## Ladies' Custom Tailoring For Spring 1910.

### Our New Spring Suits and Skirts are here,

and we wish to emphasize the fact that they are WELL MADE, Stylish, and at the VERY LOWEST PRICE consistent with quality and workmanship. We are aiming at a big increase in the MADE-TO-ORDER Department during the coming season. We are therefore making the PRICES A GREAT INDUCEMENT to secure your orders. We cannot believe that there is any desire on the part of the citizens of this town and county to patronize outside concerns in these lines in preference to local merchants, if they were ASSURED that they could get what they require at HOME. We also believe that our system will appeal to the customer who is anxious to get a good Suit, made to special order, with a GUARANTEE to fit and at the best possible price.

How can you get better satisfaction and less risk than we offer? You can see in reality and materially the style and make. You can also see and examine the Cloth that is to be used in making the suit, together with the trimmings and other details in its make up. Now you see me give you what you select and take all the risk.

We have just put in stock a nice line of Ladies' Rubberized Rain Coats in full lengths. We have also a splendid range of Misses' Spring Coats in all the leading colors. We would be pleased to show these beautiful lines and quote prices. Inspection cordially invited.

A MODERN MEDICINE FOR YOUNG CHILDREN.

No sane mother would wish herself treated under the condition of medicine or surgery of half a century ago. Why then should she give her tender little child the old fashioned medicines that have not changed in half a century, and which more likely than not contains poisonous opiates that will not cure the child, but merely drug it into temporary insensibility. Baby's Own Tablets is a modern medicine prepared with all the care and skill of modern medical science. This medicine cures all stomach, bowel, teething and other ailments of childhood and babyhood. And the mother has the guarantee of a government analyst that it contains no opiate or poisonous drug. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.
