

THE LAST RESORT

When all else failed, the Doctors said, "try Fruit-a-tives"

And "Fruit-a-tives" cured Mrs. Cadieux

PLANTAGENET, ONT., JANUARY 31st, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 80 pounds, was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me 'to try Fruit-a-tives—if they would not cure me, nothing would'."

Mrs. LAURENT CADIEUX

My husband bought "Fruit-a-tives" from Mr. Arthur Koeau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 125 pounds.

Mrs. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-tives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from the blood that the stomach obtains the fluid which digests food. When the blood is laden with impurities, the dissolving fluid (or Gastric Juice) will be impure. These impurities may come from a congested liver, from Constipation, from weak kidneys, from an inactive skin, or from all four. Naturally, the ordinary "digestive powders" and "pepsin tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. "Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rids the whole system of all impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa and the regular size packages will be mailed you, postpaid, on receipt of price.

Amatite ROOFING

Will End Your Roofing Troubles

If you will write to-day for a free sample of "Amatite" the end of your roofing troubles is in sight. After you have submitted it to every test that you can think of, you will be prepared to order it not only for your new buildings, but for your old roofs as well. You will find that it is cheaper to cover them with Amatite than to continue painting and repairing them.

We make a strong point of our "Free Sample" offer because the smallest sample of Amatite speaks for itself. It is more convincing than yards of talk.

There are all kinds of ready roofings on the market—so-called "rubber roofings," so-called "guarantee roofings," so-called "sand surface roofings."

The "rubber" roofings are no more made of rubber than a cow is made of saw-dust. The "guarantees" that are promiscuously handed out with many brands are

hedged around with so many provisos that it will take three lawyers to dissect them and find out what they are all about. The "sand surface" has little or no protective value.

The point to remember is that all of these roofings have to be painted every year or two to keep them tight. In other words, it is the paint that protects, and not the roofing. If a man will sit down and figure out exactly what this paint costs, he will find that it is more than the roofing itself. Amatite, on the other hand, has a surface of real mineral matter, and we sell the goods on the broad statement that you need never coat or paint this roofing.

You can lay Amatite on a roof and then forget all about your roofing troubles. No painting, no coating, no covering. The man who puts Amatite on his buildings is insured against leaks and trouble for many years.

P. A. WATSON

The King Street Carriage Maker,

Wishes to announce that he is building a limited number of **LIGHT and HEAVY WAGGONS**, and guarantees that they will be up to date and noise. Also that he is now ready to receive orders for Painting, Trimming and Jobbing of all kinds at the lowest possible price consistent with first-class work. And we wish to add that Mr. Watson has bought the land and premises that he now occupies and has built a large blacksmith shop in the rear of the building formerly used for that purpose and intends adding another story to the building facing the street. He has also bought all kinds of machinery adapted to carriage work, which he intends to instal as soon as warm weather will permit. Give him a call and you will be satisfied that you will save time and money by giving him your work.

Bath
The roads are very bad here now. The farmers are hauling their potatoes in very fast, especially those across the river. The ice is holding out very good at this point.

A public entertainment was held in the Baptist church on Sunday evening, March 27th. The admission fee was 15 and 20c. This is the first instance that we ever heard of one having to pay an admittance fee to gain an entrance in the house of God on Sunday evening. We recall the incident when Christ, whip in hand drove the money changers from His temples and its just the same to day. He does not want His house to become either a place of amusement or a house of merchandise. The select of the "religious set" house made a curious move here, don't you think so?

Mr and Mrs Perry N Crain are in town. The Rev G A Giberson was called to Van Buren, Me on account of the recent illness of his mother.

Michael Keenan of Johnville is going to erect a mill here. The Annual Easter ball held in the Tara Hall, Johnville on Monday evening proved to be a great success.

Miss Susie Rulander of Glassville is visiting her sister, Mrs H W Crain.

Miss Edna Giberson spent Sunday with her parents here. She delivered an able address at the concert Sunday evening.

Mr Elias Campbell our young barber is doing fine here. I guess his opposition down the road is like that of the opposition to the Dominion government; it don't amount to much.—THE INSPECTOR.

Kirkland.

George Leslie the sixth son of J W and Jennie Crawford, Maxwell, York Co, died in Antioch, California, March 19 of consumption, aged 21 years, 7 months. He is survived by both parents, four brothers, Beverly, Wallace, Joseph and Norman, besides numerous other relatives and friends. He was a valued member of Wellington L O L No 51 held in Kirkland, also a member of the C O F Court Kirkland No 1217 of Maxwell Sett. His brother Joseph has been in the west for several years and was with him during the last months of his illness. The remains are being brought on to McKenzie Corner, where the funeral will be held at the Methodist church. Rev Mr Ramsay will preach the sermon: He will be buried under the Orange order.

Sarah, beloved wife of James Davidson Sr of First Eel River Lake, died March 21 of congestion, aged about 77 years. She was ill two weeks, and is survived by her last husband. She was first married to Thomas McIntyre by whom three children are left, Thomas Boyd of Houlton, Me, Samuel of Harvey, York Co, and Mrs William McIntyre of British Columbia and one son, James Davidson Jr by the last union, also a large number of grand and great grandchildren. Rev Mr Ramsay of the Methodist church attended the funeral services. About 15 teams followed a distance of six miles to the cemetery beside the Presbyterian church in Kirkland where she was buried.

The readers of this paper will be pleased to learn that there is at least one "dreaded disease" that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt. — "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forgot to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter." — MRS. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

Life's an interrogation mark and death a full stop.

ALWAYS SERVICEABLE.—Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compound that their strength and effectiveness is preserved and the pills can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lose their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

Stupid men are like blotting paper—always receiving blurred impressions.

IT IS WISE TO PREVENT DISORDER.—Many cases lead to disorders of the stomach and few are free from them. At the first manifestation to the stomach and liver are not performing their functions, a course of Parmelee's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and sedatives are so blended in these pills that no other preparation could be so effective as they.

Conscience is an alarm clock that is constantly going off at inopportune moments.

IT BIDS PAIN BEGONE.—When neuralgia racks the nerves or lumbago cripples the back is the time to test the virtues of Dr. Thomas' Electric Oil. Well rubbed in it will still the pain and produce a sensation of ease and rest. There is nothing like it as a liniment for its curative properties are great. A trial of it will establish faith in it.

UNION BLEND TEA

the Tea that satisfies

I PUT my business reputation as a judge of good tea back of every packet of Union Blend Tea that I sell. I do that in this way: If you don't like it, you will never buy again. And I cannot afford to spend money in advertising to gain your confidence and then destroy that confidence by offering you inferior tea. Therefore, I don't do it. You can take my word and prove for yourself that Union Blend Tea at 40c. per lb. will go half as far again as any 30c. lb. tea on the market. And it will make better tea, too. Make your tea-cup prove it.
