MARRIED

A pretty New Year wedding was celebrated at the home of Mr. and Mrs. J. T. LePage, 396 College St., St. Boniface, when Miss Uarda M. Burt, cousin of Mrs. LePage, and daughter of Mr. and Mrs. F. M. Burt, of Woodstock, N. B., was married to Willis E. Ferguson, of Winnipeg. Rev. R. Whiting, pastor of Young Methodist church, performed the ceremony in the presence of only the intimate friends of both parties. Miss Edna Macnamara, of 225 Spence street, played Mendelssohn's Wedding March as the young couple took their place under a beautiful Christmas arch in the drawing-room, which was decorated with cut roses and ferns. The bride was dressed in a gown of white shadow lace draped with satin, and carried a bouquet of orange blossoms and lilies of the valley. Lunch was served immediately after the ceremony, the dining-room being prettily decorated with streamers of red ribbon and cut flowers, the table decorations being of red roses. The happy couple took their departure for a short trip to western cities. The bride's travelling gown was a navy blue tailored suit. The many useful and dainty gifts presented attest to the popularity of the young people, who will return to the city about Jan. 12.

"For three years I was seriously bothered by a bronchial cough. At night I would awaken with a dry irritable feeling in my throat. I couldn't cough up anything, but very soon coughed my throat into quite an inflamed condition. Once I got Catarrhozone Inhaler I was all right. I took it to bed, and if an attack awakened me a few minutes use of the inhaler gave me relief. Catarrhozone has cured me and I strongly urge everyone with a weak throat to use it regularly."

Harold Borden Ross, youngest child of Dr. and Mrs. D. W. Ross, Marysville, passed away Thursday, last week, and interment took place on Saturday. The services were conducted by Pastor C. G. The jury in the case of Stewart vs. The Southampton Railway Company were unable to reach an agreement on certain questions of fact submitted to them by the Court. There would have been no chance for a disagreement had they been asked to tell who is going to be stuck for the interest and principal on the \$155,000 of provincial bonds guaranteed by the magnanimous local government.—Mail.

A WONDERFUL DISCOVERY

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a single thin layer of Zam-Buk is applied to a wound or a sore, such injury is insured against blood poison! Not one species of microbe has been found that Zam-Buk does not kill!

Then again, As soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again, As soon as Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. This forming of fresh healthy tissue from below is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mr. Marsh, of 101 Delorimier Ave., Montreal, called upon the Zam-Buk Co. and told them that for over twenty-five years he had been a martyr to eczema. His hauds were at one time so covered with sores that he had to sleep in gloves. Four years ago Zam-Buk was introduced to him, and in a few months it cured him. To-day—over three years after his cure of a disease he had for twenty-five years—he is still cured, and has had no trace of any return of the eczema!

All druggists sell Zam-Buk at 50c. box, or we will send free trial box if you send this advertisement and a 1c. stamp (to pay return postage) Address Zam-Buk Co., Toronto.
