

NEW FINANCE MINISTER WILL HAVE EASY START

Dominion Treasury Left by Mr. Fielding Better Off by Eight and a Half Million Dollars Than It Was a Year Ago

Ottawa, Ont., Oct. 6.—The new Minister of Finance in the Borden administration when he enters upon his duties will find a buoyant treasury. The conditions which exist are in marked contrast to those with which Mr. Fielding had to contend when he became minister of finance in 1896.

Mr. Fielding leaves an overflowing treasury, and a balance sheet for the six months of the fiscal year which provides his successor with the material for a most prosperous budget. There are no outstanding temporary loans or other floating debt. There is no funded debt to mature for some months to come. Prosperous as were the finances of the last fiscal year, those of the current year up to the present time are better still.

The expenditure of the six months chargeable to consolidated fund is in excess of the corresponding period last year by about \$800,000. But on the other side of the account the revenue shows an increase of nearly \$8,000,000 over that of the corresponding period a year ago. There is a corresponding reduction too in the expenditure on capital account.

The net result of the six months operation is that the Dominion Treasury is better off than at the same date last year to the extent of about eight and a half million dollars. On the whole operations of last year the increase of net debt was only three quarters of a million of dollars. For the current year, even if there is no improvement during the next six months, the Minister of Finance will be able to provide for every expenditure of every kind whether chargeable to capital or income, and have a substantial balance to go to reduction of the public debt. With this prosperous condition of finance and with the Dominion credit at its highest standing Mr. Fielding hands over the Department of Finance to his successor under conditions which should make things exceptionally easy so far as money matters go, for the new minister.—Montreal Witness.

"HOME AGAIN"

The Beautiful Picture for "Family Herald and Weekly Star" Subscribers this Season. An Inspiration of Love and Affection—A Picture that will be like a Member of the Family—A Daily Study for Old and Young

The Family Herald and Weekly Star of Montreal, acknowledged to be the greatest and best family and farm paper on the Continent has on many occasions given its readers most delightful premium pictures but this season they have secured what is beyond any question of doubt the best picture ever offered newspaper readers. It is entitled "Home Again" and describes a touching but joyful incident between two friends who meet after anxious separation.

"Laddie," a collie dog, famous for his beauty and gentleness, winner of many prizes at dog shows, the pride of the family and neighborhood, has been stolen, and after many days absence he escapes one night on a snowy winter's morning with the rope which he broke in his struggles for freedom dangling from his collar.

His familiar barks bring his little mistress, Marjorie, to the door and she throws her arms around her trusty playmate's neck with cries of joy which bring her mother and equally delighted to be home again and answers her welcome by putting his paws on her shoulder and resting his head against her breast with a little whine, which, in his dog language means—"Where I love is home."

The sweet faced young mother, a woman of soft curves, tender eyes and parted lips—the two glad eyed children—an eager boy with hair like his mother's and the quick gesture of excited boyhood; the warm hearted girl with rippling locks, her affectionate arms around the shaggy neck of the beautiful collie, all go to form a picture that will win a favored place on the walls of any home.

The picture is by the celebrated artist Arthur J. Esley, famous for his skillful and sympathetic painting of children and animals.

The beautiful picture "Home Again" on heavy plate paper 22x29 inches all ready for framing will be mailed FREE to every "Family Herald and Weekly Star" subscriber, for 1912.

The small sum of one dollar and a half will secure that best of all weekly papers and the Carleton Sentinel for a full year including a copy of the charming picture "Home Again" which alone is easily worth a two dollar bill, in fact it could not be bought at that price.

SUFFERED THREE YEARS

Will Dr. Morse's Indian Root Pills cured his Kidney Trouble

There are few diseases that cause more acute suffering than Kidney Trouble, and Mr. F. A. Thomas of Sudbury Ont., is one of those who know it. He writes: "For over three years I suffered from kidney disease. First I thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. I tried medicines, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy."

Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headaches, and in purifying the blood. 25c a box at your druggist's.

Amatite ROOFING

A Modern View of the Roofing Question

Tin makes a good roof if you paint it.
Canvas makes a good roof if you paint it.
Any felt makes a good roof if you paint it.
Even paper makes a good roof if you paint it.
But Amatite makes a good roof if you DON'T paint it.

On a painted roof, the paint is what gives the real protection. The rest of it has no function except to provide a smooth unbroken surface with no seams or cracks, to which the paint can be applied. Anything which has strength enough to keep the wind from blowing it away or the rain from beating it in, will be waterproof if you use paint enough.

Amatite Roofing, however, needs no painting. It is a real roofing—

a roofing that can be left out in the rain without the slightest damage.

The wearing surface is mineral matter embedded into a heavy coating of pitch and never needs painting.

We shall be glad to send you a sample of Amatite free of charge if you will send a postal request for it to our nearest office. The sample will show you what the mineral surface is like.
