SAVE OVER \$25 WHEN BUYING YOUR RANGE THIS FALL.

\$41.00 TO \$49.00 AND WE PAY THE FREIGHT

You Can Buy "DOMINION PRIDE" RANGE At Factory Price
Direct From The Largest Malleable Range Works in Canada

If you want to save from \$25 to \$30, and at the same time get the most satisfactory kitchen range made, write for our Catalogue and look into the merits of the "DOMINION PRIDE," a dealer, you would have to pay for it. If we sold you identically the same range in the usual way, through a dealer, which would add from \$65 to \$75 for it. You would be paying two extra profits—to wholesaler and retailer—which would add \$25 to \$30 to the cost of your range, but absolutely nothing to its value.

"The Evolution of the Cook Stove"
Tells about the time the Cook Stove was dropped into the pot to boil it. It also tells all about "Dominion Pride" Ranges. Whether you need a Range just now or not you will enjoy reading this book. Write for Free Copy.

A BAD BACK

IS A WARNING THAT THE KIDNEYS ARE SICK.

A bad back turns every twenty four hours into one dull round of pain and misery—you are lame in the morning, nagged all day by a dull throbbing back-ache, can't rest in the evening or sleep well at night. It hurts to bend over, straighten up, get up from a chair, or lift even a light weight. Any sudden twist, turn or awkward movement sends a tearing twinge of pain through the weak spot.

Booth's Kidney Pills reach the weak spot, the kidneys and quickly restore kidney health and comfort. They are guaranteed. All dealers and druggists, 50c, or postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Send for Free Box which will be gladly sent on application. Sold and guaranteed in Woodstock by E. W. Main.

The close season for partridges begins again November 1st, and for moose on November 15th. The open season for rabbits, mink, and other commences Wednesday, Nov. 1st.

A druggist can obtain an imitation of MINARD'S LINIMENT from a Toronto house at a very low price, and have it labelled his own product.

This greasy imitation is the poorest one we have yet seen of the many that every Tom, Dick and Harry has tried to introduce.

Ask for MINARD'S and you will get it.

COSTIVENESS AND ITS CURE.—When the excretory organs refuse to perform their functions properly the intestines become clogged. This is known as costiveness; and if neglected gives rise to dangerous complications. Parmelee's Vegetable Pills will effect a speedy cure. At the first intimation of this ailment the sufferer should procure a packet of the pills and put himself under a course of treatment. The good effects of the pills will be almost immediately evident.

A definite written offer of \$2,000,000 has been made for the St James Methodist church property in Montreal. If entertained by the trustees the matter will be referred to the Montreal Conference.

AN OIL THAT IS FAMOUS.—Though Canada was not the birthplace of Dr Thomas' Eclectric Oil, it is the home of that famous compound. From here its good name was spread to Central and South America, the West Indies, Australia and New Zealand. That is far field enough to attest its excellence for in all these countries it is on sale and in demand.

Dr. J. D. Kellogg's Dysentery Cordial is compounded specially to combat dysentery, cholera morbus and all inflammatory disorders that change of food or water may set up in the stomach and intestines. These complaints are more common in summer than in winter, but they are not confined to the warm months, as undue laxness of the bowels may seize a man at any time. Such a sufferer will find speedy relief in this Cordial.

At this time of year the fishermen along the coast of St John and Charlotte counties in New Brunswick are busy taking sardine herrings, which are sold chiefly to the sardine factories in Eastport and Lubec, Me.

Recognized as the leading specific for the destruction of worms, Mother Graves' Worm Exterminator has proved a boon to suffering children everywhere. It seldom fails.

The light house keeper on Pie Island, Ont, was found murdered, and a couple of dead Indians lying nearby led to the belief that the redmen killed the keeper for the sake of some wood alcohol in the light-house, and drinking the liquor, died as a consequence.

SMALL BUT POTENT.—Parmelee's Vegetable Pills are small but they are effective in action. Their fine qualities as a corrector of stomach troubles are known to thousands and they are in constant demand everywhere by those who know what a safe and simple remedy they are. They need no introduction to those acquainted with them, but to those who may not know them they are presented as the best preparation on the market for disorders of the stomach.

Canada is now third among the oat-growing countries of the world. Russia leads with 866,000,000 bushels, the United States is second with 792,000,000. Canada's crop this year is estimated at 368,000,000. Canada stands fifth among wheat growing countries.

Only the uninformed endure the agony of corns. The knowing ones apply Holway's Corn Cure and get relief.

The German steamer Helene Menzell sailed from Halifax on Saturday for Hamburg with a full cargo of apples. The holds of the Menzell were packed to the brims with apples, there being nearly 31,000 barrels, which is a record cargo to any continental port.

BASE BALL MINSTRELS.

There is lots of good talent in the circle and with all the latest songs and jokes they are bound to make a hit. For the second part the management have prepared a splendid program and will be assisted by some of the leading talent in town. An orchestra from the Woodstock Band will furnish music.

THE TASK WE LOVE.

Here's to the task we love,
Whatever that task may be,
To till the soil, in the shop of toil,
To sail o'er the chartless sea,
For the work seems light and the
garden bright,
If to heart and hand 'tis a sure delight.

Here's to the task we love,
Wherever it lead our feet,
Through stress and strife or the simple life,
For still are its victories sweet,
And we never tire, if our heart's desire
Flame in its dress-consuming fire.

Here's to the task we love,
The task God set us to do,
And we shall not pale nor faint nor
quail,
And for us there's no such word as
fail
If we follow with purpose true,
The creed He writes, and the star
He lights
To guide our soul to the distant
heights.

NATIONALIST GAINS

(Winnipeg Free Press)
La Presse, of Montreal, says the Nationalists obtained a promise of the repeal of the naval law, and the abrogation of the laws and ordinances concerning the schools of the Northwest and the French language there, and relative to immigration. La Presse can't be sure of all this, but at any rate the Nationalists claimed to be able to do these things.
