## Good Blood The Secret of Health

To be Healthy You Must Keep Blood Rich, Red and Pure

Dr. Williams' Pink Pills are useful in any disease caused by thin or impure blood, and the list of such diseases is astonishingly large. Anaemia literally means a condition in which the blood is thin and watery. Chlorosis is a form of anaemia most common to growing girls. In rheumatism the blood becomes thin more rapidly than in any other disease. After an attack of la grippe or acute fever the blood is always thin and impure, and Dr. Williams' Pink Pills are the tonic to use during convalescence. When the blood is poor and thin the stomach suffers. The food ferments, gas and certain acids form and the trouble is pronounced indigestion or dyspepsia. The nerves receive from the blood all of their nourishment to keep up their energy and repair waste or damage. Some forms of paralysis are caused by thin blood. The progress of locomotor ataxia is stopped in many cases when the blood is made pure, rich and red. This is only a partial list of the troubles having their origin in impure, watery blood, and all can be cured by supplying the blood with its missing constituents. This is exactly what Dr. Williams' Pink Pills do. Their chief mission is to make rich, red blood, and this good blood reaches every organ and every nerve in the human body, thus driving out disease and bringing renewed health and strength to thousands of weak, despondent people.

Ask your neighbors. There is not an inhabited corner in Canada where Dr. Williams' Pink Pills have not restored some sufferer, and all over this country there are grateful people who do not hesitate to say they owe health—in some cases life itself—to this great medicine. If you are ailing begin to cure yourself today by using Dr. Williams' Pink Pills. Sold by all dealers in medicine or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

## MARRIED

## BURTT-McCALLUM.

The residence of Mr. Alonzo McCallum, Dominion Street, Truro, was the scene of brightness and joy on Tuesday evening, Sept. 30th, when his daughter, Myrtle E., was joined in marriage to Ernest H. Burtt of Woodstock, N. B.

The drawing-room was artistically decorated with palms, ferns and marguerites, the colors being green and white. Many of the friends of the contracting parties had assembled to share the festivities and manifest their deep interest in their welfare.

At 8.30 p.m. the silence was broken by the strains of Lohengrin's Wedding March, played by Mr. Stafford McKenzie, and the bride appeared leaning on the arm of her father. She was charmingly gowned in white silk; wearing a gold necklace, to which was attached a sun-burst of pearls—the gift of the groom.

The marriage service was celebrated by Rev. J. Strothard, pastor of Pleasant Street Methodist church, of which church the bride is a highly esteemed member.

After the ceremony dainty refreshments were served.

The bride was the recipient of many beautiful and useful presents. Her travelling costume was of tan cloth with hat and cloak to match.

A large number of friends accompanied the happy couple to the station, where they took the 10.55 p.m. train for St. John, N. B., followed by the best wishes of many friends for a prosperous and happy life.

Mr. and Mrs. Burtt will take up their residence in Woodstock, N. B.

## ALLEN-BARTER.

On Oct. 1st a wedding of interest was solemnized in the parlor of Mrs. Logan, No. 4, Charles street, St. John, N. B., by Rev. W. P. Dunham, when he united in marriage William Lewis Allen of the I. C. R. staff, Moncton, and Miss Jennie Laura Barter, eldest daughter of S. G. Barter of Avondale, N.B., and formerly a music teacher at McAdam.

The happy couple will reside in Moncton.

Bowling alleys have been added to the towns amusements and are already proving a popular pastime. Mr. R. Welch is the owner of the new alleys and it is quite evident that his venture will be a successful one, as the patronage already extended indicates a successful season.

The opening was held Friday night and was attended by many of the prominent citizens, some of whom are old time bowlers. It was the general verdict the alleys were first class and complete in every detail. The following gentlemen "started the balls rolling" and their efforts resulted as follows:

## TO BENEFIT OTHER SUFFERERS

You May Publish My Letter About "Fruit-a-tives"

Mr. Jones is proud to acknowledge the great debt of gratitude he owes "Fruit-a-tives". He is glad to have his letter published in order that other sufferers may be induced to try these wonderful tablets made of fruit juices.

SARNIA, ONT., FEB. 5th, 1911

"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors, but derived no benefit whatever. Finally, I read an advertisement for 'Fruit-a-tives'. I decided to give 'Fruit-a-tives' a trial and they did exactly what was claimed for them. I have now taken them for some time and find they are the only remedy that does me good. I have recommended 'Fruit-a-tives' to a great many of my friends, and I cannot praise these fruit tablets too highly."
