Nominations are coming in. Mr. E. G. Mallory has our thanks for late Oklahoma papers. Pretty good array of candidates. More are coming. Very little farming has been done on account of the cold and backward weather. The Sentinel contest opens well. Are you interested in any of the useful prizes? Bailey Bros. have a few lines of shoes at remarkably low prices. Call and see them. Only one tender was received for painting the town hall, and it was decided to issue another call later. Don't fail to see Price Webber and his excellent company, Saturday night, 24th inst., at Hayden Gibson theatre. Fishermen returning from nearby resorts report only fair luck. Some good sized fish have been caught at Skiff Lake. One of Gibson's tailor-made suits always in order in most fashionable circles. Be sure and go to Dalling's Jewelry Store on Saturday, May 31st, for the 25 per cent. discount. The attention of our readers is directed to the advertisement of R. L. Phillips, who tells an interesting story of the popularity of the Ford Automobile. Local buyers are paying \$1.40 for potatoes with only a few coming in, as most of the farmers are busy putting in their crops.—Houlton Times. Will writer of letter signed "Hospital" please call at this office. The Sentinel has no objection to publishing the communication, but some assertions might be explained more in detail. Kennedy & McDonald made record time in moving their engines and other apparatus from the C. P. R. to their works on the Valley railway. The work was well planned and carried out without a hitch. The automobile that is to be given away June 3rd was on the street Saturday and attracted a lot of attention. It is a splendid car and the holder of the lucky ticket will be a very much envied individual. Work on the library and agricultural college is progressing satisfactorily. Quite a crew of men will be put on when active building operations are started, which will be very soon as the digging for the walls is about done. The new shoe repairing machine in J. P. Hull's shop is giving good satisfaction and the proprietor has already solved the problem of manipulating the affair, and is turning out first class work on the shortest notice. Capt. Whalen, senior officer of the Newcastle Field Battery, is not to succeed the late Major Lawlor. The Battery has been nominally disbanded, Capt. Whalen retiring, and Lieut. Randolph Crocker has been placed in charge as provincial Major. Arrangements are about completed for the big FIELD DAY, June 3rd. The program will soon be published and everything points to one of the biggest events in the history of the town. The McLaughlin-Buick touring car will be given away on that day, which will add to the interest of the occasion. A purse of a thousand dollars in gold with an address, was the gift of the congregation of the Cathedral of the Immaculate Conception, St. John, Sunday night, to Rev. Arthur W. Meahan, D. D., parish priest, who on Tuesday evening left for St. Andrews, where he has been appointed parish priest to fill the vacancy left by the transfer of Father Flaherty to St. Stephen. The Salvation Army Brass and String Band from Woodstock will put on a first class concert in the Hall at Debec Junction, next Monday evening, May 26th. The musical Wilcox family will be heard on many different instruments, and in their beautiful singing. Tickets 25c., and 15c. for children under twelve. Don't miss this great treat. The Army doesn't come your way very often. F. B. Herick, the teacher of the 67th regt. band, left town last week on business connected with the baseball field day, June 3rd, and did not return. Letters received since his departure would indicate that he had tired of Woodstock and was en-route to the land of the free. He was quite popular among the musical clement and was apparently quite satisfied with his work and it is somewhat difficult to account for his strange leave-taking. Save your votes for your favorite candidate.

It is rumored that an active crusade will be made against the sale of cigarettes to minors. Now is the time to get your nomination in for the big Sentinel contest. Don't delay. In the opening games of New Brunswick and Maine League Fredericton and Calais were the winners. Gibson & Ross will sell a Man's High Tan Boot for \$2.85 on Saturday, May 24. H. E. Squires was appointed principal of schools at a meeting of the board Monday night. Some other changes are contemplated in the teaching staff. Papers in the arbitration cases of Charles Williams and the Upham Lumber Company versus the St. John and Quebec Railway, have been served and a hearing will soon be heard. The improvement on the appearance of the Bank of Nova Scotia front, is positive proof of the merit of paint. Several buildings in the business district could be much improved by undergoing the same treatment. Rev. F. B. Seeley now of Jacksonville, writes of a donation of \$85, received from friends at Norton just before his leaving that pastorate. He says: "Though late in making this public acknowledgment, he wishes to say that he will always have a warm spot in his heart for the thoughtfulness and consideration of the Norton friends, not only upon this but upon other occasions." The case of the King versus Goodrich Godsoe on complaint of William Kennedy was tried before police magistrate Holyoke Saturday. The case was the result of tearing down a fence. After hearing the evidence and address of counsel the magistrate took the matter under consideration. Thane M. Jones appeared for Godsoe and T. C. L. Ketchum for Kennedy. The Postmaster has the following letters all addressed to Carleton County, New Brunswick, which he will be glad to deliver upon request to their respective addresses:— John Black from Lowell, Mass. Mrs. Lizzie Bowyer from Caribou, Maine. A. E. Andrews from Norwich, Eng. Master E. Davis from England. Mrs. Parker Dewitt from Monticello, Me. Mrs. Jennie Worman from Depot Harbor, Ont. A man named Robinson was badly injured in Dickinson's tannery Tuesday. He was working near one of the driving belts and slipped falling in such a manner that the belt fastener struck him on the head. It was seen that he was badly injured and Dr. Grant was summoned. On examination he found a fracture of the skull and ordered the man's removal to the hospital where an operation was performed. Although the injury is very serious the man will recover. A Van Buren despatch to the Bangor Commercial says:—"Word has been received in Van Buren that the entire log drive on the upper St. John waters is hung up in the vicinity of Seven Islands for the lack of water in the river. There are about 30,000,000 feet of logs in this drive. The men on the drive have been discharged and sent home, the logs being abandoned for the present."

SUDDEN DEATH OF REV. E. K. GANONG

(Moncton Times) Many friends and acquaintances will be painfully shocked to learn of the death of Rev. E. K. Ganong, who passed away very suddenly last evening, while calling at the residence of J. E. Wetmore on Church street. Mr. Ganong, who was in the employ of The Times as traveling representative, had been up to his home in Kings county for Sunday and returned to Moncton on the C. P. R. Monday afternoon. He had intended leaving today on a trip into the country districts, and last evening about 7.30 called at the residence of J. E. Wetmore, proprietor of the Globe Laundry on Church street. Shortly after entering Mr. Wetmore's house, Mr. Ganong complained of a distressed feeling, saying he had eaten a hearty supper. He was suffering so much that he laid down to rest, and Doctor MacNaughton was summoned. After the doctor had prescribed for him, Mr. Ganong felt considerably better. About 9.30 however, Mr. Ganong, after having remarked to Mr. Wetmore that he was feeling much better, suddenly took a weak spell and collapsed. Doctor MacNaughton was again hastily summoned and the stricken man was still alive when he arrived, but he passed away quietly in a few moments. Mr. Ganong was about fifty-one years old and born at Long Point, Kings county. He married L. Adelia Kierstead, May 24, 1886, and is survived by his wife, one daughter, Jean, at home, and one son, Carsey, Western Union operator at Charlottetown. Deceased was an ordained Baptist minister and during his long ministry he held pastorates in many sections of New Brunswick and Nova Scotia. On account of failing health he left the ministry and afterwards was engaged as travelling representative of several newspapers, among them the Telegraph and Times. The deceased had suffered with heart trouble for years, but of late he had apparently been enjoying better health than for some time past. He was well known throughout the counties of Kings, Westmorland and Albert and many friends will deeply regret to learn of his sudden demise, which comes as a severe blow to his family.

Last night the remains were taken in charge by Funeral Director Tuttle and will probably be forwarded to his late home at Long Point, Kings County, where interment will take place, probably on Thursday. Moncton, May 20—After a funeral service conducted this afternoon by Rev. G. A. Lawson, pastor of the First Baptist church, the body of the late Rev. E. K. Ganong was taken to his former home in Kings county for interment. The service was attended by many friends of the deceased in this city.
