### MARRIED

**McCLASKEY-KING.**  
Calais, Me.—The home of Mr. and Mrs. Hezekiah King was the scene of a very pretty wedding Wednesday afternoon, September 17th, when their only daughter, Harriett May, was united in marriage to Claude E. McClaskey of Woodstock, N. B. Promptly at 2 o'clock to the strains of Mendelssohn's wedding march, played by Mrs. Fred Smith, the couple entered the parlor and took their places beneath an arch of evergreen and white. The bride was charmingly attired in a rich gown of cream laces and carried a bouquet of sweet peas. The groom was dressed in the conventional black, with a white vest and pearl gray tie.  
The ceremony was performed by the Rev. Charles F. King, M. A., of Woodstock, N. B., brother of the bride, assisted by Rev. Benj. W. Corliss, Pastor of the local Advent Christian Church. The double ring ceremony was used.

Immediately after the ceremony refreshments of ice cream and cake were served by the Misses Eva McDonald, Mabel Wilkins, Edith Wilkins and Mrs. George Wilkins. The happy couple left on the 5.15 train amid a shower of rice and confetti, and followed by the wishes of a host of friends, for a brief sojourn in Northern Maine before taking up their residence in Woodstock, where Mr. McClaskey has a position as bookkeeper with J. D. Dickinson & Sons.

The bride wore a travelling gown of blue satin messaline with gray coat and hat to match. The presents were numerous and costly and showed the esteem in which the young couple are held.

#### Wedding at Oakville

A very pretty wedding was solemnized in St. Marks church on the afternoon of Sept. 17, when the rector, Rev. A. W. Teed, united in marriage Miss Jennie Kathleen Briggs of this place, and Mr. Hedley Lawrence Cheney of Lindsay. The church was completely filled by the many friends of the young couple who had come out to witness the ceremony.

The bride wore a gown of white crepe meteor with veil and wreath of orange blossoms and carried a bouquet of white chrysanthemums and maiden hair fern. She was attended by Miss Fannie Bell who was gowned in pale blue silk with hat to match. The groom was attended by Mr. Wilbur Kidney of Weston.

After the ceremony the party drove to the home of the groom in Lindsay where a most delicious supper was served to the guests. The bride received some most beautiful presents of which the following is a list:

Mr. and Mrs. Wm. Cheney, Mantel clock; Miss Pearl Cheney, cold meat fork; Mrs. J. A. and Miss Velma McLellan, cold meat fork; Mr. and Mrs. Alfred Bell, butter knife; Master Wendall Bell, glass bon bon dish; Mr. Harry Cutcliffe, Old Town, water set; Miss Fannie Strong, water set; and Mrs. Wm. Achison, silver biscuit jar; Mrs. Thos. Briggs, china berry set; Mr. and Mrs. David Bell, tapestry floor rug and fancy holders; Mr. and Mrs. Robt. Bell, tapestry rug; Mrs. C. F. McCluskey, Woodstock, silk mantel drape; Mrs. Thos. Bell, fruit dish; Mr. Wilbur Kidney, silver pie knife; and Mrs. Scott Fullerton, Monticello, commode set; Mr. E. L. Carter, twenty dollar gold piece; Miss Fannie Bell, 1/2 doz. silver coffee spoons and linen centre piece; Miss Viola Bell, hand embroidered tea apron; Miss Grace McLellan, one half doz. china pie plates; Rev. A. W. Teed, prayer book.

The young couple are very popular and their many friends join in wishing them a happy journey through life.

Minard's Liniment Co., Limited.

Dear Sirs,—While in the country last summer I was badly bitten by mosquitoes, so badly that I thought I would be disgraced for a couple of weeks. I was advised to try your Liniment to allay the irritation, and did so. The effect was more than I expected, a few applications completely curing the irritation, and preventing the bites from becoming sore. MINARD'S LINIMENT is also a good article to keep off the mosquitoes.

Yours truly,  
W. A. V. R.

H. Price Webber, the actor, has been remembered by his friends in Westville, N. S., in a way that will keep the townspeople long in his memory. Between the second and the third acts at one of his performances, Mr. Webber was called before the

curtain and presented a gold-headed cane accompanied by a letter of congratulation in which reference was made to the fact that he and his company had been appearing annually there for thirty-eight years and that "those who were children when you first played in Westville now send their children to hear you, confident that they will enjoy your entertainment just as much in their early years as was their own experience at a similar time of life."

The first car of potatoes to be shipped from Caribou of the 1913 crop was sent out Sept. 21 by Frank S. Smith, who shipped three cars last week. The price paid was \$1.50 per barrel; this week the price dropped off a little, as was naturally expected, 1.35 being the figures offered. Mr. Smith informs us that the yield so far, from those already dug, has been from 65 to 90 barrels per acre.—Caribou Republican.

## Who Ever Knew Any Corn to Stay?

Who ever saw a corn so old, so tough as to resist a Blue-jay plaster?  
There are corns which resist the first plaster—that's true. But the most stubborn corn must come out with the second.

Think how easy it is. The little plaster is applied in a jiffy. The pain stops instantly.

A in the picture is the soft B & B wax. It loosens the corn. B stops the pain and keeps the wax from spreading. C wraps around the toe. It is narrowed to be comfortable. D is rubber adhesive to fasten the plaster on.
