

TORTURED FOR THIRTY FIVE YEARS

I really could not live without "Fruit-a-lives"

FRANKFORD, ONT., Jan. 29th, 1910.
"For thirty-five years (and I am now a man over seventy) I have been a terrible sufferer from Constipation. No matter what remedy or physician I employed, the result was always the same—impossible to get a cure. About two years ago, I read about 'Fruit-a-lives' and I decided to try them. I have used 'Fruit-a-lives' ever since. They are the first and only medicine that suited my case. If it were not for 'Fruit-a-lives' I am satisfied that I could not live!" JAMES PROUDFOOT.

The greatest remedy in the world for all forms of Indigestion and Dyspepsia, is "Fruit-a-lives". Doctors as well as hundreds of people proclaim it. "Fruit-a-lives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-lives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

TWENTY YEARS AGO

From Sentinel Columns of March 5th, 1892

LEAP YEAR PARTY.

At the termination of Prof. Peake's dancing school, the ladies who attended the school, invited the gentlemen scholars and a few others to be their guests at a "Leap year party" in Cole's Hall, Tuesday evening last. To say that the issuing of the invitations caused great excitement among the gents, is putting it very mildly indeed. The numerous tailors of Woodstock were at once consulted and the result was the magnificent costumes worn Tuesday evening. Promptly at 8 p.m. the gentlemen with fluttering hearts, timidly piled out of the dressing room and with becoming modesty seated themselves around the hall. Then came a very anxious half hour for the guests viz, the selection of partners, suppressed excitement was visible on their fair faces and in the imploring glances cast at the ladies as they passed by smiling wickily, perhaps, as they hear a poor nervous gent (to whom they owe one) remark to his neighbor "Oh dear, I hope I won't be a wall-flower the first dance anyway." At eight thirty the grand march started, and it was then the rich costumes of the gentlemen showed to advantage. From this dance until the last it was one "whirl" of pleasure. The hall was prettily decorated, the supper, all that could be desired, the music (furnished by Miss Werner) was exquisite and as

the guests started for home (gallantly escorted by the ladies) in the wee sma' hours, the party was voted to have been the most pleasant of many seasons. Great credit is due the committee in charge especially the floor managers, Misses Augherton, McCormick and Townsend, who performed this arduous duty, with grace and tact. In regard to who was "Beau" the honors were evenly divided between five or six gentlemen. The costumes were so bewildering that we will only try and describe a few of the most remarkable.

LIST OF COSTUMES.

Mr. A. McKenzie looked charming in a handsome costume of red satin over black broadcloth. Queen Ann collar, ornaments diamonds.

Mr. John Frapp, black, trimmed with cardinal ribbons, white satin tie, ornaments gold.

Mr. Geo. Frapp, handsome costume of black, with blue and white ribbons, ornaments natural flowers.

Mr. A. Carr, black checked coat and vest, slate colored pants, yellow and black necktie, ornaments brilliant.

Mr. L. Dibblee, lovely costume of blue satin over black; ornaments of gold.

Mr. Norman Loane, one of the rose buds of the evening, looked sweetly pretty in a handsome costume of black trimmed with crimson lace and ribbons.

Mr. F. Tilley, elegant costume of blue satin, sailor collar, ornaments gold.

Mr. T. Thistle, black trimmed with black ribbons, lovely dark colored tie. Mr. J. P. Watts, another rose bud, looked simply lovely in a very fetching costume of blue satin sash and ribbons, over black, ornaments pearls.

Mr. M. Walker, handsome costume of pink, white tie.

Mr. Woadside Loane looked sweet in a costume of black trimmed with pink ribbons, ornaments caruncles.

Mr. R. Lee, garnet sash and ribbons over black underdress, ornaments natural flowers.

Mr. M. Boyer, beautiful costume of old rose satin, over black broadcloth ornaments diamonds.

Mr. Williams, white satin sash and ribbons, ornaments gold.

Mr. C. A. Burpee, lovely costume of pink satin over black tinted tie, patent leather slippers, ornaments gold.

Mr. B. Balmain black with white sash and ribbons.

Mr. L. Abbott, black with wine colored sash; white satin tie; ornaments, natural flowers.

Mr. J. Gibson, plain but very rich costume of black simply adorned by his beautiful complexion, ornaments diamonds.

Mr. J. McKenzie looked very stately in a costume of black with cardinal sash and ribbons, which set off his dazzling complexion to advantage. He carried a handsome bouquet of onion tops.

Mr. Jim Wilbur was very fetching in a costume of seal brown, V shaped vest, whiskers cut a la Newburg.

Winter weather roughens and reddens your skin, causing chaps, chilblains and general discomfort, try

NA-DRU-CO Witch Hazel Cream

The creamy ingredients soothe and soften the outer skin, while the Witch Hazel penetrates and heals the deeper tissues. Delightful after shaving or washing. 25c. a bottle, at your druggist's.

NATIONAL DRUG AND CHEMICAL CO. OF CANADA, LIMITED. 185

Mr. T. W. Murphy pink sash and ribbons over black, trimmed with pink illusion, pink satin tie and fan, pink satin bows on black slippers.

Mr. A. Fields looked captivating in a bewildering costume of white nuns veiling made a la Queen Elizabeth, ornaments.

Mr. H. Dewar, black demi dress coat, V shaped vest, dark pants, white crepe tie ornaments tiger-eye.

The ladies present were: Mrs. J. Loane, Mrs. Abbott, Mrs. J. Foster, Mrs. McLean, Mrs. W. Gilman, Misses Augherton, Townsend, McCormac, Hendry, Gilman, Whennan, Fournier, Werner, Hanson, Hume, Tilley, Gibson, Brewer, Doncho, McNinch, Boyer and Hayden.

BASEBALL NOTES

Elmer Zacher and "Lazzy" Hoffman, former Connecticut leaguers, tried a new stunt the other day at Oakland, Cal. While an aviator was sailing above they tried to catch oranges which he dropped from an altitude of 550 feet. Both players failed in the test.

The 300-level and tossed baseballs to Zacher, who caught the second one.

"Foot" Ruel has been traded by Manager McCann of the Bridgeport club for Outfielder Frank Carroll of the Troy club of the New York state league.

The Wall street district is doing what it can to checkmate the move for the starting of New York baseball games at 3:30 o'clock instead of 4, the hour that has prevailed for years. Yesterday a list, containing 400 names of members of the stock exchange, was posted on the floor in direct opposition to any change in time. There are 1100 operators in the exchange, and of these more than half, it is expected, will affix their signatures to the petition. Members of the other exchanges are said to be working in harmony with those of the big exchange. The brokers claim their patronage will be largely lost by the clubs if the time of starting the games is advanced, as their business prevents them starting on the 45-minute trip to the grounds until after the exchanges close at 3 o'clock.

Pitcher "Bill" Powers, the former North Adams twirler who was with Holyoke and Hartford last season, will be with the Mobile club this season. Mickey Finn is manager of this club. Powers was recently awarded the Kewanee, Ill. club of the Central association but Finn arranged a deal whereby he traded an infielder for Powers. Powers has pitched several games in this city against the Pittsfield team.

Roy Campbell, who played shortstop on the Pittsfield baseball team a portion of last season, will go to Haverhill this year. Last season Campbell signed up with Haverhill while in this city but was loaned to Albany. The latter club has been turned over to the New England league club will give him up. Campbell has been playing soccer football this winter.

"Chick" Evans, the former Pittsfield and Hoosick Falls twirler, has been turned over to the Syracuse New York state league club by Montreal of the international league.

Don't Forget These Things

Don't forget to give your pets plenty of water. When drinking places are frozen up many animals suffer with untold agonies from thirst.

If the dog isn't about don't put his food out until he comes. If you do it will freeze and then he won't care for it. Would you like to eat frozen food in cold weather?

If you see a horse standing unblanketed seek the owner and ask him to throw a warm covering over the shivering animal. It is very cruel to let a horse stand unblanketed in cold weather.

See that all animals and fowls have good warm quarters. If you don't do this they will be suffering from cold while you are tucked snugly in bed these bleak nights.

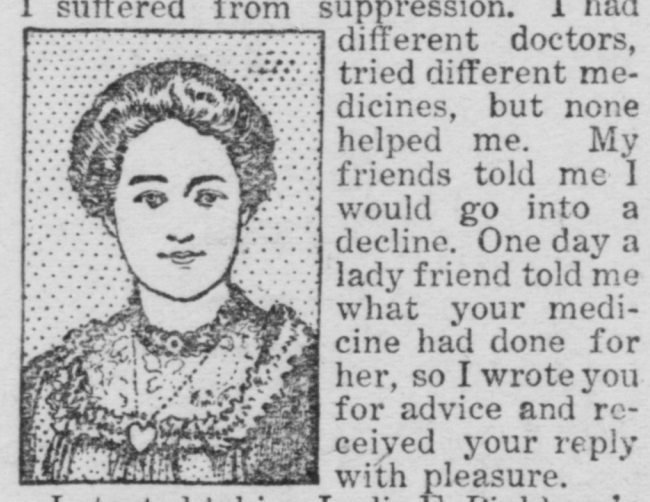

Beeswax is always in good demand, and the wise beekeepers save every scrap of it.

Cut back last year's growth of red and white currants about one eye; also gooseberries, leaving a leading shoot of about three inches on each branch.

AFTER DOCTOR'S FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Midgie Station, N. B.—One can hardly believe this as it is not natural, but it was my case. For ten months I suffered from suppression. I had

different doctors, tried different medicines, but none helped me. My friends told me I would go into a decline. One day a lady friend told me what your medicine had done for her, so I wrote you for advice and received your reply with pleasure.

I started taking Lydia E. Pinkham's Vegetable Compound, and at the second bottle showed improvement. Now I am regular and never was so well in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of others.—MRS. JOSIAH W. HICKS, Midgie Station, N. B.

Indian Head, Sask.—Lydia E. Pinkham's Vegetable Compound is indeed a boon to women who suffer from female ills. My health is better now than it has been in my five years of married life and I thank you for the good your advice and medicine have done me. I had spent hundreds of dollars on doctors without receiving any benefit.—MRS. FRANK COOPER, Box 448, Indian Head, Saskatchewan.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.

Are there any adequate reasons why there should not be more sheep kept in your district, and, if so, what are they?

It is an absolute myth that stones grow when covered by earth in the soil, and the belief belongs to the same age as when people believed that the sun went round the earth. The explanation of the belief probably lies in the fact that the quantity of stones in an acre of soil is much greater than is usually supposed.

Food Lacks Variety—Ill Health Frequent

Everything one eats in town comes from the country, yet the farmer's table shows the least variety and his wife undoubtedly works the hardest. In the sweeping arraignment Mrs. J. Y. Tate gives the cause of her ill-health: "I lost my appetite, gas formed in the stomach and caused great distress. A sense of fullness or distension, with aching pains in the left shoulder blade and back, inflicted further suffering upon me. My system was sluggish, and with other troubles incident to woman, my state was miserable. I use to wish for that and that to eat, but a farmer's table is mostly for well folks. It was a good thing I heard of Dr. Hamilton's Pills—they fixed up the stomach some, and then I could eat. By acting splendidly upon the system, my blood was made pure, and I got color and strength. In a few weeks I had no more gas, nor the full feeling—everything seemed to get right all at once. I can eat anything now, do my work and feel life worth living."

Don't fail to use Dr. Hamilton's Pills—they are the right medicine to make and keep you well. At all dealers, in 25c boxes, or the Cattaraugus Co., Kingston, Ont.

FARMER'S WIFE'S STORY

Food Lacks Variety—Ill Health Frequent

Everything one eats in town comes from the country, yet the farmer's table shows the least variety and his wife undoubtedly works the hardest. In the sweeping arraignment Mrs. J. Y. Tate gives the cause of her ill-health: "I lost my appetite, gas formed in the stomach and caused great distress. A sense of fullness or distension, with aching pains in the left shoulder blade and back, inflicted further suffering upon me. My system was sluggish, and with other troubles incident to woman, my state was miserable. I use to wish for that and that to eat, but a farmer's table is mostly for well folks. It was a good thing I heard of Dr. Hamilton's Pills—they fixed up the stomach some, and then I could eat. By acting splendidly upon the system, my blood was made pure, and I got color and strength. In a few weeks I had no more gas, nor the full feeling—everything seemed to get right all at once. I can eat anything now, do my work and feel life worth living."

Don't fail to use Dr. Hamilton's Pills—they are the right medicine to make and keep you well. At all dealers, in 25c boxes, or the Cattaraugus Co., Kingston, Ont.

Beeswax is always in good demand, and the wise beekeepers save every scrap of it.

Cut back last year's growth of red and white currants about one eye; also gooseberries, leaving a leading shoot of about three inches on each branch.

See that all animals and fowls have good warm quarters. If you don't do this they will be suffering from cold while you are tucked snugly in bed these bleak nights.

RECORD OF CONCRETE

(From Brick and Clay Record.)

Through the eagerness of the cement manufacturers to dispose of their product, the public has been beggled into many erroneous beliefs regarding its value and the uses for which it is practical. The material is urged upon the public for every sort of use from the construction of fence-posts to the making of roofing tile. Even the great Edison was "stung by the cement bug" and made recommendations for a form of residence construction which after two years of experimentation has proven entirely worthless.

It is needless, however, to enter into any arguments regarding the cement and concrete fallacy. The record speaks for itself, and in the following partial list of concrete collapses and disasters can be found all the evidence that may be desired to prove the serious danger of concrete bridge construction.

New York City, March 9th, floors of seven-story concrete building near Lexington Hotel, collapsed.

Williamsport, Md., Dec. 16th, four killed and several injured in collapse of concrete bridge.

Peoria, Ill., May 10th, \$225,000 concrete bridge collapsed. In use only three weeks.

Winnipeg, Man., Aug. 16th, one killed, several injured in collapse of \$50,000 reinforced concrete apartment building.

Chicago, Ill., July 23rd, one man killed, five injured by the collapse of concrete floor at Cook County Infirmary.

New York City, April 28th, large number of people seriously injured in collapse of concrete floor of Metropolitan Theatre.

This list of failures is incomplete and does not include the very large number of cement sewer pipe and drain tile failures which have been reported during the last three years, nor the large number of minor collapses, not considered sufficiently important to deserve mention.

We do not wish it understood that we disparage the value of Portland cement as a useful and valuable material. On the other hand, much of our modern progress has been due to the adoption of this material for a large variety of uses for which it is particularly suitable. We do protest, however, against the exploitation of cement for uses for which it is unsafe and unsuitable, and when it is liable to become a menace to life and property.

MISS MAUDIE HENDERSON GRADUATE

Woodstock School of Music

Is prepared to take a limited number of Piano Pupils. For particulars apply to Miss Henderson, at her home, Orange street.

Tenders For School Building

Tenders will be received until April 1st, by the undersigned, for the construction of a School Building at Benton, District No. 23 A. Plans and specification can be seen at the Sentinel Office, Woodstock. For further information apply to E. M. LAVERTY, Sec'y Trustees, Benton, N. B.

He also sells a splendid tonic for itching scalps and falling hair. He can be seen at the residence of Mrs. Winslow, hairdresser, Regent Street 1 month.

Any Edison dealer will demonstrate to you how Thomas A. Edison doubled the entertaining capacity of

The Edison Phonograph

when he invented

Edison Amberol Records

—the record which plays twice as long

Then you will understand why so many good songs, so much good music of every character never appeared in record form until the Amberol Record was perfected.

Then you will understand how, when you own an Edison Phonograph, you can now have all of the very best entertainment of every kind.

Then you will understand how this one advantage makes the Edison Phonograph the greatest sound-reproducing instrument as well as the greatest musical instrument—even if it had no other advantages. But it has: the sapphire reproducing-point, that does not scratch or wear the record and lasts forever—no changing every month.

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us. Edison Phonographs, \$16.50 to \$240.00. Edison Standard Records, 40c. Edison Amberol Records (play twice as long), 65c. Edison Grand Opera Records, 85c to \$2.50.

A complete line of Edison Phonographs and Records will be found at

A. E. JONES & Co. King St.
