

There is no greater comfort than an evening with an EDISON PHONOGRAPH

—the comfort of bright songs and music perfectly rendered; the comfort of Amberol Records, playing four-and-one-half minutes instead of two; the comfort of the permanent sapphire reproducing point that does away with constant needle-changing, and the comfort of a subdued volume of sound, that does not carry beyond your own little family circle. The wonderful, sensitive, wax cylinders, the silent, long-running motor, the long-playing Amberol Records, the permanent sapphire reproducing point, and the means of making and reproducing your own records, are all exclusive Edison Phonograph features. Remember this when you make your purchase.

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us. Edison Standard Records, 40c. Edison Amberol Records (play twice as long), 65c. Edison Grand Opera Records, 85c. to \$2.50.

OBITUARY

MRS. JOHN T. MCBRIDE.

An her home in Oakville, early Wednesday morning, 27th inst, Lydia A., beloved wife of John T. McBride, was called home. Although she had not been enjoying very good health for some time past, the summons came as a shock to the family.

She was a daughter of the late Elijah Briggs, and was in the fifty-ninth year of her age; a devoted wife and mother, kind and loving sister, and a most highly respected lady. She leaves to mourn her departure, her husband, two sons, Covert and Harold at home, three daughters, Mrs. W. A. McLellan of Belleville, Alice and Clara at home, five brothers, Robert and Judson of Lindsay, Samuel of Carleton Place, George of Victor, Col., and Ezra of Belleville, two sisters, Mrs. J. A. Lindsay of Lindsay, and Mrs. John McLellan of Oakville, besides numerous other relatives and a host of friends.

The funeral, an exceptionally large one, was attended by Rev. A. W. Teed, and interment was made in the Episcopal cemetery at Richmond Corner. The pall-bearers were four nephews of the deceased—Messrs. Chas. Frank, Harry and Roy Briggs. The hymns: "Some Sweet Day," "Safe in the Arms of Jesus," and "Saved by Grace," were sung. The floral tributes were many and beautiful.

Her genial disposition made her a general favorite and she will be sadly missed in the community in which she lived.

At Holtville, Imperial Co., California, Feb. 27th, at the home of her daughter, Mrs. Sarah A. A. Dickinson, widow of the late J. D. Dickinson of Woodstock, New Brunswick.

Five years ago Mrs. Dickinson came to California with her daughter, Mrs. Alice Raymond. Because of its beautiful climate, she made San Diego her home, remaining there until December last, when, not feeling strong, she came to the Imperial Valley to the ranch home of her daughter, hoping to be benefited by the change. In January her daughter, Mrs. C. D. Dickinson came west to be with her. A little later her sister, Mrs. Z. H. Peters (for several years a resident of Woodstock) came. Loving hands ministered to her comfort, and all hoped for her recovery; but though suffering no pain, whatever, she continued to fail, sleeping much of the time until she entered the long sleep which knows no waking until the trump of God shall sound, and the dead in Christ shall come forth immortalized and glorified.

Her faith was clear. She knew whom she believed and her hope in the resurrection was very positive and gave her great comfort and joy.

Service was held at the Advent son of the Pasadena Church who

Church at Los Angeles. Eld. M. Mac Fadyen (a former pastor of the Advent Church in Woodstock) is pastor, but owing to his illness, Mrs. Mac Fadyen was assisted by Pastor Ne-preached a very able and fitting sermon from 2nd Tim. 4-7 & 8. Elder J. C. Smith (a nephew) offered prayer. Mrs. MacFadyen spoke of her as a friend and Christian sister.

The church and loving friends and relatives brought floral offerings which were very much appreciated by the sorrowing family.

She was laid to rest temporarily at Tropico, a suburb of the city, but will be brought to her former home at Woodstock, N. B., to be placed in the family lot, in the early spring.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

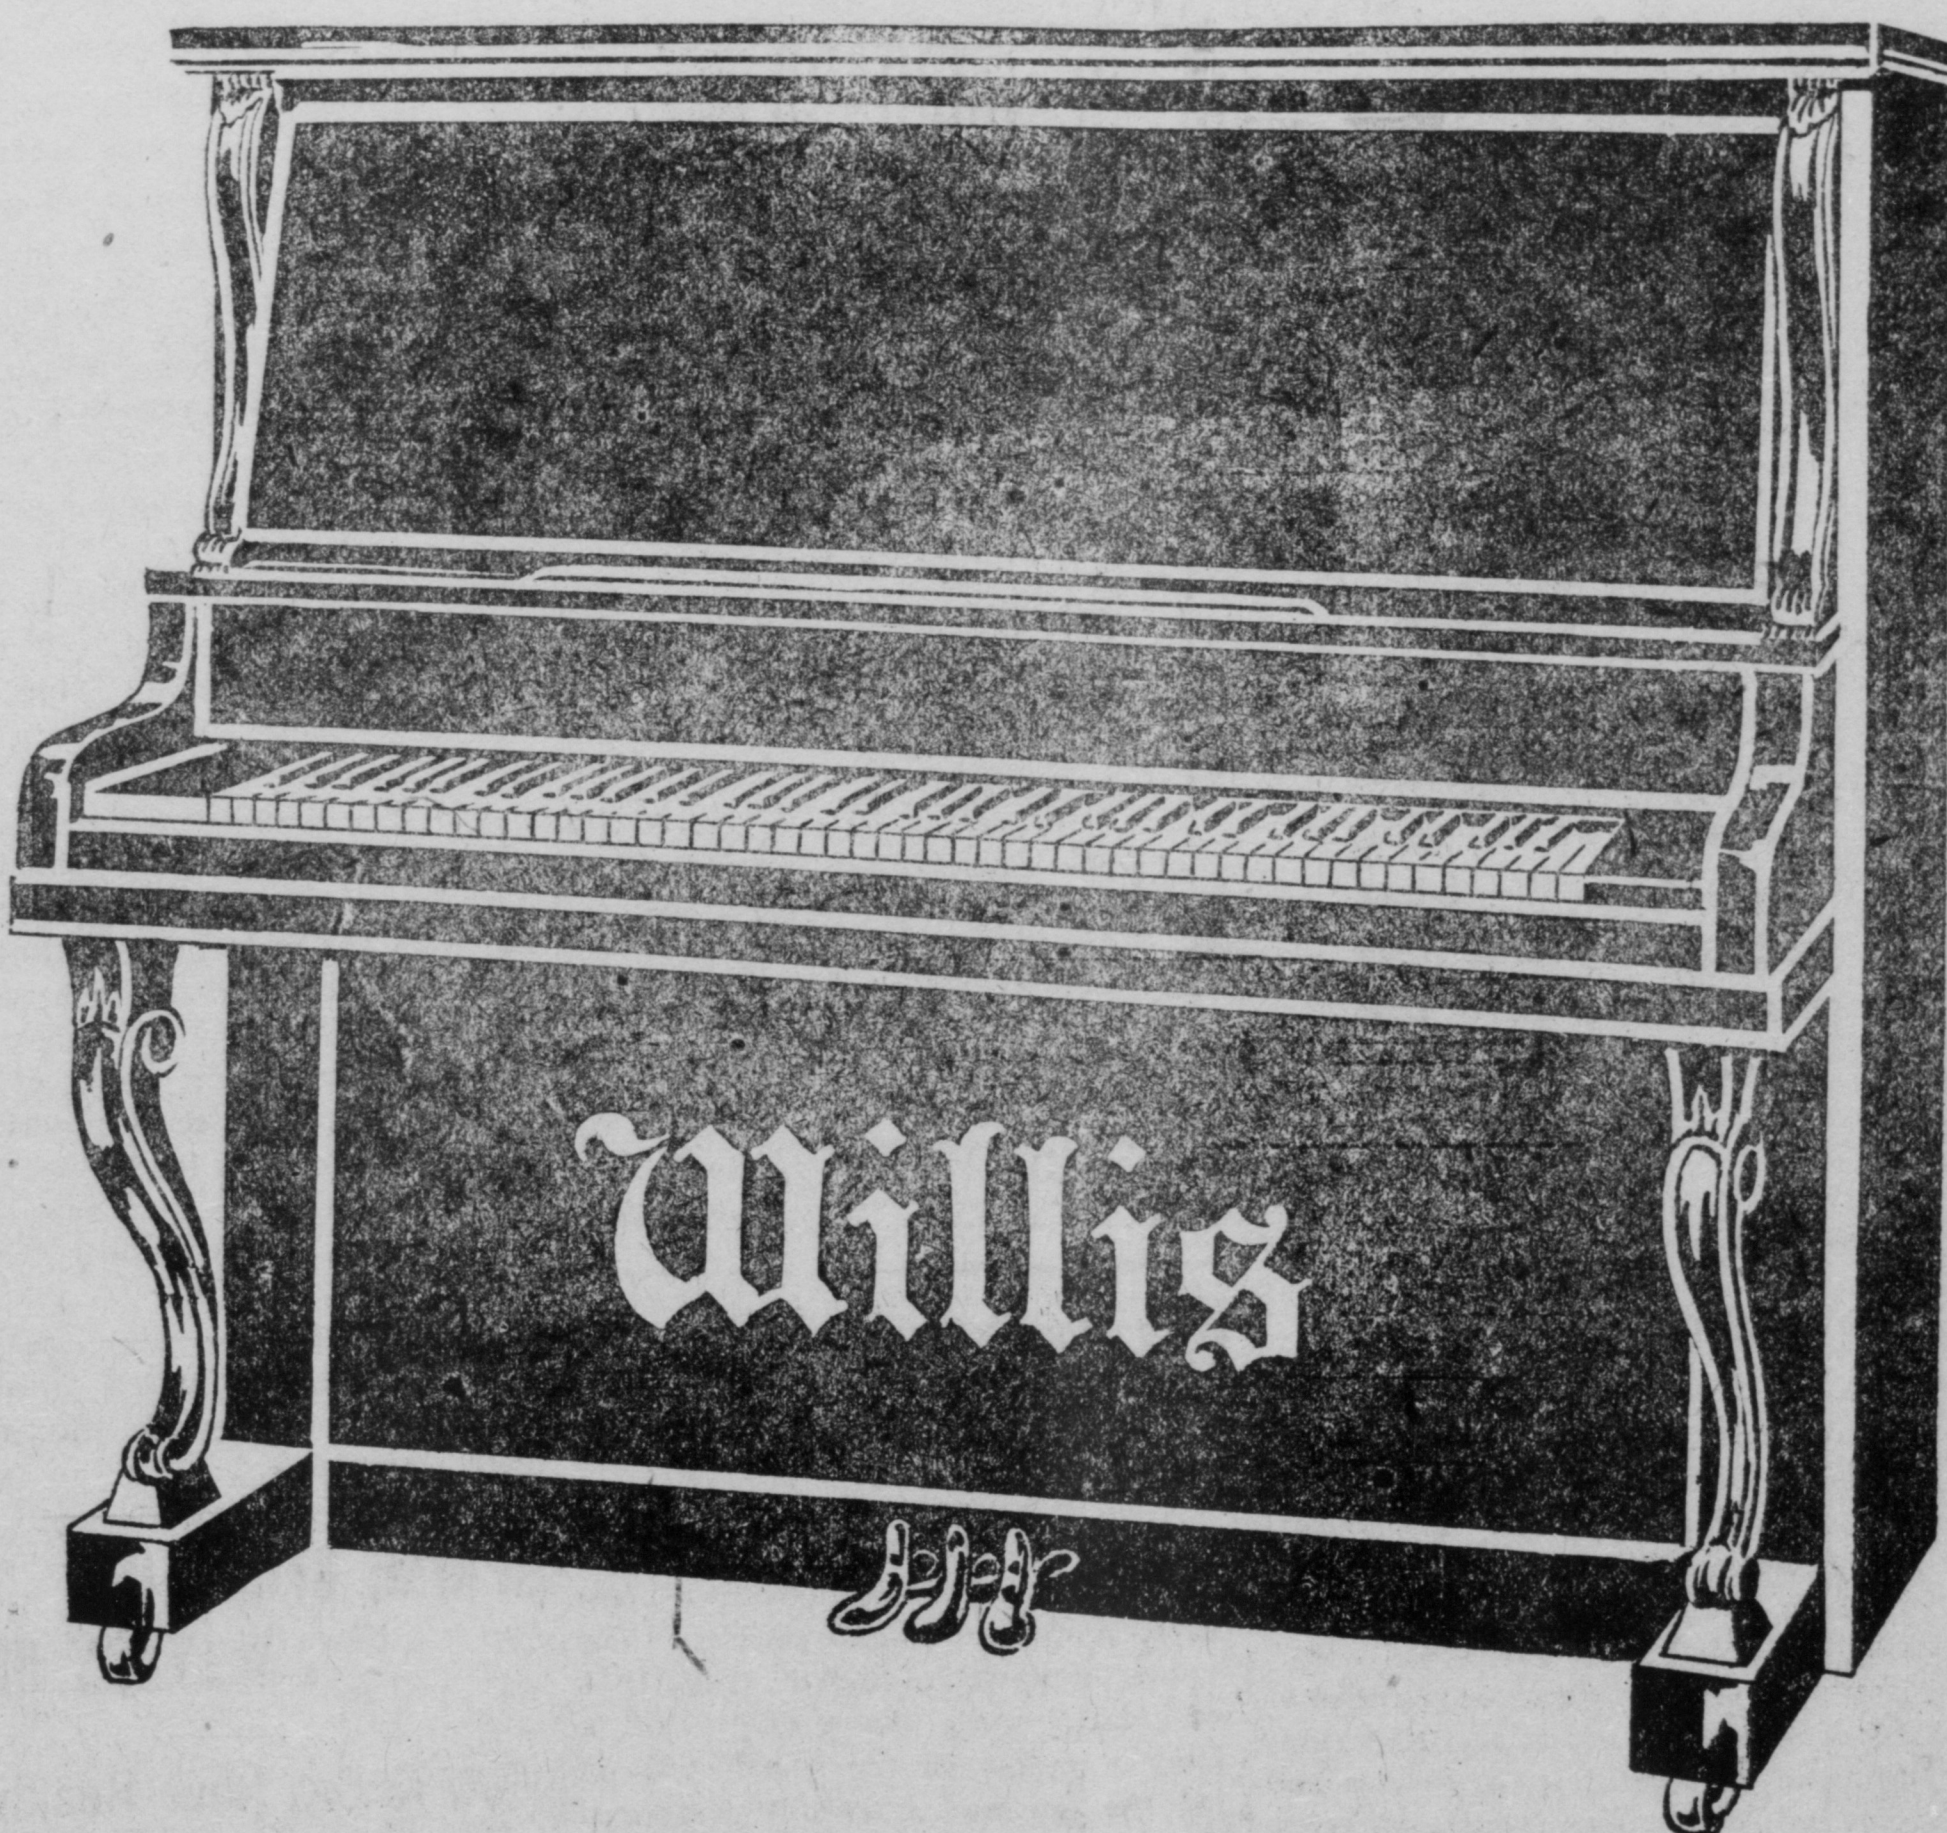

Address F. J. CHEEY & CO., Toledo, O.

Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

\$20,000 FOR PAIR FOXES.

Probably the highest price ever paid in the world for a pair of silver foxes was paid in Summerside, P. E. I. last week by a newly organized syndicate with headquarters in Tryon. The pair of foxes, with a guaranteed litter of not less than two, was bought from Frank Tuplin for \$20,000. Mr. Tuplin to keep the foxes in his ranch until next September.

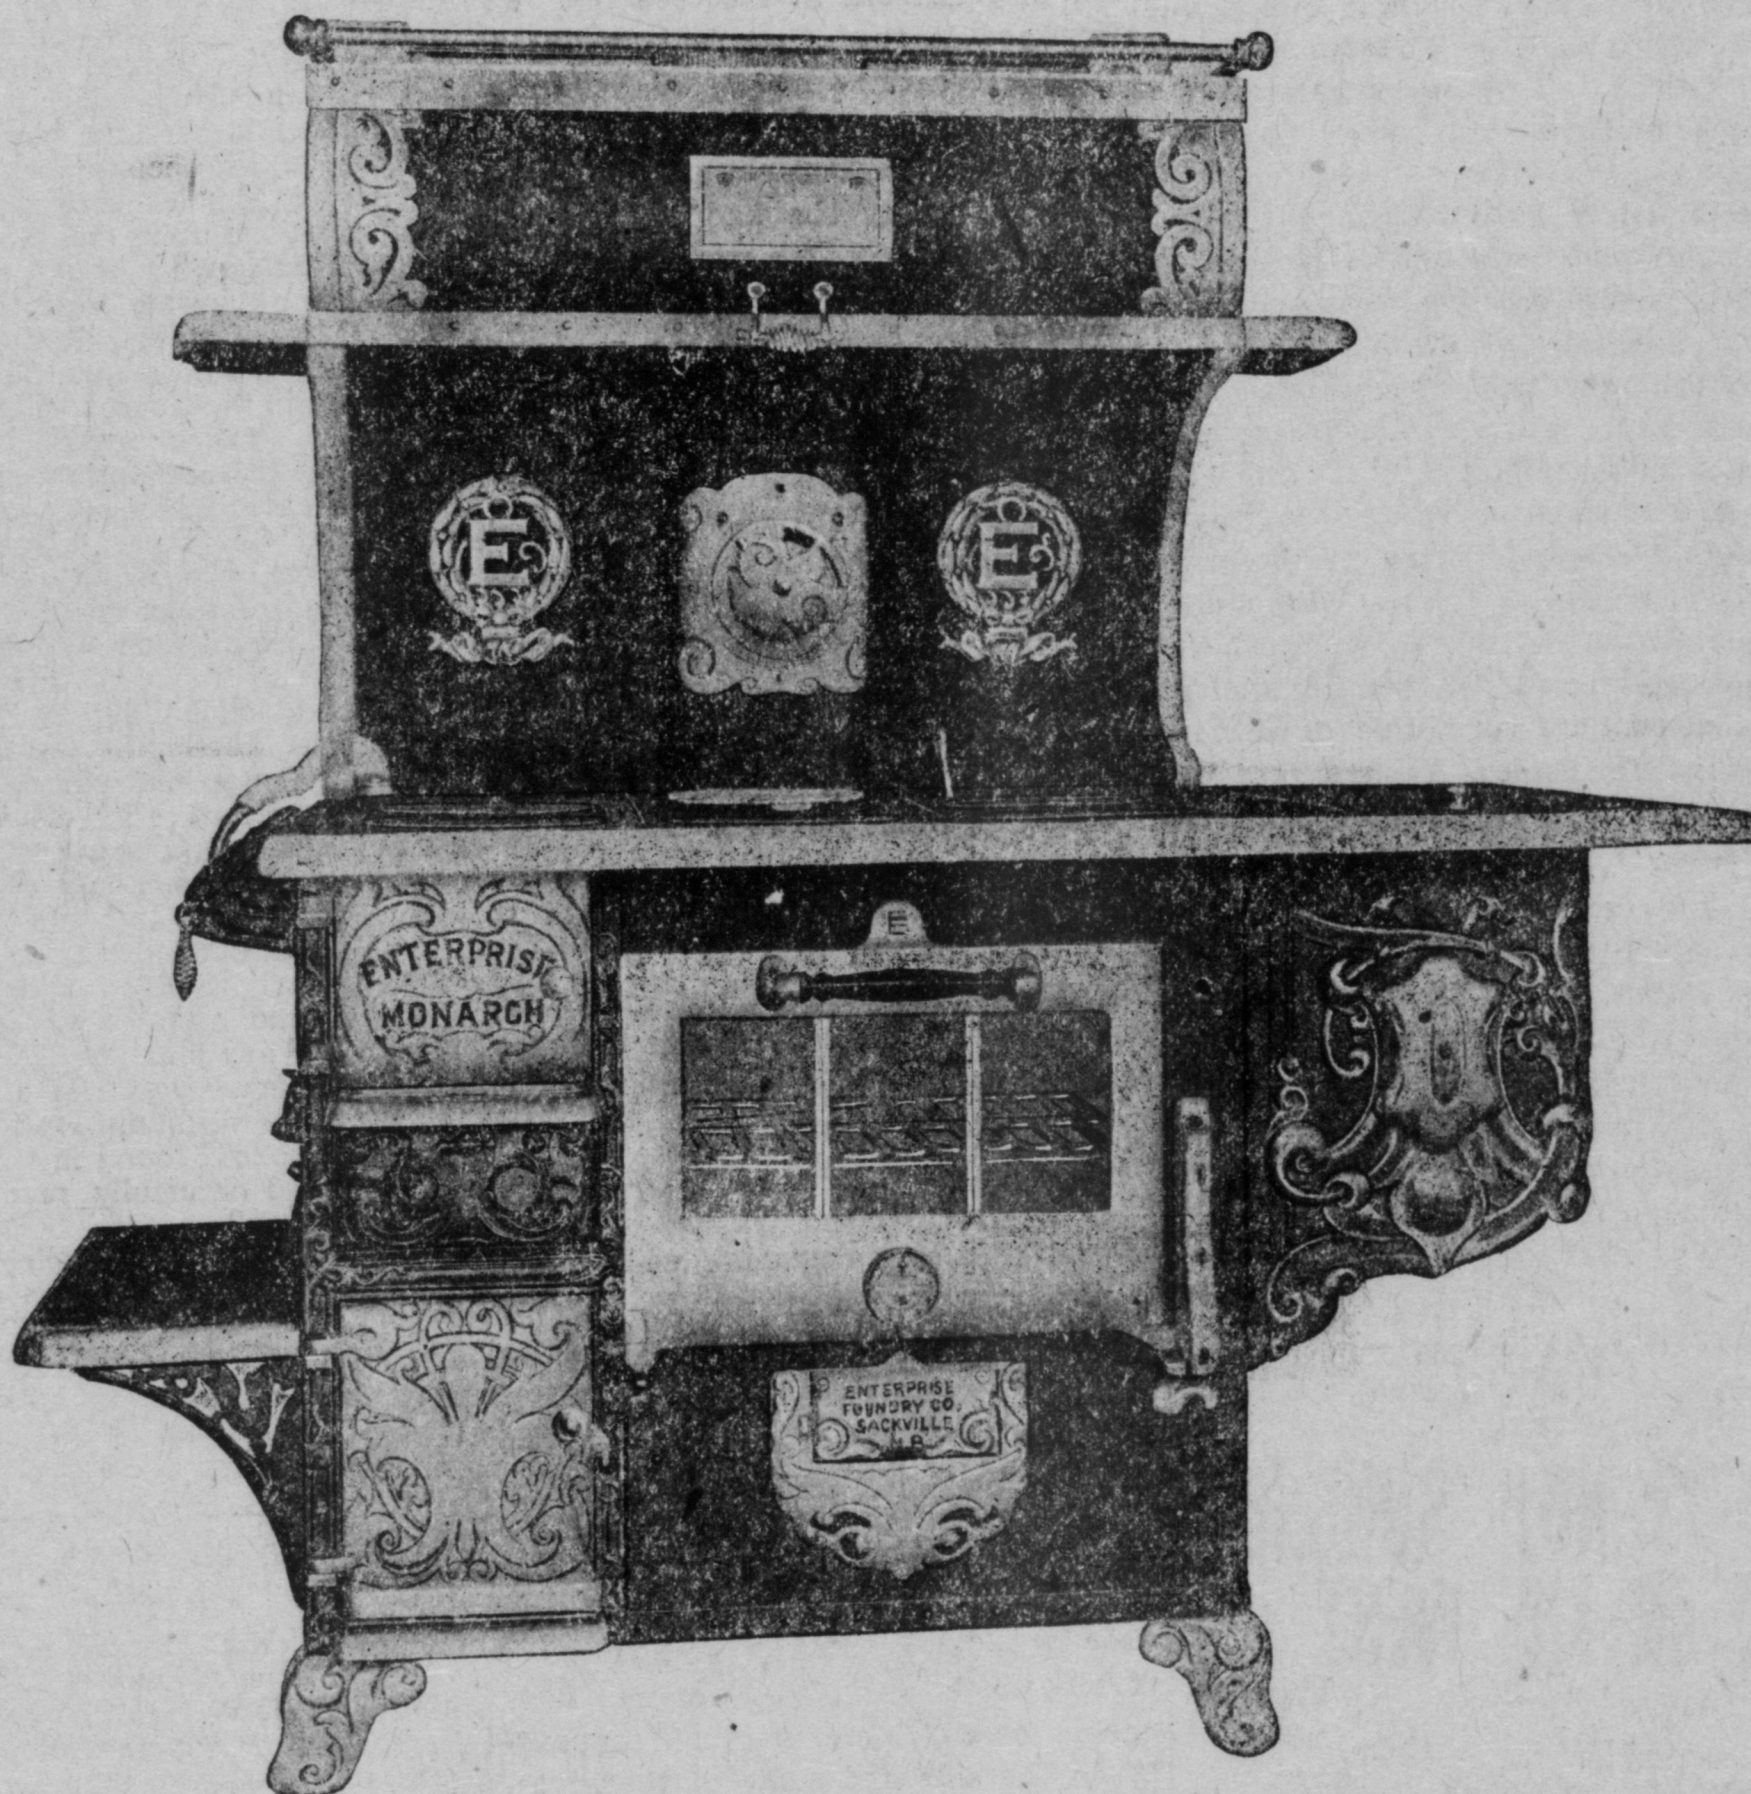

Salt should always be accessible. The aim should be, as a rule, to grow more than three crops of grain between the grass crops.

Call at the A. Henderson Furniture Co. Ltd., and see this elegant household necessity.

SUBSCRIPTIONS TO THE SENTINEL WILL WIN A PRIZE.—Vote for Your Favorite Candidate.

A Short Talk About the Quality of The Cars I am Selling

The REO is an exceptionally good car. Just look over a list of our specifications and you find the REO right up in front with the good ones, not forgetting the Timken Roller Bearings all over. These are the very best bearings made. Some cars use only one timken on the whole car, in a place where nothing else will stand, on the rear end of the propeller shaft behind the main pinion. The REO has them all over.

The Company making the OVERLAND sells more cars than any other concern in the world. This car has a reputation for hanging together that is the despair of many other makes; a distinction that makes the second-hand OVERLANDS sell at a premium over other makes in the New England market.

The HUMMOBILE is out this year with an entirely new design. It has all the up-to-the-minute specifications. A Long Stroke Motor, not a so-called long stroke, but one in which the stroke is more than half as much again as the bore. This gives a Motor exceptional pulling power with great economy in gasoline. The design also includes a Sliding Gear set with Three Speeds Ahead and Reverse, with a Full Floating Rear Axle and all Brakes on the Rear Wheels. The equipment is touring car body, 30 h. p. motor, 106 wheel base, 30x3 1/2 tires, 2 gas lamps and generator, 3 oil lamps, horn, tools and wind shield. All for \$1,000.00.

The standard car manufacturers' guarantee goes on all these cars. This is backed by my own guarantee that all people buying of me will receive liberal treatment and have their cars cared for in a skillful and efficient way.
