OBITUARY

MRS. WILLIAM WATSON

On the 27th of July, 1913, the spirit of Mrs. William Watson, Littleton, Maine, ascended to be forever with the Lord whom she loved and humbly and willingly served. For about two years past she has been more or less laid aside by illness and for her it was "sweet release." She is survived by her husband, one son George, and Mrs. Wm. J. Henderson of Littleton and Mrs. J. W. Kirkpatrick of Debec. She lived in the affection of those nearest and dearest. She had in an unstinted measure the care and attention of her husband and children. Her pastor visited her from time to time and was much edified to witness the cheerfulness and resignation manifested as she reposed in her Saviour Jesus Christ. The last tokens of respect were paid when a large number gathered to her funeral, attended by Rev. Mr. Davis and Rev. K. McKay of Houlton. Her body was laid to rest in the Houlton cemetery.

Our dear mother's chair is vacant,
In the lonely grave she lies;
She has gone to be with Jesus,
And the Angels in the sky.

She has gone to meet the loved ones
Who have gone awhile before;
They are waiting, watching for her,
Over on the other shore.

Dearest mother you have left us,
And your loss we deeply feel;
Mourning here your long, long absence,
It is hard to say farewell.

Though your place on earth is empty,
And you come to us no more,
When we meet again dear mother,
Death and parting will be o'er.

Pretty Wedding at Plaster Rock

Plaster Rock, Aug. 5.—A quiet but pretty wedding was solemnized at the home of Mr. James Lochart, of Maple Ridge, on Wednesday, August 6, at 8 p.m., when their daughter, Cora Maude, was united in marriage

to Wallace H. Green, of Woodstock. Only the immediate friends and relatives of the bride and groom were present. The ceremony was performed by the Rev. A. A. Rutledge, of Temperance Vale, N. B.

The bride entered the parlor on the arm of Mrs. Perley Giberson, sister of the groom, and the groom was supported by Perley R. Giberson, of Plaster Rock, while the wedding march was being played by Miss Mildred Green of Plaster Rock, sister of the groom.

The presents consisted mostly of checks, which were many and substantial. The happy couple left the next morning for Plaster Rock, where they will spend a few days before going to Nova Scotia, where the groom has accepted a position with the Baird Co., Ltd., of Woodstock, as travelling salesman.

The bride was becomingly attired in Duchess satin, with pearl trimmings.

An Appalling Condition

Invariably results when you use a cheap corn salve. Be judicious, use "Putnam's," for fifty years it has cured corns and warts that nothing else can touch. Ask for Putnam's Painless Corn Extractor, only 25c. at all dealers.

Remember the Fort Fairfield races Aug. 19-20. The entries are the best and attracting much attention.

Minard's Liniment Co., Limited. Gentlemen.—I have used MINARD'S LINIMENT on my vessel and in my family for years, and for the every day ills and accidents of life I consider it has no equal.

I would not start on a voyage without, if it cost a dollar a bottle. CAPT. F. R. DESJARDIN, Schr. "Storke," St. Andre, Kamouraska.

Re—the railroad a successful line, has been found required by the C. P. R. with the grade, crossing at Frazer's Mill and intersecting the line 3 miles up from Plaster Rock. There are still some changes to make yet, especially at Fred Watters 16 miles above Plaster Rock. Mr. John E. Stewart met and interviewed one of the Engineers last week in St. John, and he finds everything satisfactory as far as it has gone but it will still take a few weeks to finish the changes to be made.

BETTER THAN SPANKING.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 824 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

At the Summer School of Science at Halifax the prizes offered by the Carleton County gentlemen were won as follows: That of F. B. Carvell, \$20, Bessie Maxwell; Hon. J. W. Flemming, \$10, Agnes Sharp; G. L. White, \$10, Jessie Tedlie of Lower Brighton.
