

## WOMAN COULD NOT WALK

**She Was So Ill—Restored to Health by Lydia E. Pinkham's Vegetable Compound.**

Pontwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement. I had backache and bearing down pains so bad that I could not sit in a chair or walk across the floor and I was in severe pain all the time. I felt discouraged as I had taken everything I could think of and was no better. I began taking Lydia E. Pinkham's Vegetable Compound and now I am strong and healthy."—Mrs. ALICE DARLING, R.F.D. No. 2, Box 77, Pontwater, Mich.

**Read What Another Woman says:**  
Peoria, Ill.—"I had such backaches that I could hardly stand on my feet. I would feel like crying out lots of times, and had such a heavy feeling in my right side. I had such terrible dull headaches every day and they would make me feel so drowsy and sleepy all the time, yet I could not sleep at night."

"After I had taken Lydia E. Pinkham's Vegetable Compound a week I began to improve. My backache was less and that heavy feeling in my side went away. I continued to take the Compound and am cured."

"You may publish this if you wish."  
—Miss CLARA L. GAUWITZ, R.R. No. 4, Box 62, Peoria, Ill.

Such letters prove the value of Lydia E. Pinkham's Vegetable Compound for woman's ills. Why don't you try it?

## IRISH POTATO STATISTICS

United States is 28,000,000 Bushels Short of Consumption Demand

Chicago Alone Requires 25,000 Carloads Per Year

Says the New York Packer:  
The people of the United States consume annually about four bushels of Irish potatoes per capita.  
"We now have a population of 80,000,000 people; to supply the normal demand requires a crop of 360,000,000 bushels of this product."  
"Government statistics show we have only 332,000,000 bushels this season or 28,000,000 short of the consumption demand."  
"The city of Chicago consumes and

## TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderrine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderrine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderrine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderrine. Save your hair! Try it!

## Why?

Do about all the Prime Furs come to me? Because I pay the most money.

I will pay prices as set forth in "Family Herald", issue of December 10th, page 24. Any house sending out higher prices than these will cheat you. Did you ever hear of my cheating or failing to pay any one?

Send in a small lot, even a couple of Weasels, and see what you receive. Packages up to 2 lbs by mail, larger ones by Express.

I will return Furs free of expense if my prices do not suit.

Cash for live Beavers, Mink, Fisher, Patch or Cross Foxes.

distributes approximately 25,000 carloads per year.  
"To haul to market the three hundred and sixty million bushels of potatoes consumed by the people of the United States annually would require a string of box cars reaching from New York City, via Baltimore, Washington, Charlotte, Atlanta, Montgomery, Mobile, New Orleans, Houston, San Antonio, and El Paso to San Francisco thence back to Houston, Tex."

## Lakeville Miller Narrowly Escapes Frightful Death

Lakeville, N. B., Dec. 30th—J. W. Lifford who operates the roller-mill at this village, came nearly being torn to pieces this afternoon. He had started up the roller department, and had gone below to oil the mainshaft, which usually revolves at a rate of 125 revolution per minute but was at the time making about 80, when his clothing caught on a bolt connecting a pulley with the shaft. His presence of mind however proved his only means of rescue, for no sooner did he find his clothing entangled than he threw himself backward, leaving his coat, vest and two shirts winding around the shaft. His watch was smashed to atoms and he was stunned for some minutes, having suffered the fracture of several ribs; he however is able to walk about and hopes to resume his duties in a short time.

## Minutes Mean Dollars

IN TREATING ANIMALS  
Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphreys' 500 page Veterinary Manual will prove so valuable to you. It is by F. Humphreys, M.D., V.S., and teaches how to diagnose and give proper treatment. This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphreys' Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphreys' Homeopathic Medicine Company, 136 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a postcard by writing for it now.
