### Love.

Love, wrote Robert G. Ingersoll, is the only bow on life's dark cloud. It is the morning and evening star. It shines on the babe and sheds its radiance on the quiet tomb. It is the mother of art; inspirer of poet, patriot and philosopher. It is the air and light of every heart; builder of every home; kindler of every fire on the hearth; it was the first dress of immortality. It fills the world with melody, for music is the voice of love. Love is the magician, the enchanter that changes worthless things to joy and makes right royal Queens and Kings of common clay. It is the perfume of that wonderful flower, the heart, and without that sacred passion that divine swoon, we are less than beasts; but with it—earth is heaven and we are gods.

A SURE CURE FOR HEADACHE.—Bilious headache to which women are more subject than men, becomes so acute in some subjects that they are utterly prostrated. The stomach refuses food, and there is a constant and distressing effort to free the stomach from bile which has become unduly secreted there. Paraleco's Vegetable Pills are a speedy alternative and in neutralizing the effects of the intruding bile relieves the pressure on the nerves which cause the headache. Try them.

A new explosive called geritene when tested at Genoa shattered steel armor-plate an inch thick.

Many inherit weak lungs, and as disease usually assails the weakest point, these persons are continually exposed to attacks of cold and pulmonary disturbances. The speedy use of Bickle's Anti-Consumptive Syrup will be found a preventive and a protection, strengthening the organs so that they are not so liable to derangement from exposure or abrupt atmospheric changes. Bickle's Syrup is cheap and good.
