MAYOR AND COUNCILLORS TALK OVER TOWN AFFAIRS

Transact a Lot of Business—Town Treasurer Submits Report For Nine Months—Board of Railway Commissioners Write About Gates at King Street Crossing—Salvation Army Complains of Bell—Town By-Law Violated

The Town Council met in regular session Monday evening, 7th inst., and the committee had kept well with every member present. Mayor Ketchum presided and after routine business was disposed of he asked the members of the Council to give their attention to the reading of the town treasurer's report, which was very important at this stage, as it was nearing the end of the year. The Mayor also suggested the necessity of strict economy in order to meet certain fixed charges. He requested the chairman of the different departments to keep within the appropriation and not undertake any new work that would entail additional cost to the town.

Statement receipts and expenditure of the several departments of the town of Woodstock for nine months ending Sept. 30, 1912.

H. W. BOURNE, Town Treasurer, Oct. 7th, 1912.

Woodstock, N. B., Town Treasurer, Oct. 7th, 1912.

Coun. Balmain read a detailed report of the permanent street work, as given by Supt. Goslin. Quite an animated discussion arose over the street expenditure.

Coun. Diblee had some matters explained that seemed a little hazy. While there seemed to be a tendency to find fault in some directions it was generally conceded that the street department had done good work, the result of the permanent work being already apparent. The

Mayor Ketchum, referring to the above said it was the intention that the municipality should bear part of the expense of the watchman and he felt the County would be willing to do so.

Coun. Jones moved that a committee from the Town Council confer with the County Council in reference to assisting in payment of watchman.

A communication from the government Engineer in reference to a sidewalk on the bridge intimated that it would not be feasible to build such a sidewalk.

It was ordered that the finance committee employ a special collector of taxes to collect arrears.

The Chief of Police was granted leave of absence for one week, providing he furnishes a substitute.

The street committee was authorized to bring the steam roller to this side of the bridge in the most available way. The Government Inspector gave his opinion that the bridge would not carry the roller. It will probably be brought over by rail.

The following letters in relation to the bell at King street crossing were laid before the board:—

Woodstock, N. B., Sept. 19th, 1912.

Mr. T. C. L. Ketchum, Mayor, Woodstock, N. B.

Dear Sir:—

I attach a letter from an Officer

35,000 PEOPLE SEE RED SOX WIN FIRST GAME FROM GIANTS

Wood Pitched Great Game—New Yorks' First Pitcher Batted Out of the Box—A Hair Raising Finish

New York, Oct. 8.—The Boston Americans overcame the New York Nationals by a score of 4 to 3 today. It was a battle of managerial wits before more than 35,000 people in the first game of the world's series. The ager McGraw pinned his faith in contrast was nip and tuck all the way. The Red Sox hitless until the ninth inning when they nearly bagged broke the ice. Tesreau weakened the score, but "Smoky Joe" Wood's bewildering speed turned the tide. The fusillade of Boston hits was over two Giant batters back to the bench three runs were across the plate, on strikes for the last two putouts and the Red Sox carried off the runs.

Manager Stahl placed his star honors. Rarely, if ever, has any world's pitcher, Joe Wood, on the mound. In series game provided such a dramatic only two innings was the Red Sox finish. Two runs behind, the Giants' moundsmen hit hard and his dazzling supporters had given up hope. Hunspeed continued undiminished until the last man had struck out. Wood sent a single whistling to the fanned eleven batters. He gave only outfield after one man was out. two bases on balls.

SECOND GAME. Boston, Oct. 9.—The second contest by a smoking hit by the Indian, of the world's series between the Boston Americans Leaguers and the New York Nationals Wednesday went with Giants on second and third, eleven innings to a tie score of 6 to 6, when darkness put an end to the battle that kept 30,000 spectators on the edge of keenest excitement throughout every inning. Batteries—for New York—Mathewson and Wilson; for Boston—Collins, Hall, Bedient and Carrigan.

DESTRUCTIVE FIRES—TWO FINE HOUSES BURNED TO THE GROUND

Fire Thursday morning destroyed the fine residence of Mr. John Dickinson. The alarm was sent in about 4.30 and the firemen responded promptly. The fire had considerable start before being discovered and it was impossible to save the building. Scarcely any of the furniture was saved.

It is not known how the fire originated but it probably started from an open fire place. Both house and furniture were insured, the former for twenty five hundred dollars. It was one of the best residences in town and the loss to Mr. Dickinson is a serious one.

William Armstrong, deputy sheriff, in a fire Monday afternoon lost his fine home and barns at Lakeville. Nothing was saved except some live stock. The loss is very heavy and included the season's crop which had been gathered, and a very large outfit of farming machinery.

There is a small insurance of twenty seven hundred dollars.

PRESENTATION AND ADDRESS

Miss Margaret Hawkins an esteemed and popular young lady and for over a year one of the staff of salesladies in the Manzer Departmental store, left last Monday evening for the home of her brother in Vancouver, B.C. On Saturday evening last she was presented with a handsome testimonial accompanied by an address from her former associates, the lady members of the staff of the above popular emporium, and also, the gents of the Oak Hall department.

The address written by one of the young ladies had a special distinction by a tinge of the serio-comic, to lighten that pathos expressed in words regretful of that parting so often told in song and story amongst those who have known the confidence and affection which dwells with pure friendship. The conclusion was expressive of kind wishes for the future welfare of Miss Hawkins.

The latter was apparently moved as she calmly responded by assuring her appreciation of such kindness from a circle of friends whom, by her, would never be forgotten.

Miss Hawkins was also the recipient of a substantial token in recognition of faithful and efficient services from the proprietor of the Manzer Emporium.

AN OFFICER AT THE ARMY.

Mr. Tappan Adney addressed the Council at length in relation to a violation of the town laws in charging a certain building from a store to a place of amusement. The Council will look over premises complained of and order changes if necessary. It is understood that the section of the law quoted is violated in other places of amusement, and it is also stated that the town hall will come under the section, as well as churches, lodge rooms, clubs, etc.
