HON. WM. PUGSLEY ON VALLEY RAILWAY; BETTER TRADE RELATIONS

The Advantages to Canada of the Proposed Better Trade Relations With the United States and the Desire of Sir John McDonald to Bring About Such an Agreement

Andover, June 22—The public meeting in the court house last evening was remarkable in many respects. It was held at a time when there was no political excitement and the audience included scores of men who have always been Conservative; it was addressed by both of the Liberal political leaders in New Brunswick, Hon. William Pugsley, minister of public works, and Hon. C. W. Robinson, leader of the opposition in the provincial legislature, and the audience also had the pleasure at the same time of meeting and hearing all the representatives of the county, both federal and provincial.

HON. WILLIAM PUGSLEY.
The audience gave the Hon. Mr. Pugsley a splendid reception when he was called upon by the chairman. The minister prefaced his address by a very complimentary reference to the attractiveness and prosperity of the Valley of the St. John. In concluding these introductory remarks, he said that in all his travels throughout the Dominion of Canada he did not believe that there was any place that he had visited which was more beautiful, more fertile, or more capable of development.

He proposed, he said, to briefly discuss two questions in which they felt a very great interest, the St. John Valley Railway and Reciprocity.

First, he would speak of railway accommodation, to which they were so well entitled and had been so long denied. It was a number of years ago when this subject first came before him as a member of the provincial government, and at that time he was convinced of the necessity of the Valley Railway and encouraged it as best he was able by the giving of subsidies and afterwards, by what was then considered a very liberal guarantee of bonds, to the extent of \$15,000 per mile. But, in spite of those inducements, nothing was done. It was thought at that time that the Canadian Northern Railway could be induced to construct and operate the Valley Railway with such liberal encouragement. But that corporation did not see fit to do so. Coming down to recent events, he spoke at length of the influential delegation that went to Ottawa accompanied by the provincial secretary, Honorable Mr. Flemming, to ask the federal government to operate the road as a part of the Intercolonial system. That delegation, he said, included representative men from all along the valley of the St. John, and when they reached Ottawa they made their representations to the prime minister, Sir Wilfrid Laurier, and to Mr. Graham. The members of the delegation were introduced by Mr. F. B. Carvell, the member for Carleton, who has always taken the very warmest interest in the construction of the road. The requests of that delegation were distinctly for the Intercolonial Railway operation and they said that if they could obtain the assurance of the federal government that the Valley Railway, when built, would be operated as a part of the Intercolonial system, that the provincial government would guarantee bonds to the extent of \$25,000 per mile to assist in its construction. This amount together with the federal subsidy of \$6,400 per mile, would, it was thought, be sufficient to construct the road. He himself gave the delegation every encouragement and the Prime Minister, Sir Wilfrid Laurier, told them that he did not think the people along the valley of the St. John had been treated fairly in the matter of railway accommodation, and he, too, promised them his warmest sympathy. After the delegation returned home, the requests they had made were taken up in

LOCAL TEAM PLAYS WINNING BALL

League Standing June 28

	Won	Lost	P.C.
Fredericton	- - 5	2	.714
Calais	- - 5	2	.714
Woodstock	- - 3	4	.571
Marathons	- - 4	3	.429
St Stephen	- - 3	5	.375
St John	- - 1	5	.167

Joe Page's re-organized St. Johns met the Woodstock team on the Connell Park diamond Wednesday afternoon, and were defeated by a score of 7-0. The Woodstock boys had their batting clothes on, finding Dr. Hite the opposing pitcher for 12 safe hits. The locals played almost errorless ball while the visitors had five chalked against them. Erquhart pitched a splendid game, being found for four safe ones. A feature of the game was Perley's spectacular catch of Ramsay's fly in deep centre. That fly under ordinary circumstances was good for three bags at least, but Perley reached and stabbed it with one hand, and thus the game ended. The locals infield was particularly ball proof, nothing went through, while the visitors played loosely at critical times. Sabourin, the visitors left field artist had seven chances and gathered them all in.

Following is a summary of the game:

1st—St. John—Sabourin and Bruneau failed to reach first ahead of the ball. Ramsay out on foul to Talbot.

Woodstock—Good fied out. Wes-senger struck out. Wilder hit safe and stole second. Perley walked and Mayo fied to Sabourin.

2nd—St. John—Mulvey, Mohaney, and Harrington died on way to first.

Woodstock—Paquette failed to reach first. Allen hit safe, put out on steal to 2nd. Talbot fied to Sabourin.

2nd—St. Johns—Britt fied to Allen. Lewis struck out and Hite out first.

Woodstock—Erquhart and Good out at 1st. Wesenger walked, Wilder struck out.

4th—St. Johns—Sabourin hit safe for 2 bases, but died at the plate on Ramsay's hit. Bruneau out 1st. Ramsay hit safe, caught on 2nd. Mulvey out first.

Woodstock—Perley hit safe and stole 2nd and 3rd. Mayo and Paquette struck out. Allen hit for 2 bases and Perley scored. Talbot fied to Sabourin.

5th—St. Johns—Mohaney hit safe. Harrigan out 1st. Britt fouled to Talbot, and Lewis struck out.

Woodstock—Erquhart fied to Sabourin. Good hit safe. Wesenger hit for 2 bags and Good scored. Wilder out at first. Perley hit safe and Wesenger scored. Mayo out at 1st.

6th—St. Johns—Hite, Sabourin and Bruneau died.

Woodstock—Paquette fied to Sabourin. Allen struck out. Talbot failed to reach 1st.

7th—St. Johns—Ramsay couldn't beat the ball to first. Mulvey struck out. Mohaney hit safe, tried for 2nd and lost.

Woodstock—Erquhart hit with ball, took base. Good out at 1st. Wesenger struck out. Wilder hit safe and Erquhart scored. Wilder put out at 2nd.

8th—St. Johns—Harrington out at 1st. Britt struck out. Lewis hit safe and stole 2nd. Hite out at 1st.

Woodstock—Perley hit safe and stole 2nd and 3rd. Mayo out at 1st. Paquet hit safe and Perley scored. Allen hit for 3 bags. Good running. For Paquet put out at the plate.

Talbot hit safe and Allen scored. Erquhart hit safe, scoring Talbot. Good hit safe and Wesenger struck out.

9—St. Johns—Sabourin out at 1st. Bruneau struck out and Ramsey fied to Perley.

Batteries:—St. John—Kite and Lewis.

Woodstock—Erquhart and Talbot.

Connell Park diamond Wednesday, June 28,—3 base hit Allen (1), 2 base hits Sabourin, Allen and Wesenger, 1 each; struck out by Kite (5) by Erquhart (5)—Base on balls by Kite (2), by Erquhart (0). Errors—Ramsay (2), Britt (2), Mohaney (1). Umpire—D. McMann. Official Scorer—S. Bailey.

The St. Stephen Thistles went down to defeat on their own diamond, in an eight innings game played Saturday afternoon, the Woodstock team being the victors. Score 7-5. Batteries: St. Stephen—Kyte, McGovern. Woodstock—Peasley, Stinson, Mayo.

With hard hitting and good support the Marathons walked over the St. Stephen Thistles by a score of 12 to 3 on the Marathon grounds, Tuesday afternoon. Batteries: Marathons, Tarbell and Connolly; Thistles—Crowley, Kyte and McGovern.

The fast Fredericton team, the leaders of the N. B. and Maine league went down to defeat at the hands of the St. Stephen Thistles at St. Stephen Wednesday afternoon by the score of 4 to 1.

A game between the Grocery Clerks and the Band team played Friday evening resulted disastrously for the clerks. Score 15-6. Batteries: Clerks—Morehouse, Stephenson and Atherton; Band—Ralston and McIntosh. The clerks proved easy money for the band nine, on this occasion, but they have since signed a new pitcher and have challenged the band to another game on Monday evening next. No admission will be charged. Big league scouts will be barred from the park on Monday evening for neither team can afford to lose their players to the big leagues this season.

ALONG THE BLEACHERS.

The local management has released two of their pitchers, Sharkey and Tobin.

Our new Umpire won't waste any time in arguments. He expects the boys to play the game.

The locals are playing every minute in the game and that's what counts in base ball.

That skyscraper of Ramsay's looked pretty good to Joe Page till it stuck to Perley's mitt.

That Pennant don't look as far away as it did ten days ago. The boys are just getting into the winning stride.

Don't knock the team, or any member of it because they lose a game or make an error; they can't always win. Boost them whether they win or lose. Boost them all the time.

The manager of the St. Stephen Thistles has signed several new players: John Albion, Carey Wilson and Elmer Tuklessly, and will likely also sign Tobin, the pitcher lately released by the Woodstock team.

DUNBAR WORKS DESTROYED BY FIRE

Fire started in the Machine shop of the Dunbar Engine & Foundry Co. at one o'clock on Wednesday afternoon and in less than an hour there was nothing left of the big building but a mass of twisted iron and burned machinery. The moulding shop is also almost totally destroyed and several dry sheds badly gutted. The fire originated near the electric motor used to drive the machinery and spread so rapidly that workmen in the building were unable to save their tool chests and personal effects. The firemen responded promptly and in a very few minutes had streams on all parts of the burning building, but it was found impossible to save the main shop, so quickly did the flames spread. A stiff breeze was blowing and for a time it looked as if the Woodstock Woodworking Company buildings across the street would go also, but by almost superhuman efforts the firemen kept the blaze confined to the buildings in the yard of the Dunbar Co. Chief Bolger and his men certainly deserve great credit for the way in which they handled the fire. Every stream was placed just where it would do the most good. Several buildings in the vicinity caught from sparks, but these were quickly extinguished and no serious loss occurred outside of the buildings in which the fire started. The buildings formed part of the old Small & Fisher plant, and together with the machinery they contained were owned by J. Albert Hayden and are a total loss, insurance not known. The Dunbar Engine & Foundry Co. who have the plant under lease were heavy losers. Three shingle machines completed and a lot of machinery, etc., for the Frazer Lumber Co. were to have been shipped the following day. These together with a lot of other finished and partly finished work were totally destroyed. A lot of valuable patterns also went up in smoke. The loss to the Dunbar people is between \$5,000 and \$6,000, insurance \$1,500. Mr. Dunbar has not yet decided whether he will rebuild here or not.

PRESENTATION TO MISS NEALES

The children of the Sunday School in connection with St. Luke's Church presented Miss Bessie Neales last week with 2 sterling silver table spoons accompanied with the following address.

Dear Miss Neales:—
We are sorry that we must say good bye. We cannot be selfish as to say we are sorry you are leaving us, for we know you are going from us to a larger and fuller field of usefulness. We feel that you will be happy, and that the interest and zeal which you have always exercised in the carrying on of St. Luke's Sunday School will be employed in the advancement of the work in any Parish in which you may live. Our loss will be Grand Falls' gain and we sincerely trust that your life there may be the happy, useful one which we anticipate.
We wish you to have some little gift which will remind you of us, so will ask you to accept these spoons, with the very best wishes for your future happiness.

From
The Children of St. Luke's Sunday School.

Woodstock, N. B.,
June 2, 1911.

The teachers of the Sunday School also presented her with one dozen sterling tea spoons and sugar tongs to match.

LADY LAURIER'S FATHER DEAD

Arthabaskaville, Que., June 28—(Canadian Press)—Lady Laurier's aged father, M. Lafontaine, died this morning in the 96th year of his age. A cable has been sent to Lady Laurier. The funeral will be private.
