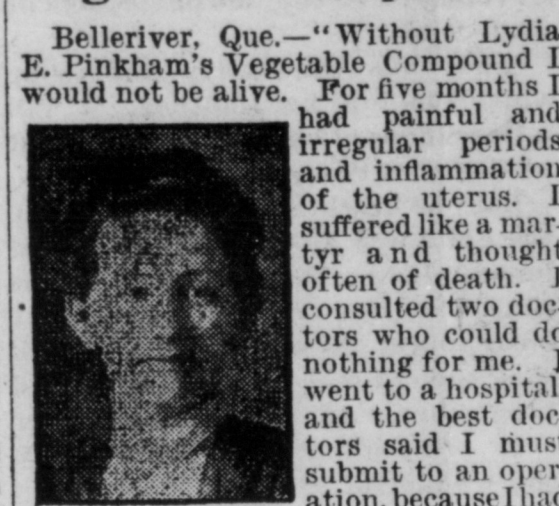

A Perth dispatch to the St. John Telegraph says that Mr. F. B. Carvell has been retained to defend Murray. It is generally understood however that owing to his duties at Ottawa Mr. Carvell will not be able to take the case and it is expected that Mr. W. P. Jones K. C., will conduct the defence.

According to the proposed plan for summer trains the regular express to and from Edmundston will run on Sunday as well as the other six days of the week during the month of July. As the time table is now arranged there is no train out of Montreal for the East on Saturday night nor out of St. John on Sunday night for the West. It is the plan of the C. P. R. to run these trains the seven days with connections to and from all points west of St. John.

The Bowling Alleys in the Armory are becoming very popular. The ladies especially seem to be getting a great deal of pleasure out of the game.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Belleriver, Que.—"Without Lydia E. Pinkham's Vegetable Compound I would not be alive. For five months I had painful and irregular periods and inflammation of the uterus. I suffered like a martyr and thought often of death. I consulted two doctors who could do nothing for me. I went to a hospital, and the best doctors said I must submit to an operation, because I had a tumor. I went back home much discouraged. One of my cousins advised me to take your Compound, as it had cured her. I did so and soon commenced to feel better, and my appetite came back with the first bottle. Now I feel no pain and am cured. Your remedy is deserving of praise."—Mrs. EMMA CHATEL, Valleyfield, Belleriver, Quebec.

Another Operation Avoided.
Adrian, Ga.—"I suffered untold misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation."—LENA V. HENRY, R.F.D. 3.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases.

THE DEATH WARRANT DELIVERED.

SIGNALS OF DANGER.

Woodstock People Should know How to Read Them and Heed Them.

Sick kidneys give many signals of distress.

The secretions are dark, contain a sediment.

Passages are frequent, scanty, painful.

Backache is constant day and night.

Headaches and dizzy spells are frequent.

The weakened kidneys need quick help.

Don't delay! Use a special kidney remedy.

Booth's Kidney Pills cure sick kidneys, backache, and urinary disorders. Woodstock evidence proves this statement.

Mrs. Arthur Delong of Connor St., Woodstock, N. B., says: "My husband had suffered with kidney and bladder trouble for more than ten years and had become so weak and run down he could not attend to his work. He could not rest night or day as he had become nervous through the loss of sleep brought on by the frequent and irregular desire to urinate. He would suffer with severe attacks of pain across the small of the back and he could not turn himself in his bed. The urine was filled with a heavy red sediment, very odorous and scalding in passing. Doctors had failed to benefit him and had termed his case as Bright's disease. Booth's Kidney Pills were advertised at our druggist's, Mr. Mair and he began treatment with them. The first box of Booth's Kidney Pills gave him more actual relief than all else he had tried and he has continued their use. He has strengthened and has gained seven pounds in weight. He has not lost one day's work since and he is like a new man. Sold by all dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian Agents.
