Former N. B. Players With Lynn

The Lynn club played three games on Monday, that being Patriots' Day and a holiday in the State of Massachusetts.

The Lynn regulars played two games with Waterbury and Billy Lynch, Shankey, McKee, Lee and Pete Condon, Flaherty, Dedrick, who figured in the N. B. and Maine League last year, being with the Maine regulars.

McKee, who is better known here as Charles, pitched most of the morning game, which Lynn won by 1 to 0. Waterbury collecting only three hits in the nine innings. The afternoon game was won by Waterbury by a 3 to 2 score. Lee pitched the first seven innings and part of the eighth for Lynn, then being relieved by Pete Condon, who retired the six men in the eighth and ninth innings on strikes.

The Lynn second team was lost to the United Shoe Machinery Company team at Beverly, Mass., by a score of 6 to 5 in eleven innings. Woodcock, who was with the "Pats" last year, pitched most of the game for Lynn, Vaughn finishing up. L. McPherson, who was with the St. Croix team last year, shortstopped for the Lynn team and had two of the nine hits, while Reed, the former Bangor and Houlton player, had one of the singles.

Harry Stone, an old Woodstock player, has signed with the Lynn club of the New England League.

He has not reported as yet, but will probably join the club when the South Framingham, Mass., High School, where he holds a position on

the teaching staff, closes for the summer vacation.

This will not be "Stoney's" first appearance in the New England League, he having played with Lowell in 1911 for a short time.

Last year he was one of the headliners for the Fredericton Pats and became one of the most popular players with the fans to ever wear a Fredericton uniform. His many friends here feel confident that he can make good in the old New England. While with the Pats, Stone played first base regularly, although he prefers working behind the bat, his natural position. The experience gained at the initial bag last year will hold him in good stead should he make a bid to fill George Wilson's shoes at first sacker for Lynn, his old Houlton team sidekick being now with the Boston Red Sox in the utility role.

Lynn will have a regular coterie of N. B. and Maine Leaguers this year, Joe Neptune again being on the club roster. At present the Lynn club has an even dozen of players who have pastimed in the N. B. and Maine League at one time or another.

Manager Carrigan Praises Tris Speaker

Manager Bill Carrigan, of the Boston Red Sox, says that Tris Speaker not only is the highest salaried ball player, but that he is the greatest player in the game. "I consider Speaker the best player in the world," says Carrigan. "He is a more valuable man than Ty Cobb. Tris misses few games, is a natural hitter, a greater fielder, and a daring baserunner."

Frank Chance's Playing Days Are Over

Frank Chance declares he has made up his mind to retire permanently from diamond activities.

"Williams looks so good to me on first base that there is no need to continue the ordeal of keeping in playing trim," he said, yesterday, "especially when I could not expect more than a year of usefulness. If I had not reached this decision I should have gone in against Washington. Knowing my inability to dodge a pitch, some of my friends thought I didn't care to risk my head against Johnson's speed. I wasn't a bit afraid of Johnson. He's usually about as steady as any pitcher I know. I have decided to quit playing for good. That's the answer."

Tesreau Sued for \$25,000

Papers in a \$25,000 breach of promise suit were served upon Chas. Monroe Tesreau, pitcher of the New York National League team, in New York, Wednesday. The plaintiff is Miss Clara Young, of Perryville, Me., who says the Giant twirler was engaged to her when he married Miss Helen E. Blake, of New York, last fall.

Old Bob Fitzsimmons in the Fight

Robert Fitzsimmons ran into unexpected trouble the other night when he entered a New York sporting resort in the White Light district to see a friend. According to the story told by men about town, Fitz encountered Dave Sullivan, once a leading feather weight, who was nursing an old grudge.

Fitz referred the memorable fight between Sullivan and Terry McGovern at Louisville on February 22, 1902, and at the end of the fifteenth round he gave the decision to McGovern. Sullivan was infuriated and openly charged Fitzsimmons with rank unfairness before the latter left the ring. It appears that Sullivan never met the Cornishman again until they clashed last week.

"How do you do?" said Ruby Robert, extending his freckled hand. "I don't do at all!" growled the former featherweight, who now tips the beam at 160 pounds. "You're no

"MY ONLY MEDICINE"

Says Mrs. Corbett, Are "Fruit-a-lives" "They Keep Me in Perfect Health"

Mrs. ANNIE A. CORBETT

AVON, ONT., May 14th, 1913. "I have used 'Fruit-a-lives' for indigestion and constipation with most excellent results, and they continue to be my only medicine. I am highly pleased with 'Fruit-a-lives' and am not ashamed to have the facts published to the world. When I first started, about six years ago, to use them, I took four for a dose, but I cured myself of the above troubles and gradually reduced the dose to one tablet at night.

Before taking 'Fruit-a-lives' I took salts and other pills but the treatment was too harsh. I thought I might as well suffer from the disease as from these treatments.

Finally, I saw 'Fruit-a-lives' advertised with a letter in which someone recommended them very highly, so I tried them. The results were more than satisfactory and I have no hesitation in recommending them to any other person. They have done me a world of good. I get satisfaction from them, and that is quite a lot!" friend of mine, so keep away from me!"

"Come, come, now! Don't be a blundering baby," Fitz retorted, still holding out his hand.

"You robbed me of that fight with McGovern!" cried Sullivan, white with rage. "You ought to have been lynched."

Fitz grinned at this sally and told Sullivan he was crazy. More hard words followed and a crowd began to gather. Suddenly Sullivan lost all control of his temper. Bam! He punched the ancient Cornishman in the face and then both fell to the

floor in a rough and tumble scrap. They were torn apart, and as the crowd seemed to include many Sullivan adherents, the former heavy-weight champion of the world concluded that discretion was the better part of valor and quietly disappeared.

SPORTLETS

In the recent bowling tournament, in St. John, Jap Blake of this town made the highest single string, 119. A very large number took part in the contest.

Zbysko won from Dr. B. F. Roller, at Springfield, Thursday night, in a catch-as-catch-can match, taking two straight falls. The first was won in 1 hour and 11 minutes with a head chancery and arm lock, and the second in 04 minutes 40 seconds, with a body scissors and arm lock. There was an attendance of about 3,000.

The date of the minstrel performance in aid of the Woodstock base ball team will soon be announced. Watch for it.

Jones, who is employed by the C. P. R., may not be able to play ball this summer.

It is hoped that some arrangement can be made to secure Bob Faulkner for the season. He did brilliant work last year. The material for the catcher's department seems scarce.

In the opening games no grass was set afire by either the Athletics or Giants. But pennants are not won in April and the two old battlers are still the favorites.

The failure of Larry Lajole to make even one hit in the first four games of the season caused Cleveland fans to wonder if the great clown had lost his batting eye.

There is to be a diamond on the new agricultural grounds and some great games are expected to be played there at the exhibition in the fall.

Hartland may have a ball team this season.

Yes, move! the time ahead an hour and give all hands a chance to see the games.

There is material in town for two goos ball teams.

The trouble-makers are already in evidence.

Start early and develop catchers—no necessity of any importations.

Matrimonial Business Booming in Quebec

TWELVE NEWLY MARRIED COUPLES LEFT BY C.P.R. IN TWO DAYS.

(Quebec Telegraph, Tuesday).

A sure sign that Lent is over was demonstrated by the fact that no less than six newly-married couples left over the C. P. R. yesterday on honeymoon, to be spent in different parts of the West. To-day was a repetition of yesterday, three couples leaving by the morning train and three more on the 1.30 train this afternoon, making twelve in all since yesterday.

The Canadian Pacific depot was completely strewn from one end to the other with all kinds of confetti, and the crowd which thronged the popular place of departure was one of the biggest on record, all down to wish the newly weds all kinds of good luck, on their latest venture in life.

ANOTHER TORY GIFT

\$1,200,000 to Defunct Farmer's Bank

A resolution was introduced in the commons yesterday by Hon. W. T. White, minister of finance, calling for the payment from the public treasury of \$1,200,000 to the depositors in the defunct Farmers' Bank of Ontario. It is said that the money is being given through a compromise effected last fall with Ontario Conservatives in return for their support for the C. N. R. donation of \$15,000,000.

FORD TIMES

Ford, Ont., April, 1914.—One of the most elaborate and complete magazines issued by any industrial concern is Ford Times, published by the Ford Motor Company of Canada, Limited. The Times, a well printed, attractively illustrated magazine of about 58 pages, is by no means an exclusive sheet for the private perusal of Ford dealers and employees. It is for the general reader as well and any person who desires may have a copy each month free, simply by sending in his name to the head office at Ford, Ontario. The general purpose and appeal of Ford Times is, expressed by the editor thus:

"Ford Times is a magazine devoted to the automobile public in general—and to Ford owners in particular. But somewhere between its covers will be found something of interest to everyone. Like the Ford car, it has a worldwide distribution."

Three editions of the Times are published simultaneously, the American, Canadian and English, each with its exclusive material, and the circulation of these three editions is well over the enormous total of

300,000 copies monthly. Sold by R. L. Phillips, 189 Smythe St., Fredericton, N. B. (11n-18).
