WHEELER'S
BOTANIC
BITTERS

The Work of the Kidneys

Every drop of blood in your system has to pass through the kidneys; they are the great filters of the body. If they are in good condition, blood that comes to them loaded with impurities and poisons, leaves them pure and rich. If they are not in good condition, they allow this impure blood to be sent all over the body again. The result is, the whole system is poisoned and stony, liver and lower troubles, headache, dizziness, pimples, salt-low skin, bad breath, and that tired feeling, make life almost unbearable.

Wheeler's Botanic Bitters

will clear out the system, purify the blood, and restore the various organs to their original shape.
