CARLETON COUNTY MARKSMEN DO EXCELLENT SHOOTING

Private H. Crandlemire Won Cup in Shoot-Off

Coleman Challenge Shield Won by Carleton County Team—W. H. Crandlemire Makes a Score of 100 and Other Members of Team Deserve Praise for Excellent Scores

Sussex, Aug. 15.—The weather this morning was very satisfactory, the light being good and there being but little wind, but in the afternoon a breeze was fairly strong and the light rather changeable. Chief interest this afternoon centered in the results in the county match, in which several teams were entered. This match was open to teams of eight members from each county in the province and in the competitors were teams from Westmorland, Kings, St. John and Carleton counties. The prize was a challenge shield presented by the J. & A. Colman Company of London, (Eng.), together with \$30 in two awards of \$12 and \$8 for first and second respectively. The winning team was that entered from Carleton county, who shot consistently and well and rolled up the splendid score of 761, while the team from Westmorland and Restigouche counties tied, each having 732. One St. John team had 721 and Kings came next with 707, while the second St. John team had 693.

COLMAN MATCH.

The individual scores in the winning team were remarkably good, being as follows:

L. P. Clarke	91
P. Crandlemire	90
W. H. Crandlemire	100
A. V. Vince	99
W. Balmain	90
B. R. Clark	90
S. J. Burlock	98
S. W. Smith	91

The scoring of a possible by W. H. Crandlemire, was great shooting, while the other scores were deserving of praise as well. The shooting throughout was meritorious.

THE NURSERY SHOOT-OFF.

When the Nursery match was fired on Tuesday several members competed for the gold watch which was offered as first prize. The result was a tie between three members, Pte. H. Crandlemire, of the 67th, A. G. Staples of St. John, and H. M. Smith of Moncton. They shot off this afternoon and Smith proved the winner with a score of 23, the other two having 21 and 22 respectively.

THE LADIES' MATCH.

Following a heavy thunder and lightning storm about midnight the sun again came out bright and clear. Once more favorable weather conditions prevailed during the morning match in the P. R. A. meet and high marks were again a characteristic of the shoot.

The programme included the ladies' match at 800 yards, 10 rounds, for the silver cup, presented by the ladies of the province, and forty-one prizes aggregating \$113. In this contest last year a score of 36 were allowed in, while this morning eight points higher, 44, were counted out, showing the increased efficiency in the shooting.

The winner of the cup will not be known for a while, as four of the members participating tied with such a creditable score as 48, which is higher than the winning score of last year. Those who tied were as follows:—Private H. Crandlemire, Dr. Ellis, Capt. Golding and Private W. Church and Sunday School will be A. Crandlemire. They will have to shoot off to decide as to the winner. In the shoot off Private H. Cran-

dlemire was the winner. He was presented with the cup by Mrs. H. Perley.

The Coleman shield won by the Carleton County team was presented by Mrs. J. S. Frost.

The contingent from Carleton County, nine strong, gave a good account of themselves, and W. Roy McLaughlin, the only one from this county who had never attended before, took second money in the Nursery or Tyro with a score of 34 out of a possible 35 at 500 yards. He did good work in other matches, making 45 out of a possible 50 at 800 yards. A. N. Vince also did excellent work, making the very creditable score of 99 out of a possible 105 at 200 yds., 500 yds. and 600 yds., 7 shots at each distance, besides getting in well along the line. W. A. Crandlemire, with his 100, B. R. Clark 98, S. J. Burlock 96 with a miss out of a possible 105, as well as the other representatives from Mount Pleasant all did highly creditable work.

ADOPT LIBERAL POLICY OR SHOW THEM A BETTER ONE

Say the Government Need Assistance

This Reported to be Attitude of Liberals on Navy Question—Must be Able to Show Better Policy Than That of Sir Wilfrid Laurier

Ottawa, August 16.—The Free Press says to-day: "On the authority and in the words of one of its most prominent leaders, the Free Press is able to state that the attitude of Sir Wilfrid Laurier and the Liberal party to the naval question is as follows: 'We have a policy on this question. We adopted it after mature consideration. The Opposition of that day could not resist the temptation of making capital out of it, and roused all the passions of Quebec and all the passions of Ontario against it. These passions to-day cannot now be reconciled. Hence their call for assistance. We will assist them if they frankly adopt our policy or have a better one to offer. But until they have shown their hand we stand on our platform and adhere to our policy.'"

THE FISHER MEMORIAL SCHOOL

An Appreciative Visitor
Gives Great Praise to
Woodstock's Latest Educational Establishment

Among the visitors in town last week was the Rev. A. B. O'Neill, C. S. C., for many years director of English studies at the University of St. Joseph's College, and, since 1904, one of the editors of the well-known Catholic weekly magazine "The Ave Maria," of Notre Dame, Indiana. Father O'Neill was the guest of one of his old students at Memramcook, the Rev. F. McMurray, and the public-spirited pastor of St. Gertrude's took considerable pride in showing his former professor that, in the matter of civic institutions, Woodstock measures well up to the standard of cities with many times her population.

The Court House and the Hospital duly impressed the Indiana editor, but the building that evoked his warmest admiration and most unqualified praise was the Fisher Memorial School. A thorough examination of the handsome edifice, under the competent guidances of Mr. A. B. Connell and Inspector McGuigan, drew from Father O'Neill many a word of generous encomium. The examination concluded, he declared, that, in the general arrangement and specific detail, in adaptability to the purpose intended, in the perfection of the various appointments ensuring the most excellent hygiene and the maximum of comfort, the Fisher Memorial School is one of the most thoroughly equipped buildings he has ever seen. As Father O'Neill was engaged in educational work for thirty years, and has been a somewhat noted traveller on both sides of the Atlantic, his opinion is of expert value; and his statement that Woodstock's latest educational establishment would be a source of civic pride in such cities as Toronto, Montreal, Chicago or New York, may well impress our young people with a sense of the educational advantage which they are to enjoy when the new school will shortly be placed at their disposal.

SALVATION ARMY LEADER PASSES AWAY

General Booth's Wonderful Career Ended

London, Aug. 20.—The Rev. William Booth, general and commander in chief of the Salvation Army, passed away at 10.30 o'clock tonight. He was born at Nottingham in 1829.

The veteran Salvation Army leader was unconscious for forty-eight hours previous to his death. The medical bulletins had not revealed the seriousness of the general's condition, which for a week past, it is now admitted, was hopeless.

Public interest now centres in the question of a successor to the late commander. Under the constitution of the Salvation Army, the general nominates his successor. That General Booth did several years ago, placing the name in a sealed envelope which was deposited with the Salvation Army's lawyer with the instructions that it should be opened after his death.

While nobody knows what name the envelope encloses, the general belief among the Salvation Army is that the name will prove to be of Bramwell Booth, for thirty years its chief of staff.
