**Lydia E. Pinkham's
Vegetable Compound**

Vienna, W. Va.—"I feel that I owe
the last ten years of my life to Lydia
E. Pinkham's Vegetable Compound.
Eleven years ago I was a walking
shadow. I had been under the doctor's
care but got no relief. My husband per-
suaded me to try Lydia E. Pinkham's
Vegetable Compound and it worked
like a charm. It relieved all my pains
and misery. I advise all suffering
women to take Lydia E. Pinkham's
Vegetable Compound."—MRS. EMMA
WILKINSON, Vienna, W. Va.
Lydia E. Pinkham's Vegetable Com-
pound, made from native roots and
herbs, contains no narcotics or harm-
ful drugs, and to-day holds the record
for the largest number of actual cures
of female diseases of any similar medi-
cine in the country, and thousands of
voluntary testimonials are on file in
the Pinkham laboratory at Lynn,
Mass., from women who have been
cured from almost every form of
female complaints, inflammation, ul-
ceration, displacements, fibroid tumors,
irregularities, periodic pains, headache,
indigestion and nervous prostration.
Every such suffering woman owes it to
herself to give Lydia E. Pinkham's
Vegetable Compound a trial.
If you would like special advice
about your case write a confidential
letter to Mrs. Pinkham, at
Lynn, Mass. Her advice is free,
and always helpful.

A Grateful Woman

Tells of the Remarkable Cure Dr
Williams' Pink Pills Wrought in
Her Case Had Under-gone Four
Operations Without Help.

When women approach that critical
period in their lives known as the
turn of life, they do so with a
feeling of apprehension and uncer-
tainty for in the manner in which
they pass that crisis determines the
health of their after life. During
this most important time in the life
of a woman, her whole aim should
be to build up and strengthen her
system to meet the unusual demands
upon it. Devotion to family should
not lead to neglect of self. The hard
work and worries of household cares
should be avoided as far as possible.
But whether she is able to do this or
not, no woman should fail to take
the tonic treatment offered by Dr
Williams' Pink Pills, which will
build up her blood and fortify her
whole system, enabling her to pass
this critical period with safety. We
give the following strong proof of
what Dr Williams' Pink Pills are
constantly doing for suffering wom-
en.

Mrs Margaret Wood, Southfield,
N. B., says: "Some years ago I be-
came a victim to the troubles that
afflict so many of my sex, in the very
worst form. The doctor in charge
neither through medicine nor local
treatment gave me any help, and he
decided that I must undergo an
operation if I was to have any relief.
During the next two years I under-
went four successive operations.
During this time I had the attention
of some of the best physicians. From
each operation I received some bene-
fit, but only of short duration, and
then I drifted back into the same
wretched condition as before. Dur-
ing all this time I was taking medi-
cine to build up my system, but with
no avail. I was reduced to a mere
skeleton; my nerves were utterly
broken down. My blood was of a
light yellowish color, and I was so
far gone that I took spells in which
my lips, fingers and tongue would
seem paralyzed. I cannot begin to
express what I suffered and went
through in those two years. I was
completely discouraged and thought
I could not live long. Then on the
urgent advice of friends I began to
take Dr Williams' Pink Pills, and
after some weeks perceived a change
for the better. I continued to take
the Pills for several months gradu-
ally growing stronger and suffering
less, and in the end found myself
once more a well woman and enjoy-
ing the blessing of such good health
as I had not known for years. I now
always keep these Pills in the house
and after a hard day's work take them
for a few days and they always seem
to put new life and energy in my
body. I sincerely hope my experi-
ence may be of benefit to some other
suffering woman."

Dr Williams' Pink Pills are sold by
all dealers in medicines or will be
sent by mail at 50 cents a box or six
boxes for \$2.50 by addressing The Dr
Williams' Medicine Co, Brockville,
Ont.

On the 8th of April in the Police
Court two convictions were made
against Archie Gillen of Bristol for
illegally selling intoxicating liquor
contrary to the Can Temp Act. Two
cases against Tize Dyer were ad-
judged; Two cases against Charles
A Phillips were adjudged, and the
case against Charles N Beal of St
John was further adjourned owing
to the continued illness of a witness,
Banfred Colpitts. The Inspector was
the informant in all these cases.
Two convictions against William E
McIntyre of St John and one against
John O'Regan of St John, wholesale
liquor dealers, came up before the
Supreme Court at Fredericton on
Cortiorari this week. W P Jones
O refused the appeals for the In-
spector and J B M Baxter K C of St
John for the defendants. These con-
victions were for shipping liquor in-
to Carleton County, and the points
involved have arisen under the con-
struction of the amendment made
last year to the Can Temp Act and
the decision of the Court will be
looked for with interest by all those
interested in the enforcement of the
law.

**Accident to Roy Cowan of Upper
Woodstock.**

A serious accident happened in
Caribou, Me., Tuesday last, when Roy
Cowan formerly of Upper Woodstock
fell from a building a distance of
thirty six feet bruising and cutting
his body quite badly. As yet the
doctors have discovered no broken
bones.

Miss Margaret Cowan his sister, a
trained nurse from Houlton was
telephoned for, and when she ar-
rived in Caribou she found her brother
in a very serious condition, but by
working over him for a few hours
they brought him to consciousness.
His friends are very glad to hear
that he is recovering. His brother
Harry went up to accompany him
home as soon as it is safe to move
him.

Saturday April 10 th, was the 80
birthday of General Booth. It is not
given to many men to accomplish as
much as General Booth has nor yet
to live to see the results of his labors
in the way he has been the special
privilege of the founder of the Sal-
vation Army. Few people have any
accurate conception of the true size
and importance of the Salvation
Army to-day. There are in the world
8,358 Salvation Army posts, 16,199
Salvation Army officers, and 20,905
musicians in its bands. The army
advances in every European country
except Russia; it is perfectly orga-
nized through out the East; in Egypt,
India, Burma, Ceylon, Java, Sumatra,
Australia, New Zealand, Polynesia,
China and Japan the Salvation drum
is heard, the Salvation flag flies and
the Salvation cohorts, perfectly drilled
and splendidly led, charge inces-
santly upon the strongholds of evil.

A delegation from St John waited
on the Local Government one day
last week to secure aid for a bridge
across the St John Harbour. The
bridge would span the harbour at
the upper end going from what is
commonly known as the Old Fort in
the West End to Navy Island and
from the Island to the foot of Port-
land St. It is proposed to erect a
double decked arrangement. On the
upper portion steam and trolley cars
will run and below for teams and
foot passengers. The Government
promised to give the project liberal
aid and the delegation will now go
to Ottawa and seek assistance from
the Federal government. It is un-
derstood that the proposed cost is in
the vicinity of \$750,000.

Worried to Death

Indigestion. Loss of Sleep.
Heart Palpitation.

A case that proves prompt action is
wise when health is poor.

"At night I would wake up with
vague feelings of fear and numbness
in my hands and other parts of my
body," writes Mr E X Smeaton, of St
John's. "I had grown thin and pale,
and at night it was very difficult to
get enough warmth in my feet to
get asleep. My digestion was poor,
and appetite very uncertain. The
form of nervousness that worried me
most was starting at every little
thing, which resulted in such violent
heart action as sometimes frightened
me. Finally I had to give up my
work, which was inside office work,
so languid, nervous and weak had I
become. Through the intervention
of a friend I was induced to use Fer-
rozone. My appetite improved at
once, circulation also improved and
Ferrozone accomplished the renewal
of my blood and natural warmth
seemed to come back to my limbs.
At the same time Ferrozone built up
my constitution. I became quite
strong and resumed my occupation.
In brief, I am well."

Ferrozone is the only remedy of its
kind in the world—it makes you feel
better at once; when you are tired,
dull, dispirited—when you feel there
is nothing in life for you, that's the
time to take Ferrozone.

What a change Ferrozone makes!
Your blood sings through your
veins, carrying nourishment to
every nook and corner of the body,
you feel the exultant thrill of abun-
dant nerve force, you learn the luxury
and delight of being at your best—in
perfect good health.

Just try Ferrozone and see how
much better you feel; it's the one
remedy in all the world that will give
you better health at once. Sold
everywhere, 50c per box or six boxes
for \$2.50, at all dealers.

Gasoline makes the world go round.
It takes 150,000,000 gallons a year to
move the wheels of the automobiles in
use in the United States alone,
and 150,000,000 more to spin the tires
of motor cars on the continent.
These figures mean in round num-
bers, that automobilists spend \$60,-
000,000 a year for gasoline.

Why Take Alcohol?

Are you thin, pale, easily tired, lack your usual vigor and
strength? Then your digestion must be poor, your blood
thin, your nerves weak. You need a tonic and alterative.
You need Ayer's Sarsaparilla, the only Sarsaparilla entirely
free from alcohol. We believe your doctor would endorse
these statements, or we would not make them. Ask him
and find out. Follow his advice. J. C. Ayer Co., Lowell, Mass.

The endorsement of your doctor will certainly greatly increase your confidence in Ayer's
Pills as a family laxative. Liver pills. All vegetable. Ask your doctor about them.

EVERY painted floor catches dust
—because paint's oil soaks into
the wood — and leaves a porous
film on top that must absorb dust—
make work—and endanger health.
Nothing like that if you use this:

It makes the floor surface glossy—dust-proof—saves much work
—and lasts amazingly—good for outdoor floors and steps as
well as indoors—ask at the dealers. Will you read our in-
