A Word of Warning.

At the Board of Trade meeting held last week, a gentleman well known for his sound allegiance to the Tory Party gave utterance to certain statements which he said were not for publication. As the Board of Trade meeting was public and the matter referred to of vital importance to the Town of Woodstock, and the County as a whole, we do not feel guilty of any breach of etiquette in making reference to the remarks.

It was when the Valley Railroad was under discussion and after Mr Munro had read that boomerang speech—for it will prove a boomerang—of Mr Hazen's, that this gentleman in the course of his remarks sought to leave the impression that the agitation in Woodstock for a new road was not as well founded as in other parts of the Valley. The suggestion that his address left with his hearers was that the people of Woodstock ought to be satisfied with the service of the Canadian Pacific and that if a railroad was built down the Valley—say built by the Canadian Pacific that would meet the demands of the people.

It is to this attitude of the Tory party that we wish to direct the attention of the people. Those who are in touch with events know that the Canadian Pacific is willing to build a road from Centreville to Fredericton providing the Provincial Government will add to the Dominion subsidy the guarantee of \$25,000 per mile.

No doubt many will think that possibly this is a case of "a half a loaf is better than no bread." But is this what the people want. Is not the determination of the people to have a Railroad down the Valley—in Carleton County and Fredericton at least—the result of the outrageous freight rates of the Canadian Pacific.

It is a fact potent to all that some force has been holding the hand of Mr Hazen. Why does he not fulfil his promise made to the Delegation which met him at Fredericton last winter. Why did he change his mind after having left the impression with the Delegation that the bonds would be guaranteed. Why now do the local leaders of the Tory Party suggest that a way out of the difficulty—may be found and among themselves discuss the building of a road from Centreville to Fredericton. Why, because of the gigantic influence of the Canadian Pacific Railway Company. It was a sorry day for the Valley when Mr Flemming enjoyed the comfort and companionship of that Private car ride.

The Electors of the County and the Valley, as a whole need to be on their guard. The exorbitant freight rates of the Canadian Pacific are retarding the progress of the Town. If that great corporation succeeds in getting an undisputed control of the valley what hope has the upper section of this Province for development. A competing line with Trunk line connections is the only thing that will satisfy the needs of the Valley.

The Bank of New Brunswick.

We publish on another page the annual statement of the Bank of New Brunswick. While the Bank has no agency in the Town it has had a branch at Florenceville for some years and done a prosperous business. A study of the statement will show the steady growth and development of this splendid New Brunswick Institution. The net profits for the year 1909, after making all the customary deductions amounts to \$136,395. The shareholders received 13 per cent on the paid value of their stock. The rest fund is now \$1,347,125 a large increase over the previous year. The accounts have all been audited by chartered accountants and stockholders can feel comfortable over the condition of this well managed bank.

If you want Ice Cream in any flavor, call at Holyoke's.

THE SCOTCH CONCERT.

The Scotch Concert, given in the Hayden-Gibson Theatre, on Tuesday evening, under the auspices of the Ladies Aid of St Paul's Church, was one of the best of the kind ever put on by local talent. The solos were all rendered in good style as in fact were all the numbers on the program. The Smith Bros of Skiff Lake, made a decided hit with the audience, as did also little Miss Ida Burpee, with her singing and dancing. The ladies who took part in the "Parce 'How The Story Grew'" proved themselves to be artists in the profession. The net receipts were \$150.00.

Following is the program—
Grand Chorus—Hundred Pipers, Bonnie Dundee, Burns & Scotland Yet.
Solo—"Sing to Me The Auld Scotch Songs,"—Mrs Holyoke.
Duet—"Bonnie Doone,"—Scotch Lassies.

Sword Dance: by a Scotch Lassie.

OBITUARY

Williamstown.

This place had a deep gloom of sadness cast over it last week, by the death of Mrs Jane Gillis, who passed peacefully away on the evening of January 18th, 1910 at her home Williamstown, Car Co. She had been a great sufferer from heart trouble for several months and despite all that physicians and kind friends could do, she passed away on the above date at the age of 68 years. Her husband preceded her to the better land about 7 years ago. She leaves to mourn their loss, 3 sons, Robert and John, both residents of Williamstown and Harry at home; also five daughters, Mrs Thos Baker, Woodstock; Mrs Albert Rice, South Framingham, Mass; Miss Annie a trained nurse and Misses Ida and Edna at home, also two brothers, Robt Wilson of Chatham and Mungo Wilson of this place. Funeral services were held at her late residence, conducted by Rev Geo Ireland, Presbyterian, Woodstock, assisted by Rev Geo Ayers, Methodist, Centreville, after which the remains were laid to rest in the Williamstown cemetery. The pall-bearers were Messrs William, Robt and Havelock Wilson and Mungo Stuart, nephews of the deceased. The sympathy of the whole community goes out to the family in their sad bereavement, but we are glad to say they mourn not as those without hope, as she was sweetly trusting in a risen Saviour and was resigned to the divine will. The large concourse of people that assembled to pay the last tribute of respect, showed the esteem in which she was held in the surrounding community.

During the month of January we will sell the balance of our SCOTCH TWEED SUITINGS at Cost Prices.

New C P R Passenger Station to Be Built at Woodstock.

Manager Downie, of the C P R met a delegation consisting of the Mayor, aldermen and members of the board of trade, here on Tuesday afternoon to talk over the building of the new station. Three plans are being considered—wood, to cost \$20,000; and brick, to cost \$26,000; and stone, to cost \$30,000.

Mr Downie thought there was not sufficient land to build where the present station is, and he thought the land where the old freight station was, too near the bridge, but the W D R Smith lot in Wellington ward was suitable, and if it could be secured at a reasonable price, the passenger station would be built early in the coming summer.

It is rumored on the street that the land has already been purchased for \$7000.

At the regular meeting of Brunswick Rebekah Lodge, No 44, Friday, Jan 21st the following officers were installed by Deputy Grand President Bessie Comben: Estella Townsend, Past Noble Grand; Inez Burt, Noble Grand; Almira Stevens, Vice Grand; Mary Baker, Chaplain; Charlotte Allingham, Secy; Saphrona McLean, Treasurer; Mary Dalling, R S N G; Maud Hamilton, L S N G; Ella Churchill, R S V G; Margaret Loane, L S V G; Reta Ellsworth, Warden; Abbie Montgomery, Conductor; Ella Hayden, Inside Guard; Mabelle Sherwood, and Inside Guard; O A Townsend, Outside Guard; Bessie Loane, Pianist.

At the close of the installation ceremony Miss Bessie Loane was presented with a five dollar gold piece as a token of the appreciation of her services as pianist. The presentation was made by Past Noble Grand Mary Dalling, to which Miss Loane very feelingly responded.

There was an oyster stew and dance at R L Hoveys January 28th, but on account of the rain there was not a very large crowd.

Mrs C H Kilpatrick and daughter Jennie, spent Saturday and Sunday at the home of Mr Scott McCain.

After our recent heavy rains there is but little snow left on the roads, so they are very icy.

A number of young people were invited to the home of Byron Kinney for a dance on the evening of January 20th, but owing to certain circumstances, it turned out to

be a surprise at W L Caldwell's; where all spent a very enjoyable evening. We are sorry that Byron was unable to attend as his absence was regretted by more than one person.

If I see these items in print you may hear from me again.

Good Corner.

We are having a nice little summer between two winters; the sheep have gained their independence, the rooster crows in the barn-yard, and the ladies are roaming over the fields in search of dandelion greens; but don't fool yourself and throw the shoe-packs away.

The farmer is sixty, he looks like sixty, he feels like sixty, he works like sixty, and no wonder, for potatoes sell for sixty, and his fertilizer bill is due.

Rev R W Ferguson, pastor of the Baptist church at this place has been granted a leave of absence as he was in failing health. We will miss him greatly as he was a fine man and a fluent speaker, but unable to be seen for the ladies hats.

Mrs Thomas Bell of Oakville, visited her sister, Mrs Henry Good, last Monday. Zephaniah Good and Ben Good spent part of last week in Houlton.

We have neither had a birth, marriage, death nor conversion this winter. All are waiting for the discovery of "Kidd's" poplato house in Havana.

Your correspondent has had an attack of something that caused me to lose my appetite; but am much better at this writing, have killed a beaver, and bought a barrel of flour, and if I get through the January thaw alive, I have always taken notice I live the remainder of the year.

Last night I dreamed I was in a dark closet, when all at once the door opened, a buxom young lady entered, she clasped me in her arms and hugged me so tightly I felt like a bale of hay. What is the meaning of this? I managed to gasp. This represents the "Press," said she. But who is that gentleman standing at the door, with a rifle, and dressed in military costume, and seeming to keep an eye to your behavior? That is the "Sentinel," said she; he never tolerates anything that is wrong; that is why he keeps an eye to me. Just then a little boy entered with a paper which read: "Your wife is jealous, stop hugging conservatives at once!"

As I read the "Dispatch" I fell out of bed and beheld it was only a dream.
