

## TWENTY YEARS AGO

From the Sentinel  
November 17th, 1894

The following complimentary remarks regarding a well-known Carleton Co. boy, we find in the Baptist Courier, published at Greenville, S. C., of the 8th inst.—Prof. W. F. Watson, of Furman University, has issued in a neat volume of 100 pages the laboratory courses in chemistry pursued in the institution. The book is for use by the students in the

chemistry classes, and will greatly aid them in their work as well as reduce the work of the Professor to the minimum. Prof. Watson is an original and progressive teacher and is deservedly popular with his students. The second session of the present parliament was opened on Friday evening of last week with the usual pomp and ceremony. More than the usual number of ladies graced the galleries, and casting the eye thither one could be attracted by the brilliant display of dress and ornament. It did seem as though the ladies had put on their prettiest dress and sweetest smiles in honor of a new government. While there has been a complete change in the personnel of the government since last session, there has been but little change in the complexion of the house. The government is formed as follows with vacancies to fill: W. P. Jones, premier; William Dibblee, minister of finance; Charles Appleby, minister of justice; James Watts, minister of marine and fisheries; J. K. Flemming, minister of agriculture; Donald Munro, secretary of state; W. T. Drysdale, postmaster general; U. R. Hanson, minister of trade and commerce; W. W. Hay, minister of public works; J. P. Maloney, controller of inland revenue; Hugh Harrison, controller of customs. Major Vince is speaker and Fred Hay clerk.

H. Price Webber, with his old and favorite Boston Comedy Company, is playing the principal places in P. E. Island. The Island papers speak in highly flattering terms of the company, but this is only what those who know "Webber" would expect.

At Jacksonville, Nov. 8th, by Rev. T. L. Williams, Mr. Coles J. Vanwart of Woodstock, to Miss Clara M. Rice, of Presque Isle, Me.

On Monday evening the residence of

Mr. T. E. Smith, train despatcher, C. P. R., was forcibly entertained by a jolly crowd of some forty young people who were bent on favoring Miss Belle Smith with a surprise party. The party broke up at midnight after a very enjoyable evening spent in music, conversation, games, etc. Some time ago Gen. Herbert ordered the No. 4, R. R. C. I. band at Fredericton to surrender their instruments. The matter having been presented to Hon. Mr. Watterson, Minister of Militia, when he was in Fredericton recently that gentleman ordered the return of the instruments to the barracks; they have been received and the band will be re-organized.

The long span has been bridged, and the false work for the shore span has been placed; the riveting, painting and flooring are all being proceeded with, and the entire completion of the bridge would appear to be in the very near future. In the meantime, many foot passengers avail themselves of the bridge to cross the river.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25-cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flourish, loosen and die; then the hair falls out. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

### As Long as She Shall Live.

WOODSTOCK, - N. B. 9i-10

Geo. J. Raymond, Boston, a former Woodstock boy, has added another to the many evidences already given of the warm spot in his heart to the land of his birth, and the companions of his youth. Seeing that the land had secured a stand and desired a flag for the same, Mr. Raymond wrote Smiler Blake asking what kind and size of flag was wanted. The desired information was furnished him, and last week a large and very handsome Union Jack was received through the express. The flag was accompanied by a letter in which Mr. Raymond uses the following patriotic sentiments: "Hang it up high, my boy, and remember it is the flag the whole world is bound to respect. The old Jack is a protection of all just civilization, and though you may hear of free countries, the land of the free, etc., this flag represents more freedom than all the flags combined." The band is justly proud of the gift and the giver.

### A BIG CAPABLE STOVE

A STOVE is an important purchase. Choose your stove carefully.

What has the Gurney-Oxford to offer? First of all it's a big, heavy, capable stove. It has the lasting qualities of an heirloom.

It's a capacious stove, the top is broad and deep; the ovens are high and wide.

The grates are constructed to give the fire abundance of air; this means fuel-economy.

There are no cold corners in a Gurney-Oxford oven; the heat goes through divided flues over the oven and to all sides of it.

The Gurney-Oxford Economizer regulates all the drafts and gives you complete control of the fire at all times. Don't buy a stove for price only, or for looks. Come in and let us show you the Gurney-Oxford.

It's the most economical and satisfactory stove ever built, and the best investment you can make for your home.
