Lung TonicThere are many prepara-
tions that will relieve a cough
—few that will cure it. The
first class, containing such
drugs as Opium and Mor-
phine, simply deaden the
irritation and stop the cough,
but do little or no permanent
good.**Rev. Father Morrissey****"Father Morrissey's No. 10"**does not contain a trace of these dangerous drugs, but is an
absolutely safe and scientific preparation of Nature's own
remedies—Herbs, Roots and Balsams.It entirely removes the irritation that caused the cough,
by cleaning out the mucus, stopping the inflammation and
healing the delicate membrane of throat and lungs.Moreover, it tones up and strengthens the whole
system, particularly the lungs, and protects against future
coughs and colds.

soaps, artificial flowers, feathers,

AFTER SICKNESS?Later on it will be harder to get
strong than to-day. What are
you doing to get well?A case in point is well exemplified
in the following letter from Mrs V J
Wilder, wife of a well known citizen
of Pittsfield, who writes: "I had a
nervous disorder that completely
prostrated me. I couldn't sleep, and
would lay and toss about all night,
arising in the morning more tired
than ever, head heavy, eyes dull,
and every bone and muscle aching.
I tried to get along without calling
in a doctor, but was finally driven
to it. He treated me for some time,
but with no perceptible improvement
in my health. Some one recom-
mended Ferrozone. The change it
effected in my system was noticeable
almost instantly. I gradually took
on flesh. The 'all-gone' feeling left
me. In less than six weeks I was
fully recovered from what looked to
me like an everlasting sickness. I
will always recommend Ferrozone
feeling with sincerity that it is an
honest, powerful, health-giving
tonic."Try Ferrozone to-day!
The nourishment and vital energy
it supplies is wonderful.Ferrozone makes you feel better
at once, it's good for men, for women,
for children—just the thing for every-
body seeking better health. Sold by
all dealers, 50c per box or six boxes
for \$2.50.**Little Presque Isle Rifle Club.**Please take notice that our little
