

Your dear old tea-cup is to carry a keener delight, a new tea joy to your lips! For into tea flavor—the very essence of tea joy—an even richer fullness, a more zestful vigor has been blended. The result is King Cole Tea. With your very first sip you marvel that such flavor-improvement could be possible! It tastes so unusually good. And it never varies, year in, year out.

YOU'LL LIKE THE FLAVOR.

"The Only Thing That Will Relieve Neuralgia."

The piercing pains of Neuralgia, which often follows a bad cold or La Grippe, are frequently almost unbearable and few medicines afford any relief to the sufferer.

I am a rural mail carrier and have been a user of the Dr. Miles medicines for years.
Dr. Miles' Anti-Pain Pills can't be beaten. They are the only thing I have found that will relieve my neuralgia and I have tried most everything, besides medicine from the doctor. I am willing to tell anyone what the Anti-Pain Pills did for me.

CHARLES HILDEBRANDT, Woodville, Ohio
Box 205
If you, like Mr. Hildebrandt, "have tried most everything" in vain, why not do as he did, fight your aches and pains with Dr. Miles' Anti-Pain Pills. Let the pills bear the brunt of the battle. No matter how stubborn the contest, they will come out victorious.

Dr. Miles' Anti-Pain Pills stand on their record, which is a long list of cures extending back a generation.

Druggists everywhere sell them. If first package fails to benefit, your druggist will return your money.

The Scot is always telling stories against himself. One of the latest is of a Scotchman who was down in the world, without hope, and with only threepence in his pocket. He decided on suicide, and entering a chemist's shop, asked for threepennyworth of arsenic. "What do you want it for?" demanded the chemist. "Twopenny," said the Scotchman.—London Chronicle.
