### YOUR CHILD'S EYESIGHT

You are responsible for the Eyes of your child. Watch out for frowns and squints. When he reads or looks at a picture book does he hold it too near or too far? These little things grow fast but in many cases can be overcome if taken in time.

### We Insist on Your Bringing the Children in

You may save them a lifetime of strain and weak sight. Defects of vision never disappear of their own accord and in most cases grow worse. It's a duty you owe your child.

## TOWN COUNCIL SAYS ALL TAXES MUST BE PAID

The regular monthly meeting of the Town Council was held in the Council Chamber, Monday evening, the full board being present. His Worship Mayor Ketchum in the chair. The minutes of former meetings were read and approved.

The report of the Town Treasurer showed an overdraft at the bank of \$572.81.

Coun. Dibblee spoke regarding the condition of the town finances. He pointed out that there was yet to be collected about \$13,000 of 1911 taxes. He thought the Council should take some action at once if they did not want to find themselves in bad financial shape at the end of the year. If a business man had outstanding accounts as large as that, he would certainly make a strong effort to collect it, and he considered it the duty of the council to get this money in the treasury. He did not see any reason why this money could not be collected, and if it were not collected the ratepayers would certainly have just cause for grievance against the council board.

Coun. Jones said that in his opinion it was up to the council as a body to look after tax collections, and not leave it entirely to the finance committee. He asked Chief Kelly if he thought it would be possible to get an officer to serve executions according to the terms therein. Chief Kelly said he did not think he could get a man, but he would do the work himself if the council gave him authority. He would get the money or put delinquents in jail if the council agreed to that.

Coun. Jones moved that the executions be issued against delinquent ratepayers (1910-1911) and that the Town Marshall execute same regardless of whom the parties may be. The Marshall was to take no instruction from any Councillor but serve execution according to the terms therein. Motion seconded by Coun. Bailey and carried.

Wort said he could not afford to take holidays unless he was allowed his salary. Last winter about \$65.00 had been deducted from the engineer's pay on account of an accident at the pumping station and in view of all this Coun. Mair moved that the amount of his salary while on his vacation be paid to him.

This brought on quite a lengthy discussion in which all the councillors took part, and after hearing the different views, Coun. Mair withdrew his previous motion, and moved that the engineer be refunded \$18.00 which was part of the money he had paid the town on account of the accident last winter. The motion was carried.

Coun. Gallagher reported that he had interviewed Mrs. Jamieson in regard to some land on which to pile stone for the crusher.

Coun. Dibblee moved, seconded by Coun. Jones, that Town Clerk be authorized to make contract with Mrs. Jamieson for the leasing of her land on Main street on the south side of the bridge. Carried.

Coun. Gallagher said that some of those interested in the Base Ball Minstrels had asked for the use of the town hall for rehearsals, and he moved that permission be granted. Carried.

On motion of Coun. Bailey Council adjourned to meet Friday evening.

## A CORONATION MEDAL

With a view to marking the importance of the visit of the members of Parliament to the coronation ceremonies last summer, King George has awarded to each a medal as a souvenir of the occasion. Mr. P. F. Carvell has received one of these medals accompanied by a letter. The medal is of silver attached to a silver bar by a blue ribbon barred with red. One side bears the effigies of the King and Queen and on the other side are the letters G. R., beautifully engraved, surmounted by a crown, and below these letters are the words 22 June, 1911.

## MYSTIC SHRINERS VISIT HOULTON

Kora Temple, Mystic Shriner, of Lewiston, Me., nearly one thousand strong, visited Houlton Wednesday for the purpose of working degrees. They were accompanied by the Lewiston Band, one of the best in the state and they made a fine appearance on their parade. There was also a strong delegation from Aleppo Temple, Boston, and about twenty-five members of Luxor Temple from Woodstock and up-river points. The Woodstock contingent was accompanied by the town band. Houlton was practically in the hands of the Shriner all day Wednesday and Wednesday evening, a man that was not a shriner had very little to say in that town. The Lewiston Temple arrived about five o'clock and the Woodstock delegation half an hour later. Headed by the band, they paraded from the station to the Snell House where the band played a short program while lunch was being served. At nine o'clock the degree work started, there being fifty candidates to put through. A caterer from Boston had been in Houlton for more than a week preparing for the banquet given in the evening. The unsettled weather and the muddy state of the streets interfered to quite an extent with the plans, but it didn't stop the Shriner from having a jolly good time. The members of Luxor Temple, who attended were as follows:

Wallace Gibson, J. A. Lindsay, W. S. Skillen, George McElroy, Ellis Smith, Jas. A. Gibson, D. W. Kyle, J. E. Colwell, T. R. Gabel, E. K. Connell, Chas. A. Peabody, J. A. Hayden, R. M. Gabel, Geo. Phillips, W. S. Sutton, H. A. Sealey, Jas. Johnson, Jas. Foster, E. L. Hagerman, Woodstock; Guy Porter, H. E. Blaislee and J. F. Johnson, Perth; W. Kertson, Grand Falls; Fred Campbell, Campbellton; and Sheriff Tibbits, Andover; W. E. Stone, Woodstock.

The High Potentate of the world was also present at the ceremony. The Woodstock delegation returned Thursday morning by special train.

## GUY FAWKES DAY AT CHATHAM

Rev. R. G. Fulton Preaches To The North Shore Orangemen at Chatham

Guy Fawkes day was celebrated by a fine turnout of local Orangemen. They attended St. Luke's church, when Rev. R. G. Fulton delivered an eloquent and forceful sermon. In speaking of the event which occasioned the service of thanksgiving, the frustration of the gunpowder plot, Mr. Fulton declared the plot was caused by persecution suffered by the Catholics at that time, and its conception and fortunate frustration should be a reminder to Christians that Christ forbade the use of the sword in extending His kingdom. This can only be accomplished by education, and Mr. Fulton made a strong plea for moral and spiritual instruction of children in the home.

About 200 members of the order were in line of march, and the church was crowded to the doors. The lodge taking part were: Chatham, No. 99; Tabusintac Lodge, Loggieville; Derby No. 143, Newcastle; No Surrender No. 471; Royal Scarlet Knights, of Newcastle, and Royal Black Preceptory, of Loggieville. The Newcastle Orange Band headed the line of march and played suitable selections.—St. John Telegraph.

## WHY ARE THEY AFRAID

(From the Montreal Herald.) The Liberals took their kicking in good spirit, but the victors are not showing up any too well. The way they keep on protesting how determined they are to keep Mr. Fielding, Mr. Fisher, Mr. Graham, Mr. King and others out of Parliament, one would almost think they were afraid to tackle the country's business with anyone looking on.

## REV. H. GORING ALLDER RESIGNS

Rev. Mr. Alder, who has been Rector of the Parish of Woodstock since the death of Archdeacon Neales, on Sunday morning last announced to the congregation that he had tendered his resignation, to take effect the last of this month. Mr. Alder stated that his health would not stand the strain of this climate and he had accepted a rectorship in the Diocese of Albany, Western New York.

While Mr. Alder's friends cannot but be pleased that he is to go to a Parish where the work will be less arduous and confined to a smaller field, the parishoners of St. Luke's and of the other churches within this parish cannot but realize the distinct loss this move will bring to them. Mr. Alder has labored with the greatest enthusiasm and zeal for the parish which has been in his charge and has given to his work such an abundance of his energy that he has overtaxed his strength and cannot risk another severe New Brunswick winter.

The Diocese, as well as the parish, suffers a great loss as Mr. Alder is one of the most eloquent preachers and most earnest workers it contains.

## H. F. S. PAISLEY LEAVES FOR REGINA

Sackville Citizens Make Presentation With Speeches Expressive of Regret That He is Leaving

Sackville, Nov. 3.—Last night in the Liberal Club rooms there was an informal gathering of some sixty or seventy of citizens of the town to do honor to Herbert F. S. Paisley who will leave today for Regina where he will join the staff of the Regina Leader. F. A. Dixon occupied the chair, while A. B. Copp, M. P. P., made an appropriate address expressing the general regret at Mr. Paisley's departure from Sackville.

On behalf of the company Mr. Copp presented to Mr. Paisley a handsome leather dress suit case. Remarks were made by Dr. Secord R. Trites of the town and W. T. Ruggles of the university. Mr. Paisley made a reply in which he referred to the pleasant relations existing between himself and the people of Sackville and of his sincere regret at leaving the east.

The departure of Mr. Paisley is a distinct loss both to the town and to Mt. Allison institutions.—Times.

Mr. Paisley spent a few weeks in Woodstock, in charge of this paper, previous to the election, and while here made many friends, who will wish him every success in the great west.

## CLAIM THEY DEFEATED LAURIER GOVERNMENT

Toronto, Ont.—Nov. 6.—At an Orange banquet on Saturday night, Controller Hocken of Toronto, declared the influence of the order has been felt throughout the dominion during the recent elections and that it was greatly due to the efforts of the brethren that the late government had been defeated.

R. W. Brother Fred Dane, D. G. M., of Ontario West, referring to the Eucharistic Congress in Montreal, declared that it had done more to advance the Orange cause than they could have done themselves in fifty years. He regretted that the government had not ordered out every regiment in Quebec to take part in the ceremony.

Dr. Thornton, in proposing the toast of C. N. A., advocated the purchase of large tracts of land in Northern Ontario to start orange settlements.

The Methodist congregation of this town, noted for their liberality, have just contributed a thank offering of \$650, towards the reduction of the debt on their beautiful church property.

## IMPROVEMENTS IN C. P. R. YARD

The C. P. R. are making extensive improvements in the yard above the bridge. The old building which was used as a coal shed for the station has been torn down and the old station building is being moved back from the main line and will be used as a hard coal storehouse by W. F. Dibblee & Son. The siding that at present extends from the wrapper factory building to Queen street is being extended, the new siding being directly opposite the Riverside Hotel. A wharf will be built in front of the old station building, so that coal can be unloaded directly into the carts for delivery if desired. The siding will save a long haul for up town patrons of the road, as the new siding will accommodate quite a number of cars.

## MINISTERS PROMISE I. C. R. SHOPS TO RIVIERE DU LOUP

Quebec, Nov. 5.—The Hon. Frank Cochrane, Minister of Railways and Canals, and the Hon. F. D. Monk, Minister of Public Works, were in Quebec on Saturday and paid a visit to the harbor. They were accompanied by the Hon. L. P. Pelletier, Postmaster-General, and included in the party were Messrs. R. W. Leonard, chairman of the Transcontinental Railway Commission; Chief Engineer Grant, St. George Boswell, Harbor Engineer; A. E. Doucet, district Engineers, and a number of prominent citizens. The harbor sites for terminals, the graving dock, the dock extensions and other points were visited and fully inspected.

Attention was drawn to the extra expenditure which had to be made to repair parts of the old wall, which had threatened to collapse.

It was announced by the Hon. Mr. Pelletier on Saturday that he had been promised that a portion of the Intercolonial Railway workshops at Moncton would be transferred to Riviere du Loup. This will be great news for Riviere du Loup and gives this province part of the work of the Intercolonial Railway.

The Hon. R. L. Borden, premier, passed through Levis on Saturday on his way to Ottawa after attending the banquet in his honor at Halifax. The premier alighted from the train for a brief period and was met by a number of people. The Hon. Messrs. Cochrane and Monk came up in the special car with the Premier.—Witn.
