"HOME RUN" SCHULTE PATIENT IN ANGER

FRANK SCHULTE, CHICAGO CUBS

Swiftness of speech and patience in anger have earned Frank Schulte, of the Chicago Cubs, the nom de guerre of "Wildfire." His excellent ball playing also earned him a motor car last year, voted to him by a congress of sincere baseball critics, who were glad when they did it and haven't got over it.

Fredericton With Aid of Umpire Defeats Woodstock

In a game full of noise and excitement the Fredericton team downed Woodstock, Tuesday, by a score of 6 to 4. Leaving out several regrettable incidents, the game itself was a pretty ragged support and was a good one. Both teams were out to win and put up one of the finest exhibitions of ball playing seen here since this season. In the tumult caused by style by his team mates, whose over-zealous fans and hot-headed players many fine plays passed by unnoticed. Both McLaughlin and Harrington pitched creditable ball and it was pretty nearly a draw between them. L. Conley made a spectacular catch that received well merited applause. O'Donnell, as usual, distinguished himself at the bat. Catcher Stone played his position admirably and is undoubtedly a ball player and knows every detail of the game.

The unfortunate occurrence in which Kearney of the Fredericton team figured is a matter of regret, no matter who was to blame. There are several stories concerning the affair, but such incidents, coupled with other features, certainly have a tendency to hurt the game. Woodstock has a good team—many think the best—and it will be too bad if anything occurs to handicap them in their efforts to win the pennant. There are some ugly rumors concerning Evans, especially the part he took in this game, and it is to be hoped that the league officials will make a thorough investigation and clear up, what certainly looks like a pre-arranged plan to favor the Fredericton team.

Umpire Evans who heretofore has been backed by Woodstock is in very bad with them through his work of the day and Woodstock is now yelling as loudly as any other place to let him go.—Mail.

Nothing has been done and no action is likely to be taken by the league officers in the case of Frank Kearney, the local player, who struck an abusive spectator at Woodstock on Thursday. If there had been proper police protection at the Woodstock grounds the class of spectators who Kearney attacked would not have been permitted to hurl abuse such as was thrown at the Fredericton club's peppery shortstop. Some of the papers around the circuit have been panning Kearney, and those who were not there have described it at great length as a disgraceful incident to have a player hitting a spectator. To most people it will appear more disgraceful to have uncouth fans allowed to use obscene language in the presence of women and children in abusing players of a visiting club.—Gleaner.

HOME AND OTHER FIELDS

The Woodstock team is paid off regularly, and the town is sure of having baseball. The directors are not making any kick, but it is a well known fact that the crowds that attend the games are not large enough to keep some one from "digging down." Attend the home games and help the directors in their efforts to provide good baseball.

Above all attend the picnic August 13th.

Williams performed well at third in Thursday's game.

Houlton won two games from St. John last week.

That word "Rotten" is being over-worked at the ball games.

A game between Woodstock and Fredericton is a real attraction.

Dan McMahon is still connected with the team but not as manager.

L. Conley's opportunities to shine in the field were all taken advantage of. One of his catches was a thriller.

Paddy Duff and Jim O'Donnell came to spend the week-end at Fredericton by the river. Some class to those boys!

Fredericton, Woodstock, Houlton, and St. John are all sore on Umpire Evans. Rather looks as if he was elected.—Gleaner.

AFTER THE GAME.

Let the rowdiness have sway and then goodbye to baseball. Kearney once again. The lesson in St. John was not enough.

It is time for the executive to take a firm hold on the situation. A fine does not seem to meet the case.

A great ball game marred by rowdiness.

When the police have to be called to the ball field it is time to ask who is responsible.

Nice exhibition, Mr. Fan, for your wife or daughter.

This Evans matter seems due for adjustment. Either he is wrong or the players are.—Telegraph.

GUARD BABY'S HEALTH IN THE SUMMER

The summer months are the most dangerous to little ones. The complaints of that season which are cholera infantum, colic, diarrhoea and dysentery comes so quickly that often a little one is beyond aid before the mother realizes he is really ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to the mother during hot weather as is Baby's Own Tablets. They regulate the bowels and stomach and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Frockville, Ont.
