

## INTERESTING ITEMS FROM OUR STAFF REPORTERS

### BENTON

February cold and unpleasant so far in this community and very sickly.

Our teachers had a school concert and weighing party. It was well attended; had a good time all around and realized the sum of \$22.80.

There are lots of hauling doing, pulp wood and cord wood; all kinds of wood piling up everywhere.

The death of Mr. Charles Wright, aged 84 years, occurred on Friday morning. He was buried on Saturday morning. His family were all at Benton to attend his funeral. He has two daughters living at Benton, Mrs. Thomas Anderson and Mrs. Havelock Stairs, and one son Norman.

The death occurred on Saturday at 3 o'clock of Mrs. Lydie, relict of the late Nicholas Haslett, aged 76 years. She was well cared for by her son Vernon Haslett. Her daughter, Mrs. Nevers Dow of Houlton, was attending her. Death was due to a bad fall on the ice three weeks ago. She had a large family in different places. All called home to attend her funeral on Tuesday afternoon. She was an excellent neighbor and will be much regretted by all.

Another deposit of coal for Connors Bros. of the Valley Railroad. It seems a good long haul. They seem to have lots of horses and men.

One of our young men was lost lately, but appeared after a few days, safe and sound.

St. Valentine has been busy this year as usual. Some of our bachelors received more than their share.

The talk about the Tobique railway seems to have died out. It is too bad we cannot have railway facilities on the upper Tobique. With our natural resources and means of rapid communication Tobique would soon become one of the most prosperous places in the province.

Come M.P.P.'s or M.L.A.'s give us a railway, the icy roads such as we have had this winter were a great trouble to us.

### In New York Society

In gay New York, where women get ideas from their foreign sisters, the hair tonic called PARISIAN Sage at 50 cents is in great demand.

PARISIAN Sage is the discovery of a well known scientist, and he claims most emphatically that it is the only hair preparation that will kill the persistent dandruff germs.

At any rate The R. T. Booth Co., Ltd., of Fort Erie, Ont., Canadian manufacturers of PARISIAN Sage, give out through E. W. Mair this guarantee, the strongest ever given:

"We guarantee PARISIAN Sage to end dandruff in two weeks; to stop falling hair; to make dull, lifeless and colorless hair beautiful and luxuriant; to cure all itching diseases of the scalp, or money back."

is the direct and inevitable result of irregular or constipated bowels and clogged-up kidneys and skin. The undigested food and other waste matter which is allowed to accumulate poisons the blood and the whole system. Dr. Morse's Indian Root Pills act directly on the bowels, regulating them—on the kidneys, giving them ease and strength to properly filter the blood—and on the skin, opening up the pores. ### ANDOVER.

The Andover Book Club held a very delightful "At Home" on Thursday evening, Mrs. Jas. Tibbitts entertaining. The meeting opened by the reading of the minutes, roll call responded to by current events, after that came a debate "Resolved—would Woman's Suffrage be a benefit to our country," the affirmative was led by Miss Welling, supported by the Misses Kelly, Pringle, McPhail and Mrs. Reed Bedell. The negative was led by Miss Bessie Kilburn supported by Mrs. McPhail, Mrs. Wm. Spike, Mrs. Benj. Beveridge and Miss Gillett. Miss Welling made a splendid appeal on behalf of woman's suffrage; very ably handling her subject. At the close the judges Mr. Elliot, Mr. McPhail and Mrs. Tibbitts retired and returning gave their decision in favor of the negative. Next followed a piano duet by Mrs. Ben Beveridge and Mrs. Wm. ## A WOMAN'S WISDOM.

The worried mother wakes up to hear her baby's heavy breathing—a little cough—perhaps the croup or whooping cough. She does not want to send for the doctor when perhaps the trouble does not amount to much. Finally she thinks of that medical book her father gave her, The Common Sense Medical Adviser, by R. V. Pierce, M. D. She says "just the thing to find out what is the matter with the little dear." Two million households in this country own one—and it's to be had for only 31c. in stamps—1,000 pages in splendid cloth binding. A good family adviser in any emergency. It is for either sex. This is what many women write Dr. Pierce—in respect to his "Favorite Prescription," a remedy which has made thousands of melancholy and miserable women cheerful and happy, by curing the painful womanly diseases which undermine a woman's health and strength.

"My desire is to write a few lines to let you know what your valuable medicine has done for me," writes Mrs. MARGARET ZIMMER, of 223 S. Benton Street, Baltimore, Md. "Before the store came to our house I was a very sick woman. I wrote you for advice which was kindly given and which made me a different woman in a short time. After taking the first bottle of 'Favorite Prescription' I began improving so that I hardly knew I was in such a condition. I did my own housework—washing and ironing, cooking, sewing, and the worst of all nursed three children who had whooping cough. I hardly knew of the advent ten minutes before—so easy was it. The baby is as fat as a butter-ball. Dr. Pierce's Favorite Prescription is the best medicine for any woman to take when in this condition. I recommend it to all my friends."
