

Paying for a Reputation

“Why pay for the reputation that any article has?” say some purchasers

Because the reputation that his trade-mark has is the most valuable asset of many a manufacturer. He can't afford to risk that reputation by selling you inferior goods. That's why we handle the Kodak line in our photographic department. The Kodak company cannot afford to put out an inferior article.

We sell KODAK FILM exclusively because it is properly orthochromatic—because it is the dependable film. Greatest speed, greatest certainty of good results. We have the size to fit your camera

COUNTESS DE SWIRSKY

Plays to a Distinguished Audience in the Lyric Theatre, Chicago

At the matinee in the Lyric Theatre, Chicago, recently, Countess de Swirsky, the famous Russian dancer, entertained a number of noted stars then playing in Chicago. David Warfield and his party occupied a box, and back of Warfield, Lulu Glaser and her friends were seated. The boxes on the other side of the theatre were occupied by Ruth St. Denis, the American dancer, and by Ernst Von Possart, the great German actor.

After the performance Miss Glaser, Miss Ruth St. Denis, Mr. Warfield and Herr Von Possart went back on the stage to compliment Mlle. de Swirsky.

“She is truly a great artist,” said Mr. Warfield, “a remarkable dancer and a brilliant pianiste.”

“Mlle. de Swirsky is exquisite,” was Miss Glaser's comment. “Her dancing is poetry; she plays splendidly.”

“A wonderful artiste—de Swirsky—splendid,” Herr Von Possart remarked.

The opinion of Miss Ruth St. Denis, who herself has won fame as a dancer in Europe and America, was most interesting. “Mlle. de Swirsky is, in the true sense of the word, a great dancer.”

Mlle. will be seen at the Hayden-Gibson Theatre, Tuesday evening, October 31.

Mr. Fearon, Principal of the school for the deaf at Halifax, would be grateful to any persons who would let him know the names and address of the parents of any deaf children who may reside in their neighbourhood. There are throughout the Maritime Provinces many children, not totally deaf, but yet so hard of hearing that they cannot take due advantage of the instruction offered in the ordinary hearing school. Such children should be sent to the school in Halifax where their speech as well as their hearing would receive the most careful attention and be improved. This school offers free board and education to all deaf children in the Maritime Provinces, the parents being only called upon to provide clothing and pay the travelling expenses.

NATURE STOPS

WHEN THE KIDNEYS GIVE OUT. Do you feel that you simply can't go any farther—that you must have rest for that lame and aching back—relief from that constant dead-tired feeling—freedom from these stabbing darting pains?

It is nature's warning that the kidneys are giving out and you need the help of Booth's Kidney Pills, the guaranteed kidney remedy. In every machine there is one part that works the hardest and gives out first. The kidneys work night and day, and naturally a life of unusual activity doubles the duties of the kidneys and in time the strain tells. The kidneys give out and nature cries “stop.” Booth's Kidney Pills are sold by all dealers, 50c., post-paid from The R. T. Booth Co., Ltd., Port Erie, Ont. There is no pill just as good. Send for a Free box. The test will prove the truth of our statement. “Sold and guaranteed in Woodstock by E. W. Mair.”
