WEALTH OF HAIR

Parisian Sage Makes Thin Lifeless Hair Soft and Abundant

Beautiful hair, thick, soft, fluffy, lustrous, and free from dandruff, is one of woman's greatest charms, yet so many have streaked, thin and lifeless hair and think there is no remedy. Pretty hair is largely a matter of care.

Frequent applications of Parisian Sage well rubbed into the scalp is all that is needed—it acts like magic. Try it tonight—you will really be surprised with the result. Not only will the hair become soft, fluffy, radiant with life and really doubly beautiful, but all dandruff disappears falling hair and itching scalp cease—your head feels fine.

All druggists sell a large bottle of Parisian Sage for fifty cents. Get it from E. W. Mair, he will refund the money if you are not satisfied.

GROW SOME FLOWERS—The very fact that your house is unpretentious and commonplace, is as good a reason as there could be why you should beautify it with flowers and other growing things.

"On To Calais"
If you will refer to a map of Europe you will find that the city of Calais is the next important seaport town of northern France west of Dunkirk, and that it is situated on the projection of land directly opposite Dover city in England. Here is where the sea between England and France, called the English Channel, attains its narrowest dimensions and is called Dover strait. Dover is only seventy-two miles from London, and being the terminus of the great Southeastern railway, the distance between France and English territory at Calais is only about twenty-one miles.
This thumb-nail sketch will enable the reader to appreciate at a glance the significance of the order of the German Emperor, "To take Calais at all costs." If the Germans can take Calais, they claim they will be able to control the lower end of the North Sea and in this event, they will be in a position to make things interesting for Dover and incidentally for the adjacent territory of England.—Burlington Free Press.

A POSITIVE CURE FOR RHEUMATISM

Hundreds of People Have Found "Fruit-a-tives" Their Only Help

READ THIS LETTER

Superintendent of Sunday School in Toronto Tells How He Cured Himself of Chronic Rheumatism After Suffering for Years.

55 DOVERCOURT ROAD, Oct., 1st, 1913.

"For a long time, I have thought of writing you regarding what I term a most remarkable cure effected by your remedy 'Fruit-a-tives'. I suffered from Rheumatism, especially in my hands. I have spent a lot of money without any good results. I have taken 'Fruit-a-tives' for 18 months now, and am pleased to tell you that I am cured. All the enlargement has not left my hands and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in 18 months".

R. A. WAUGH

Rheumatism is no longer the dreaded disease it once was. Rheumatism is no longer one of the "incurable diseases". "Fruit-a-tives" has proved its marvellous powers over Rheumatism, Sciatica, Lumbago—in fact, over all such diseases which arise from some derangement of stomach, bowels, kidneys or skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

MENTS OF PERISHABLE GOODS.

Cash contributions should be sent direct to the Treasurer, James H. Frink, Mayor of St. John, and all freight to the Belgian Relief Committee, St. John. All Railways and Steamers carry the freight free. As soon as received these goods will be properly sorted and classified, and when a sufficient quantity has been received, the PROVINCIAL GOVERNMENT has offered to charter a steamer to carry these goods to destination.

Copies of this letter are being sent to all Clergymen, Members of Parliament, Members of the Legislature, Judges, Senators, Wardens, Sheriffs, and many others.

Address all correspondence to the Secretary, James Gilchrist, 102 Prince William Street, St. John, N.B.
