WOODSTOCK TEAM LOST TWO GAMES

Woodstock went up against the Calais team on the local diamond Tuesday, and were again defeated by a score of 9-4. Loos playing and plenty of errors caused the home team lots of trouble, and it was the same old story of a big lead for the visitors in the first inning. Ryan pitched for the visitors for five innings but when the Woodstock boys began to hit him hard, he was replaced by Neptune who held them down to four hits. Stinson for the locals pitched a good game but received poor support. Following is a summary of the game:

1st—Calais, Neptune hit safe and stole second. Johnson struck out, Cobb fled to Wilder, Iott hit safe and Neptune scored. Watt hit scoring Iott, Chisholm hit safe and Watt scored, Ryan caught at 1st.

1st—Woodstock, Mayo fled to Casey, Wilder fled to Chisholm, and Good struck out.

2—Calais, Rutherford struck out, Casey and Neptune fled to Talbot.

2—Woodstock, Keeney fled to Johnson, Allen hit, Paquette hit for 2 bags and Allen scored, Wessinger hit second but was caught on second and Paquette was caught on 3rd.

3—Calais, Johnson fled to Talbot, Cobb hit safe, Iott fled to Talbot, and Cobb caught on second by double play.

3—Woodstock, Talbot fled to Rutherford, Stinson struck out, and Mayo fouled to Iott.

4—Calais, Watt fled to Talbot, Chisholm hit and reached first on Paquette's fumble, Ryan out 1st, Rutherford safe and Casey fouled to Mayo.

4—Woodstock, Wilder fled to Johnson, Good and Keeney each touched for two bags, Allen hit safe scoring Good but caught on steal to 2nd, Paquette hit safe and stole 2nd, scoring Keeney, Wessinger out on fly to Chisholm.

5—Calais, Neptune hit safe, Johnson sacrificed, Cobb hit safe, scoring Neptune, Iott hit safe and Cobb scored, Watt out 1st, and Chisholm fled to Talbot.

5—Woodstock, Talbot and Stinson hit safe, Mayo fled to Neptune, Wilder fled to Johnson, and Good fled to Iott.

6—Calais—Ryan struck out, Rutherford struck with ball Casey fled to Good, and Neptune fled to Wilder.

6—Woodstock, Keeney fled to Rutherford, Allen to Ryan and Paquette struck out.

7—Calais, Johnson out 1st, Cobb out to Mayo, Iott to Wilder.

7—Woodstock, Wessinger stung the ball for two bags, Talbot fled to Iott, Stinson and Mayo struck out.

8—Calais, Watt fled to Wilder, Chisholm hit, Ryan fled to Allen, and Rutherford struck out.

8—Woodstock, Wilder fled to Iott, Good struck out and Keeney sent a nice one to Chisholm.

9—Calais, Casey hit, Neptune sacrificed, Johnson hit for two bags scoring Casey, Cobb hit, and Iott knocked a two bagger, scoring Johnson and Cobb, Watt fled to Good, Chisholm hit safe, Ryan fouled to Mayo.

9—Woodstock, Allen struck out, Paquette got a nice hit, and Wessinger tanned the ball for two bases, scoring Paquette, Talbot fled to Johnson and Stinson fled to Iott.

Connell Park Diamond, July 11, Calais vs Woodstock. Batteries: Calais, Ryan, Neptune and Watt; Woodstock, Stinson and Mayo. 3 base hit, Johnson (1), 2 base hits, Good (1), Keeney (1), Wessinger (2), struck out by Stinson (2), by Ryan (2), by Neptune (4). Umpire Dan McMann.

Woodstock was shut out by Fredericton at the Fredericton diamond on Monday. Score 3-0. Batteries: Fredericton, Duval and Murray; Woodstock, Urquhart and Mayo.

Calais put one over the St. Johns on the Marathons grounds Thursday last. Score 9 to 4. Batteries: Calais, O'Neill, Neptune and Watt; St. Johns, Hight and Lewis.

The Marathons lost to St. Johns on Saturday by a score of 11 to 10. Batteries: St. Johns, Paquette, Ford and White; Marathons, Winter and Connolly.

SUMMER SCHOOL OF SCIENCE

From present indications it appears that the 1911 session of this School, which opened in Fredericton on Wednesday, July 12, will have a record attendance. One feature which has doubtless attracted a large number of teachers, is the offer of Money Scholarships which have been donated by friends of the School and others interested in education.

About fifty Scholarships will be awarded; some of ten dollars each and some of twenty dollars. A few Scholarships are given for teachers from certain districts, but the majority are open for competition amongst all the students.

The Board of Education has granted the use of the Provincial Normal School for the meetings of the Summer School, and overflow classes will be accommodated in the City High School.

In addition to the classes and lectures, field work and excursions will be indulged in.

The Senate of the University of New Brunswick will also tender the students a Garden Party, in the beautiful grounds of the College.

The Fredericton team went up against the Marathons in Fredericton last Thursday and were defeated by a score of 12 to 9. Batteries: Marathons, Tarbell and Connolly; Fredericton, Duval, Bates, Murray and Griffin.

St. Stephen was shut out by Calais on the latter's diamond Saturday. Score 14-0. Batteries: Calais, Ryan and Watt; St. Stephen, Sharkey, Butler and McGovern.

Woodstock trimmed the Fredericton team in an exhibition game at Houlton on Friday. Score 10-4.

ALONG THE BLEACHERS.

The people of Woodstock have backed their team to the limit. Now its up to the team to make good. A little shaking up wouldn't hurt a bit.

Woodstock has no license to lose so many games. There are still a few ball players kicking around the New England States who know how to play the game. It's up to Manager Allen to win games with the men he's got, or get others that will win once in a while.

Our team can play ball if they want to, but they don't seem to try until the game is lost. Many of our games have been lost, like the one in Fredericton Monday, in the first inning, after that the boys play excellent ball. The fact that Fredericton got three runs in the first two innings through errors, shows plainly that there is something lacking.

If Capt Allen would give his men lots of practice and impress on them the fact that errors mean fines or release, he would probably get better results. Its up to the Capt to have his team make good. If his men are not fast enough there is always a remedy, and no doubt there are lots of players to be had who are willing to work for their salaries. Fredericton, St. Stephen and Calais work their teams from two to four hours every day. Why should our team lay back and take things easy. They have been given every chance and there has always been some excuse. Get them out to practice. If Capt. Allen won't do it them let someone else have charge. At the first of the season under Ralph Wilder the boys had practice every day, now they have no practice except what they get at the league and exhibition games. Woodstock sports as a rule are good losers, but there is a limit to everything, and unless our team makes a better showing, there will probably be a lot of new faces around the diamond.

League Standing

	Won	Lost	P.C.
Calais	- - 8	2	.800
Fredericton	- - 6	3	.667
Marathons	- - 6	6	.500
St Stephen	- - 4	5	.444
Woodstock	- - 4	6	.400
St John	- - 2	7	.222

CONTRACT FOR ROAD MAKING PLANT

At Friday evening's meeting of the Town Council, all the members were present except Coun Gallagher.

The minutes of former meeting were read and approved. Supt. Fells was given further time to find out the number of raters who are not connected with the sewers.

Coun Dibblee said that Mayor Ketchum and the road committee had made a contract with J. CLARK & Son for the steam roller and stone crusher. The firm agreed to take the town bonds paying 4 1/2 per cent, but the committee thought they could sell the bonds to better advantage. It was decided to have the clerk advertise the sale of bonds and have the same printed, in the event of private parties wishing to take up bonds.

The monthly bills were read and on motion of Coun Dibblee, seconded by Coun Jones, were ordered paid.

Coun Dibblee—I am told that the contract with the Woodstock Electric Railway Light & Power Co., calls for a direct line from the power house to the town pumping station and I would like some information on the subject.

Coun Bailey—The Power Company has two lines connected with the pumping station, one a direct line running through the upper end of the town, and the other comes down the Connell road and runs up Main Street. The upper line is used for power for the pump, but in case of accident the current can be switched on from the other line instantly. The company is not under contract to run a line especially for the pumping station and in having two lines ready for instant use, the town is exceptionally well protected in case of fire.

Supt. Water Works—In addition to having the electric power during the recent Dunbar fire, we also got up steam in the boilers at the pumping station, so as to be well prepared for any emergency.

A special committee reported that they had not yet selected a suitable place for the band to play their town concerts, but would try and secure a site so that a concert would be played this week. It was pointed out that the band was ready at any time to play their weekly concerts on Main street, providing the council secured a suitable stand and light.

On motion of Coun Dibblee council adjourned.

ANTI-RECIPROCITY

It is an up-hill fight, this argument against reciprocity. You may exhaust Webster in farming arguments to confute it, but turn to the farmer and ask which he will have reciprocity or high tariff—and which, think you, will he take? Is the farmer of Carleton County an ignoramus? Not much! Ask him what effect reciprocity would have on the price of hay, on the price of lambs (Cowen, etc. Will he hesitate in his reply? Will he say "I'll think it over"? No! the reply has already been framed—he has been thinking it over for years in the face of adverse tariff. It needs no arguments to convince him. If hay is bringing \$5 per ton here, and \$9 in Houlton, let down the fence and see what he will do. Does B. F. Smith shed many tears over the prospect of reciprocity coming into force? Do you think his nights are sleepless? Listen to the report of his Hartland speech.

"As Mr. Smith is one of the largest produce dealers in the province and has an intimate acquaintance with the prices of farm products on both sides of the border, he was able from his personal knowledge, derived from years of experience, to present facts and figures bearing upon the question, which satisfied the audience that the farmers, at least, had nothing to gain from the adoption of the pact." Ha, ha, ha! oh! oh!

Has Mr. Smith not awakened to the fact that it is the farmers that want the "pact," that are clamoring for it all over Canada, that know it will open up to them a greater market, that are meeting R. with delegation after delegation re-

JULY TWELFTH AT CENTREVILLE

About two thousand people attended the big celebration at Centreville on July 12th. The committee who had the affair in hand had everything well arranged and with the best of weather and a big good natured crowd, the day was one to be long remembered by the citizens and those who attended. The Woodstock band drove up early in the morning to take part and supplied music during the day. At 10:30 a.m. a big parade was lined up as follows:

Woodstock Band
Company of Mounted Infantry, under command of Adj. Margison.

Floot, St John Valley Railway Convention.

Dog team with fancy wagon.

Floot, Red Rose Tea.

Comic rig.

Floot, Canada.

Mr Chas Wilkinson was master of ceremonies and to that gentleman is due in a great measure the success of the celebration. After marching through the principal streets the parade disbanded and the band played a short concert at noon in front of the opera house.

In the afternoon the band played a program, from the lawn adjoining the residence of Mr A Lee, and at 4 o'clock marched to the base ball field where a game between the Florenceville Stars and Mars Hill was in progress, said game resulting disastrously for the stars.

A large crowd also watched the horse races on the road. The races were trotted in half mile heats, and were won by horses owned by Dr Scriber of Maine and Jack Lee of Centreville.

Centreville L O L No 33, also added to the list of attractions during the afternoon, their parade through the principal streets being witnessed by large crowds.

Following are the prize winners of the parade.

Jas Estabrooks, fancy, 1st.

Miss Mary Wilkinson, fancy, 2nd.

Clarke Strayon, comic, 1st.

Chas Wilkinson, original, 1st.

Mr Wilkinson's float was nothing if not original. It was called "The St John Valley Railway Convention" and bore in conspicuous places the following placards: "15 miles to a railroad, and hay \$4 a ton by heck," "I'm a smooth KID," "No C P R in this," "I'll find a hole to crawl out of," "I don't believe Hazen intends, to build the god darned road," "Anything that suits Kid is good enough for Bbb" and one or two other appropriate banners. The float was a dandy and called for lots of favorable comment.

At six o'clock the band played a concert in front of the Exchange Hotel and at seven a return game of ball between Florenceville and Mars Hill drew the crowd.

Refreshment booths were erected in every convenient spot and a steam merry go round did a rushing business. Everybody was out for a good time and they had it. There were lots of amusements, and the committee furnished meals in the opera house, so that everybody had lots to see and lots to eat. One could not imagine a more orderly crowd and everything went with a swing that showed the work of master minds and the citizens of Centreville are to be congratulated on the success of the celebration.

MARRIED

PHILLIPS-PHILLIPS.

A quiet but pretty wedding was celebrated July 6th, at 2:30 in the afternoon, at the home of Mr and Mrs E D Phillips, Pembroke, when their oldest daughter Ada Geneva, was married to Mr Henry A Phillips of the same place. The ceremony was performed by Rev D R Sharpe, M A, in the presence of the immediate friends and relatives. The wedding march was played by Miss Lillian York. The bride was the recipient of many costly gifts. After the wedding feast the happy couple left by train for Vancouver, B C, on their wedding trip. On returning they will reside at Pembroke. The hearty good wishes of a host of friends go with them.

Regardless of politics—whose conservative brethren are beseeching him to quit his opposition to the "pact" and not retard legislation that will mean prosperity to the prairie provinces. FARMER.

Frank L. Young, representing the Schofield Paper Co. St. John, was in town on Monday.
