"I can truthfully say
that I believe that, but for
the use of your Emulsion
I would long since have
been in my grave. I was
past work—could not walk
up-hill without coughing
very hard."

THIS, and much more was
written by Mr. G. W. How-
erton, Clark's Gap, W. Va. We
would like to send you a full
copy of his letter, or you
might write him direct. His
case was really marvelous,
but is only one of the many
proofs that

Scott's Emulsion

is the most strengthening
and re-vitalizing preparation
in the world. Even in that
most stubborn of all diseases
(consumption) it does won-
ders, and in less serious
troubles, such as anemia,
bronchitis, asthma, catarrh,
or loss of flesh from any
cause the effect is much
quicker.

Do not delay. Get a bottle of SCOTT'S
EMULSION—be sure it's SCOTT'S and
try it.

ALL DRUGGISTS

Let us send you Mr. Howerton's letter
and some literature on Consumption.
Just send us a Post Card and mention
this paper.

SLEEPLESSNESS.—When the nerves are ul-
trating and the whole body given up a
wretchedness, when the mind is filled with
gloom and dismal forebodings the result of
derangements of the digestive organs,
sleeplessness comes to add to the distress.
If only the subject could sleep, there would
be oblivion for a while and temporary re-
lief. Farnell's Vegetable Pills will not
only induce sleep, but will act so bene-
ficially that the subject will wake refreshed
and restored to happiness.

Mr Haggart closed the discussion
with several criticisms in support of
the position taken by Mr. Borden.

Guide—This is the famous place of
the 24 echoes, and last year a gentle-
man who heard them suddenly went
mad.

Lady Tourist—How did that hap-
pen?

Guide—His mother-in-law called
out to him and when he heard 24
mothers-in-law at the same time it
was too much for him.

The only positive way
to avoid frequently adul-

personally selecting
genuine cocoa beans and
grinding them yourself,
which we do.

This explains why the coat-

richer, finer flavored, why it's wise

THE TRUE CAUSE

OF RHEUMATISM

Caused by Uric Acid in Blood and Can

Only be Cured through the Blood

Not many years ago doctors

thought rheumatism was only a lo-

cal pain caused by exposure to col-

or wet. Now they know that rheu-

matism is caused by the blood becom-

ing tainted with uric acid. This acid

contracts the muscles, stiffens the

joints, and irritates the nerves.

Then the cold and wet make the

joints and muscles groan with ach-

ing rheumatism. You blame the

weather but the real cause is acid in

the blood. If not promptly treated

the stiffness spreads and the pain

grows worse each year until you are

a helpless cripple, tortured day and

night. If the disease touches the

heart it means sudden death. You
