Deering Drills, Etc

As the Disks on the DEERING DRILLS are disked like those used on disk plows, they have more penetration than any other class of drills. It is estimated that the Deering Drills pull from 25 to 33 per cent lighter than any other drills of equal size. The Levers of the Deering Drills fold parallel with the box, so that when the drill is stored away it will occupy the smallest possible space. The Bearings, Oil and Grease Cups are absolutely Dust and Grit proof.

We are also sole agents for the Bissell Disk Harrows, Delaval Cream Separators, Robins & Aspinwall Potato Planters. Every article the World's Standard in its line.

VERA CRUZ IS NOW UNDER MARTIAL LAW

Large Quantities of Arms Turned Over to the Americans--U. S. Consul at Monterey Was Thrown Into Jail By Mexican Federal Officials

VERA CRUZ, April 26.—Vera Cruz is tonight under a martial law. Rear Admiral Fletcher, commanding the American naval forces on shore, today issued a proclamation to this effect, and the last opportunity Mexicans had for handing their own laws disappeared.

This proclamation makes Rear Admiral Fletcher absolute ruler ashore.

An order that all arms be turned in by the residents by noon today, brought to the headquarters of the provost marshals bushels of small arms and stacks of rifles which had not been discovered by the provost guard on their previous searches, and at the Consulate a huge quantity of guns of all makes and sizes were

stacked up.

A large number of local Mexican officials have reported their willingness to resume their duties of office under the supervision of the Americans.

DEPARTURE OF FOREIGNERS.

Sir Christopher Cradock, the British Admiral, through Sir Lionel Carden, who has resumed charge of the British Embassy at the Capital, is urging President Huerta to permit the departure of all foreigners from Mexico City, and it is considered possible that one or two more trains at least will be permitted to pass through. But there appears a fair chance that those who have fallen under the displeasure of Huerta and are in the custody of his forces

"NA-DRU-CO" DYSPEPSIA TABLETS

Proved of Great Value to Me

There is only one explanation for the numbers of enthusiastic letters that we receive praising Na-Dru-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Eliza Armsworthy, Canoe, N.S.: "It is with pleasure I write to inform you that your Na-Dru-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in my case." The remarkable success of Na-Dru-Co Dyspepsia Tablets is such a success as can only come to an honest remedy, compounded according to an exceptionally good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dru-Co Dyspepsia Tablets, compounded by the National Drug and Chemical Co. of Canada, Limited, and sold throughout the Dominion at 50c. a box.

will be held for an indefinite period. The food supply problem must be relieved soon, and for this reason plans are now making to open the Alvarado Railroad, a short line running south into the garden and poultry district. The restaurants have cut down their list to soup, a piece of meat, and coffee, and the charges have been increased. The hotels are crowded to their capacity, and the refugees who have succeeded in reaching here are finding difficulty in securing quarters.

U. S. CONSUL JAILED.

WASHINGTON, April 26.—United States Consul General Hanna at Monterey, reported to Secretary Bryan tonight that he had been humiliated and placed in jail by Mexican Federal officials on April 22 and left behind the bars until released two days later by the Constitutionalists when they captured the city.

Mr. Hanna's message to Secretary Bryan was despatched today from Monterey. The Secretary took it to the White House at once and it was the subject of a long conference between him and President Wilson.

LOOTED AMERICAN STORES.

Vera Cruz, April 25.—Circulars enumerating American business houses are being distributed in the streets of Mexico City. The hand bills call on the people to destroy the concerns listed. Some of the American stores whose names appeared in the circular already have been looted.

Another list being distributed is that of Mexicans managing some of the American stores. It is declared these men must be killed because of their identification with foreign interests.

The newspapers of the capital are publishing stories to the effect that the American forces at Vera Cruz are slaughtering women and children and the papers call on Mexicans to retaliate in a similar manner.

J. C. Rockwell's Sunny South Co.

That uncommonly strong combination of colored talent, known as the J. C. Rockwell Sunny South Company, the show that never disappoints, the one that never misrepresents, is announced to appear in the Hayden-Gibson Theatre, Wednesday evening, May 6th. This company was seen here about two years ago, it made good every promise, delivering the goods just as advertised. This season Mr. Rockwell claims to have the newest, freshest, most artistic and thoroughly equipped colored show ever sent on tour. He backs his claim and arrests public attention by presenting a musical performance that has more up-to-the-minute ideas and original novelties than any similar organization. As on its former appearance it will be found to be clean to a fault and during the entire performance there
