## RAILROAD MAN HAD TO LAY OFF

Until He Took GIN PILLS

Buffalo, N. Y.  
"I have been a Pullman conductor for the C. P. R. and Michigan Central for the last three years.  
About four years ago, I was laid up with intense pain in the groin, a very sore back, and suffered most severely when I tried to urinate.  
I treated with my family physician for two months for Gravel in the Bladder but did not receive any benefit. About that time, I met another railroad man who had been similarly affected and who had been cured by GIN PILLS, after having been given up by a prominent physician who treated him for Diabetes. He is now running on the road and is perfectly cured. He strongly advised me to try GIN PILLS which I did—with the results that the pains left me entirely."

**"NA-DRO-CO DYSPEPSIA TABLETS"**  
Proved of Great Value to Me

There is only one explanation for the numbers of enthusiastic letters that we receive praising Na-Dro-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Eliza Armstrong, Canoe, N.S.:  
"It is with pleasure I write to inform you that your Na-Dro-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in my case."

The remarkable success of Na-Dro-Co Dyspepsia Tablets is such a success as can only come to an honest remedy compounded according to an extraordinary good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dro-Co Dyspepsia Tablets, compounded by the National Drug and Chemical Co. of Canada, Limited, and sold throughout the Dominion at 50c. a box.

There is only one explanation for the numbers of enthusiastic letters that we receive praising Na-Dro-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Eliza Armstrong, Canoe, N.S.:  
"It is with pleasure I write to inform you that your Na-Dro-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in my case."

The remarkable success of Na-Dro-Co Dyspepsia Tablets is such a success as can only come to an honest remedy compounded according to an extraordinary good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dro-Co Dyspepsia Tablets, compounded by the National Drug and Chemical Co. of Canada, Limited, and sold throughout the Dominion at 50c. a box.
