"ENGLISH LIQUID PAINT"

Said the House-owner:

"Give me ten gallons of 'English' Liquid White Paint.

"No, Sir! I won't take any other kind.

"Yes, that other paint may possibly be good paint, but if it is all right in every way, why don't the makers tell you, and tell me, frankly, what they are trying to sell us—namely, what is in the paint.

"I always use 'English' Liquid Paint because the guarantee formula is on the can telling me that it is made of 70% white lead, 30% zinc white, pure linseed oil, pure turpentine and dryer. I know this formula is the standard in paint making and I know that I am taking no chance when I use that kind of paint."

"English" Liquid Paint made by Brandam-Henderson Limited, is very economical to use. Come in for a color card.

LIFE A NIGHTMARE

Helpless and Broken Down,
Dr Williams' Pink Pills
Came to the Rescue.

There are many who think anaemia is a trouble confined to growing girls and women, but this is not the case. Thousands of men are anaemic, and attribute their growing weakness to mental or physical overwork, or worry, and they do not appear to realize that they are swiftly passing into that condition known as general debility, and that their trouble is due entirely to the fact that their blood is watery and impure. If the trouble is not taken in time, they pass from one stage to another until the breakdown is complete, and often until a cure is beyond hope. To men in all walks of life there is no medicine so valuable as Dr Williams' Pink Pills. If you feel jaded, weak or worn out these Pills will make you rich, red blood, that puts vim and energy into every portion of the body. Making good blood is the mission of Dr Williams' Pink Pills and good blood is the oneness of good health and vigorous life. An excellent case in point is that of Mr R W Ellis, of Balcarres, Sask., who says: "Just four years ago I was in England making preparations to fulfil the long cherished ambition of coming to Canada. My health at that time was normal, though I was never very strong. Three weeks before the time of my departure I was overcome with a feeling of general weakness and faintness which rendered me so inert and lifeless that my days were shrouded in gloom. Consultation with a doctor brought me no consolation. Debility was my trouble and I was on the point of a breakdown. 'Canada in your condition means death,' said the doctor. 'You must have a complete rest.' A rest, however, was out of the question! A fortnight's holiday I had and then back to earn my daily bread. The next years were a series of misery and despair, body and brain undermined with a complaint the doctor could only call debility, but apparently could not cure. Snatching holidays when I could I struggled on until the opening of 1909, when completely prostrated I was compelled to go to my parents and become a burden to them. My life was simply an existence and friends said, behind my back, 'consumption.'"

"In April, 1909, I began taking Dr Williams' Pink Pills. Three months later, on July 1st, I sailed from Liverpool on the Tunisian for Montreal, full of new life, energy and hope. In this great country I am making good and I owe it all to Dr Williams' Pink Pills. In three months they changed me from a nervous wreck to a healthy man. When doctors failed they succeeded, and I honestly believe they saved my life."

You can procure this great health-giving medicine from any dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams' Medicine Co., Brockville, Ont.

WORLD'S DEBT
TO CANADA

A Wonderful Achievement

Discovery of "Fruit-a-tives" has meant health for all

Canada's fame does not rest solely on her furs and wheat fields. Her rise in the esteem of the world is not due to her Cobalt mines. It is the work of her great men that has made her great. A graduate of McGill University has won lasting renown for his original researches in the realm of Physics. Everyone knows that fruit is wholesome, when eaten judiciously. Physicians generally recognize the fact that fruit juices have a beneficial effect on the various organs of the body. It remained for a Canadian physician to discover a process whereby the medicinal action of fruit could be so increased as to make the intensified juices a wonderful tonic. "Fruit-a-tives" is this combination of fruit juices and tonics. Since its introduction to the public, "Fruit-a-tives" has met with a success accorded to no other medicine in the world. The reason is plain. "Fruit-a-tives" is the one remedy that is actually made of fruit, and is the only remedy that naturally cures Constipation, Biliousness, Indigestion, Headaches, Rheumatism, Neuralgia, Backache, Kidney and Skin Troubles. At all dealers at 50c. a box, 6 for \$2.50, or trial size, 25c., or from Fruit-a-tives Limited, Ottawa.

When you go to the country take a tin of Davis' Menthol Salve along. It is unequalled to relieve earache, sprains, burns, cuts and bruises. 25 cts.
