

SHE WAS SURPRISED

When Dr. Morse's Indian Root Pills Cured her Chronic Liver Complaint

Mrs. R. Smith, of Winnipeg, Man., tells an interesting story of relief from almost intolerable sufferings:

"I can hardly tell you how great my sufferings have been. Chronic liver complaint accompanied by biliousness was a daily source of trial to me. Every day I experienced the sickening effects of these ailments. I longed for some medicine that should permanently drive them away."

Hearing of Dr. Morse's Indian Root Pills, I thought they were worthy of a trial. My surprise was indeed great. From the very first I experienced relief. Continuing with them I found my troubles were slowly but surely leaving me, and before long I once more knew what it was to be free from the harassing effects of the ailments that had long sickened and weakened me. So great is my faith in Dr. Morse's Indian Pills that I shall never on any account be without them."

Dr. Morse's Indian Root Pills cure Bowel and Kidney as well as Liver troubles, and keep you healthy. 25c a box at your dealer's.

Newburg

Cordwood teams are scarce on the roads this winter, Frank Ryan and John Maguire Sr being the main haulers; nearly all the other teams are in the woods for Mr Geo Upham.

The home of Mr William Cummings was gladdened on Sunday, 9th inst., by the arrival of a bouncing boy.

The Misses Maybelle and Mae Gallagher and Cassie McDade were visitors here one day last week; they called on the teacher, Mrs Frank Ryan, in school district No 6.

Miss Gertrude Maguire is teaching this term at Skiff Lake, Miss Eva Gallagher at St Thomas and Mr Louis Maguire at Central Newburg.

School Inspector, F B Meagher visited the schools in this section the first week in January, and came near being buried in the snow drifts.

Frank Ryan has a mail box hung up near Chas Cunningham's, and has mail delivered to it by Mr Cunningham during the winter months, while he is hauling by way of the Munro avenue; this is the nearest we have gotten yet to "Rural Mail Delivery" but hope our M P will be as good as his word and put up the boxes in the spring.

The Misses Eva Gallagher and Tilley Campbell and Messrs Burns Campbell and Murray Mulherson, St Thomas, attended Mass here on Sunday 16th inst.—DOLLY.

Wives and Mothers

Suffer With Backache

Unfortunately They Fail to Recognize the Dangerous Cause of the Trouble.

Constantly on their feet, attending to the wants of a large and exacting family, women often break down with nervous exhaustion.

In the stores, factories, and on a farm are weak ailing women, dragged down with torturing backache and bearing down pains.

Such suffering isn't natural but it's dangerous, because due to diseased kidneys.

The dizziness, insomnia, deranged menses and other symptoms of Kidney complaint can't cure themselves, they require the assistance of Dr Hamilton's Pills which go direct to the seat of the trouble.

To give vitality and power to the kidneys, to lend aid to the bladder and liver, to free the blood of poisons, probably there is no remedy so successful as Dr Hamilton's Pills. For all womanly irregularities their merit is well known.

Because of their mild, soothing, and healing effect, Dr Hamilton's Pills are safe, and are recommended for girls and women of all ages. 25 cents per box at all dealers. Refuse any substitute for Dr Hamilton's Pills of Mandrake and Butternut.

We all sympathize very deeply with Mr Harry Clemm because of the severe accident which deprived him of three of his fingers.

Our friend, Mr Charles Everett is quite indisposed at present. We wish him a speedy recovery.

We are sorry to hear of the seriousness of Mr E Londons daughter, Mrs E C Brooks of Waterville.

The Rev Mr Weddall visited our village on Monday evening and while here baptised the infant son of Mr and Mrs Harry S Stevens.

Mr A C Dow was at his home here a short time ago. Mr Dow is making preparations to go into the maple sugar business this spring. We expect a large consignment when it is being passed around.

Miss Della Robinson is boarding in town for the winter months. Owing to the absence of our Superintendent, Assistant Superintendent and three of our teachers our Sabbath School was badly handicapped last Sunday, but Mrs Plummer however proved herself capable of "filling the gap." We can depend on Ethel every time.

Don't Cough! It's L.A.M.

"Father Morrissey's No. 10" will stop the Cough and Cure the Cold

Are you one of those who say, "O, it's only a little cold," and let the cough hang on, doing nothing for it? If you are, just think a minute.

It is true that most colds, if left to themselves, will leave you after a while—but they leave you with the delicate lining of throat and lungs weakened—cold you neglect makes it easier to catch the next one, and harder to get rid of it, and it doesn't take many such colds to give you Catarrh or some serious lung trouble.

"Father Morrissey's No. 10"—Cough Cure and Lung Tonic—is a preparation of roots, barks and Balmams that will prevent all this. It promptly clears away the mucus, removes the irritation and inflammation that causes the coughing, and heals and strengthens the delicate membranes. Besides, it tones up the whole system and gives you strength to resist the next attack.

Trial bottle, 25c. Regular size, 50c. At your druggist's, or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.

In Memory.

Mrs Walter Fewer, who died at her home in Deerhill, Jan 6th leaving a husband, one daughter and one son to mourn the great loss of a kind wife and mother.

Death has been here and borne away, A loved one from her home, On the border land we've left her, Where she shall in future roam.

Far beyond this world of changes Far beyond this world of care We shall find our missing loved one In our Father's mansion fair.

Round our home it's so lonely Since dear mother's gone away. That we think we scarce can bear It Seems none more can take her place.

Oh, mother thy gentle voice is hushed Thy warm true heart is still, And on thy pale and peaceful brow Is resting death's cold chill.

Thy hands are clasped upon thy breast, We have kissed thy lovely brow, And in our aching hearts we know, We have no mother now.

It was that awful cancer, Which caused our mother's death, And when the angels called her home, She smiled farewell to earth.

Now, weep not that toils are over, Weep not that her race is run, God grant we may rest as calmly, When our work like hers is done.

Till then we yield with gladness, Our mother to Him to keep, And rejoice in the sweet assurance, "He giveth his loved one sleep."

MAKES ASTONISHING CURES

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na tablets quickly arouse the stomach from its inaction and in a short time it is able to do its work properly.

Harry Dodd of Bridge Street, Hastings, Ont., says: "For seven years I had suffered and spent much money doctoring, but all to no avail. I could eat but very little, as the food would ferment and sour, making gas, which caused serious heart oppression. I was in constant misery, sour gas would belch from my stomach, I was languid and weak and had no ambition. I did not feel like going anywhere or seeing anyone. There was a constant dull pain in the pit of the stomach. I was unable to sleep, was nervous, restless and would awake more tired than on going to bed. I tried Mi-o-na and soon found relief, and in less than six weeks Mi-o-na had completely cured me."

E W Mair the druggist, sells Mi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them or money back.

If you have a Cough, do not neglect it; buy at once a bottle of Allen's Lung Balm.

A new bridge for ordinary traffic is about to be built, larger and more magnificent than any of the fifteen others which span the Thames between the Tower of London and Hammersmith. Its approach on the northern bank will be from an open space near St Paul's Cathedral, and it will no doubt be called Paul's bridge. Street cars, or trams, as the English call them, will cross the river by the bridge, but probably in a sort of subway beneath the carriage drive.

If you are in a generally "Run Down" Condition; consequent upon the effects of la grippe, take "The D & L" Emulsion. It will soon restore you to health again.

A Sneezing Epidemic.

It's Not Influenza—But Catarrh That Comes With Change of Season.

Every second person that you meet seems to have a sneeze and stuffed feeling in the forehead and no trills. To cure promptly, say, in half an hour, there is nothing worth using except Catarrhazone. You inhale its balsamic vapor, and feel as if you were among the Norway Pines.

This is because Catarrhazone contains a healing medicine, light as pine air, which is breathed straight into the lungs and bronchial tubes. Catarrhazone is a good, safe family remedy for coughs, colds, croup, sore throat, that may be taken by young and old with absolute certainty of swift, permanent cure. A Knowing Bird.—"Mother," said an exasperated young lady, "I wish you wouldn't hang that old parrot under the front porch." "Why not, my dear?" asked her mother in surprise. "Why I think before you bought him he must have belonged to a tramcar conductor. Every two or three minutes when Edwin is here he chirps out, 'Sit closer please! It is too embarrassing for anything!'"

The hostility of mercantile business establishments to the saloon finds an illustration in Montreal. A license for a restaurant to sell intoxicants was sought in the St. Catherine Street shopping district, and every one of the leading mercantile establishments protested by writing against the petition. No-body wants the saloon next door!—Moncton Transcript.

As a vermicide there is no preparation that equals Mother Graves' Worm Exterminator. It has saved the lives of countless children.

The Mahogany Tree.—There is no such thing as a forest of mahogany. The mahogany-tree lives by and for itself alone. It stands solitary of its species surrounded by the smaller trees and dense undergrowth of the tropical forest, rearing its head above its neighbors. Two trees to the acre is a liberal estimate for mahogany "funds." More frequently perhaps only one tree will be found over a larger stretch of territory. The mahogany is a native of tropical America and frequently towers to a height of one hundred feet, the trunk being often twelve feet in diameter. It is of exceedingly slow growth, and the time of its arriving at maturity is probably not less than two hundred years.

A certain correspondent once wrote an article for a paper in which he was giving a glowing description of a wedding, and speaking of the Bride, he used the following glowing terms: Her dainty feet were enshrouded in shoes that might have been mistaken for fairy boots; but the compositor got it wrong, and this appeared in the paper: Her dainty feet were enshrouded in shoes that might have been mistaken for ferry boats. The Boston Young Men's Christian Association building, corner Boylston and Berkeley streets, in the Back Bay district, on the 13th was destroyed by fire. The loss will exceed \$200,000. The building at the time it was erected in 1882 was the finest of its kind in America. It was equipped with a large gymnasium, a library, a valuable law library and a chemical laboratory which was superior to most of the college laboratories of the United States.

A remarkable Discovery.—"Physically culture, father, is perfectly lovely!" exclaimed an enthusiastic young lady just home from college. "Look! To develop the arms I grasp the rod by one end thus and move it slowly from right to left."

"Well, well!" exclaimed her father. "What wouldn't science discover next! If that rod had bristles at the other end, you'd be sweepy!"
