

CANADIAN EXPORTS OF  
MANUFACTURED PULP-1910

Canada's export trade of wood pulp is increasing annually and during 1910 amounted in value to five million, seven hundred thousand dollars, according to information furnished to the Dominion Forestry Branch by the Department of Trade and Commerce. The three hundred and twenty nine thousand tons of pulp exported was an increase of forty eight thousand tons over the amount shipped in 1909. Wood pulp exportations in 1909 amounted to seventy per cent of the total produced in Canada, whereas in 1909 the proportion was only sixty three per cent. Eighty eight per cent of the export was mechanical pulp, and the remaining twelve per cent was chemical pulp. During 1910, over three quarters of the pulp exported went to the United States, while shipments to nearly all other countries decreased. The United Kingdom takes most of the remaining one quarter, although exports to these countries have fallen off greatly. Particularly is this so with chemical pulp, not one seventh the amount being shipped in 1910 as in 1909. The average value per ton of the pulp exported in 1909 was \$14.67 for the mechanical and \$36.35 for the chemical pulp. This is a combined average of \$17.31 or 14 cents less per ton than for the previous year. The prices paid to Canadian exporters by the various importing countries were per ton for mechanical pulp: United States \$16.09 or exactly the same as in 1909 and United Kingdom \$15.78 or \$5.52 more. For chemical pulp, the amounts paid were: United States, \$36.32 per ton and United Kingdom, \$41.50 per ton.

Eminent Toronto  
Physicians  
Failed to Cure Rheumatism

Miss Flora Chapman Vividly Describes Her Sufferings and Ultimate Cure With "Nerviline."

"After being an enthusiastic user of Nerviline for years, I feel it my duty to tell you personally what your wonderful preparation has done for me.

"I suffered torture from rheumatism and heart trouble, tried scores of so-called remedies, consulted for weeks and months with Toronto's most eminent physicians, but derived only slight benefit.

"A friend insisted on my using Nerviline, and to my surprise, a vigorous rubbing of this powerful liniment eased the pains and reduced the stiffness in my joints. I continued to use Nerviline and was permanently cured. I am now perfectly well, and for three years have had no rheumatism at all. I know many families where no other medicine but Nerviline is kept—it is so useful in minor ailments like earache, toothache, neuralgia, coughs, colds, lumbago and sciatica. I call Nerviline my "Life Guard," and urge all to try its merit."

## NEW BOND COMPANY

(Montreal Herald.)

The Montreal Bond Company is the name of the latest company to enter the security field. The company will conduct a general bond and investment business. Temporary offices have been taken on the ground floor of the Royal Insurance building, Place d'Armes square, but permanent quarters have been secured in the new Transportation building, corner of St James and St Francois Xavier streets, which, it is expected, will be ready for occupancy early in April.

The Montreal Bond Company, Limited, will be under the management of R G Muirhead. Mr Muirhead has for some years been connected with the firm of E B McCurdy & Co, both in their Montreal and Halifax offices, and previous to that time was for a number of years in the service of the Royal Bank of Canada.

It is understood that the interests behind the company include Messrs C H Cahan and H A Lovett.

SEVEN  
YEARS OF  
MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman any day in the month. I wish I could talk to every suffering woman and girl."

—Mrs. DEMA BETHUNE, Sikeston, Mo.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It is used more widely and successfully than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it?

## Life's Mirror.

There are loyal hearts, there are spirits brave,

There are souls that are pure and true; Then give the world the best you have, Give love, and love to your life will flow, A strength in your utmost need;

Have faith and a score of hearts will show Their faith in your word and deed, Give truth, and your gift will be paid in kind,

And honor will honor meet; And a smile that is sweet will surely find A smile that is just as sweet.

For life is the mirror of king and slave, 'Tis just what we are and do; Then give to the world the best you have And the best will come back to you.

Methodists Seek More  
Power From Parliament

Ottawa, Jan 6.—The General Conference of the Methodist church will apply for legislation at the present session of parliament, authorizing any congregation of the church to receive, hold and administer real or personal property, given for endowment or special purposes, and authorizing any Conference to establish a city mission or church property. Power will also be sought to authorize the sale or transfer of properties held by trustees boards and the application of such funds to church purposes, "co-operation with other churches has done away with the necessity of maintaining a considerable amount of church property which it is desired to dispose of."

GIFT OF HEALING  
BELONGS TO CHURCH

(Toronto Mail)

At Saturday morning's conference of the Clerical Alumni of Trinity College, Rev Canon Starr, of Kingston, gave a paper on the "Gift of Healing." He explored the church's failure to employ the great gift of healing, undoubtedly given to it for physical ailments, and strongly recommended that the church of the day take up this power in co-operation with medical science. To back his recommendation he instanced the famous "Emmanuel" movement in Boston, with which he had had personal knowledge. At the same time he drew a deep line of demarcation between the "Gift of Healing" which was bound up in the faith and person of Christ and the "monstrosity" which labeled itself "Christian." Dr Boyle thought that the matter should be taken up and given its proportionate place in the work of the church. In this way it would check the tendency of some people to be carried away from the church by the element of truth in the Christian Science cult.

TORTURED FOR  
THIRTY FIVE YEARS

I really could not live without "Fruit-a-lives"

PENACHTVALE, ONT, Jan. 29th, 1910. "For thirty-five years (and I am now a man over seventy) I have been a terrible sufferer from Constipation. No matter what remedy or physicians I employed, the result was always the same—impossible to get a cure. About two years ago, I read about 'Fruit-a-lives' and I decided to try them. I have used 'Fruit-a-lives' ever since. They are the first and only medicine that suited my case. If it were not for 'Fruit-a-lives' I am satisfied that I could not live." JAMES PROUDFOOT.

The greatest remedy in the world for all forms of Indigestion and Dyspepsia, is "Fruit-a-lives". Doctors as well as hundreds of people proclaim it. "Fruit-a-lives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-lives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.
